

A Note Regarding Contributions

We are so pleased to have you in the Nutrition Program!

The Congregate and Home Delivered Lunch Program is made possible through funding from the Older Americans Act and through your contributions.

As such, you are to be given the opportunity to contribute towards the cost of your lunch. The actual cost of your lunch at your community Dining Center is \$7.22 or your home delivered lunch is \$7.48.

Your contributions are confidential and voluntary. You will never be denied lunch based on your ability to contribute.

The suggested contribution is \$3.00 per lunch, however, please make a contribution which is comfortable for you.
