

# River Valley Music Boosters

## "Bring Wisconsin Singers to River Valley"

03/09/24, Wisconsin Singers and RVHS Students working together to learn the opening number to the show. Taken by Rebecca Schinker

On Saturday, March 9th. River Valley High School choir students arrived at 3:15 p.m. They were introduced to the Wisconsin Singers, and learned an opening number for the show with them including music and choreography. River Valley Music Boosters provided a meal for the Wisconsin Singers cast and crew, as well as River Valley High School students. Doors opened at 6:30 p.m., and the show began at 7:00 p.m. The show began with the RVHS choir performing 4 songs for the crowd. Then they joined WI Singers for an opening number that they learned earlier that day. Then the Wisconsin Singers performed nearly a two hour show, with a short intermission. They performed a medley of songs from all decades and genres to appeal to the entire crowd. After performing our students sat in the audience to enjoy the

show, and they were celebrating, cheering, dancing, and singing together. It was an amazing show to watch, and even more fun to see the kids so excited and integrated.
