

# Septic Suitability

## Legend

- |  |                  |                       |
|--|------------------|-----------------------|
| <b>Traditional Septic Probability Boundaries</b> |                  |                       |
| High   | Parcel Boundary  | Interstate Highway    |
| Moderate   | Town of Delton   | United States Highway |
| Low  | Town Boundary    | State Highway         |
| Very Low   | River/Stream     | County Highway        |
| No Soil Data                                     | County Boundary  | Town Road             |
|  | Municipal Street | Recreation Trail      |

This map shows initial septic suitability for "traditional" systems (conventional, at-grade, mound) that were permitted prior to a change to state code-COMM 83 in 2000.
