

Attorney Agreement to Safeguard Confidential Information

Any information about individuals and the facts of their case is considered confidential per several provisions in Wisconsin Statutes. The information may only be used for purposes of the Sauk County Department of Human Services and/or the child support program. Unauthorized use or disclosure of this information violates federal and state confidentiality laws. Other sensitive information, in which disclosure could violate a person's right to privacy, must also be protected.

Information considered confidential includes, but is not limited to:

- 0 Names and addresses of individuals involved in a case
- 1 Names of individuals identified as potential fathers
- 2 Results of genetic testing
- 3 Income of individuals involved in a case
- 4 Any other specific information about the case
- 5 Social Security numbers
- 6 Medical information provided in a case

Confidential information **must** be safeguarded in accordance with Wisconsin Statutes. Your signature on this form constitutes acceptance of responsibility for compliance with all applicable State and Federal laws. Any improper disclosure of confidential information must immediately be reported to the Sauk County Corporation Counsel Office.
