

Recruiting America's Brave

Careers for Veterans and Military Spouses

At U.S. Security Associates, we not only actively recruit military veterans – retired, separated, and reservists – but also military spouses.

Choose U.S. Security Associates, because your career is changing, not your values.

.....
"As a veteran myself, I know firsthand that men and women from the armed forces have the attributes we want in our security forces. They are leaders and team players. They are disciplined, courageous, and loyal. Their strengths translate very successfully in security work, and their values form the foundation of our security company culture: duty, integrity, honor, service, and excellence."

Chuck Schneider, Co-founder & Chairman of the Board
Former Naval Officer
