

FINAL

AGENDA for BOMC Planning and Land Use Committee Meeting Thursday, May 12, 2011, 9:30 a.m. - Noon Dairy Forage Research Center Farm

NEW BUSINESS

1. Meet DNR Regional Trails Coordinator Dana White-Quam.
Share information and ask questions about Badger-related trail issues and upcoming trail planning efforts via the master plan.
2. DNR forester Nicholas Morehouse will present forest cover maps and preliminary forest/land management prescriptions.

CHECK-IN

Members share information on Badger-related actions, including information on the “standing items”:

Reservoirs

River Pump Station and Clingman property

Landfill and borrow pits

Rail

Sewer

Roads

Electric Transmission Lines

Remaining Infrastructure

Cemeteries

USDA Expansion Plans

Master Plan

Municipal Water System

Historical Preservation

In addition, Don Hammes has requested discussion on the following:

The Conservation Congress question at the Spring Hearing on use of Badger as a center for dog training and other dog activities.

Article in Wisconsin State Journal on American Transmission line bypassing The Baraboo Hills and following the interstate highway.

Status of the Ho-Chunk environmental review of lands.

Status of the Reuse Plan anniversary celebration.

Army demolition plans/objectives for the summer.

Sauk County Conservation Alliance plans for the summer at Badger.
Date and expected agenda for the next BOMC meeting.

NEXT MEETING

Normal rotation would be Thursday, July 14.
