Spring Musical: Mama Mia Musical

Our students gave three outstanding performances of the musical: Mamma Mia! Over 1,500 community members attended the three shows at the Al. Ringling Theatre. Through the support of our sponsors and the Sauk County Grant, the music staff of BHS were able to provide an outstanding experience for our students and audience without losing a lot of money. This production had added expenses beyond a regular musical, such as the use of MacBooks, keyboard patches, and programs to operate the keyboard patches to produce the sounds of ABBA.
