

NOTICE OF PUBLIC INPUT MEETING

Locally Developed Coordinated Public Transit – Human Services Transportation Plan

Notice is hereby given that a Public Input Meeting will be held by the Aging & Disability Resource Center (ADRC) of Eagle Country, Sauk County Office. The meeting is scheduled for **2:00 – 3:30 pm, Tuesday, December 11th, 2018**, in Conference Room B-24, located in the lower level of the West Square Building, 505 Broadway, Baraboo, WI 53913. In this meeting, the ADRC is seeking public input to discuss and review the current ADRC Transportation programs – specifically for senior citizens, persons with disabilities and/or low income and employment related transportation programs. The ADRC will afford an opportunity for members of the public, private, public and non-profit agencies and human service agencies to be heard with regard to transportation options and availability within Sauk County with the goal to identify potential options for improving transportation services and availability within Sauk County for the 2019-2023 WisDOT five year plan.

The **Locally Developed Coordinated Public Transit – Human Services Transportation Plan** must be revised and re-submitted to WisDOT every five years. Federal transit law, as amended by SAFETEA-LU (2005) , and continued in MAP-21 (2012), requires that projects selected for funding under the Section 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program be “derived from a locally developed, coordinated public transit-human services transportation plan” and that the plan be “developed through a process that includes representatives of public, private and non-profit transportation and human services providers and participation by members of the public.”

Interested persons may call or submit written comments with respect to The Locally Developed Coordinated Public Transit-Human Services Transportation Plan. Comments will be considered at the Hearing if received no later than midnight, 10 December 2018 by:
