Contract Terms and Conditions

Under this contract, the department awards the grant recipient a Clean Sweep grant in the amount indicated above. This grant is subject to the following terms and conditions:

A. General Terms and Conditions

- A.1 The grant funds awarded by the department shall be used to reimburse the grant recipient's direct costs listed in s. ATCP 34.04(2), Wis. Admin. Code, for the agricultural chemical and container collection and/or household hazardous waste collection project. The project being funded by this contract must meet applicable requirements in ch. ATCP 34, Wis. Admin. Code. This contract is subject to and incorporates applicable provisions of ss. 93.55, and 93.57 Stats; ch. ATCP 34, Wis. Admin. Code, and the grant announcement issued by the department pursuant to ch. ATCP 34, Wis. Admin. Code.
- A.2 Except as otherwise provided in section B, payment of grant funds to the grant recipient shall be made only after the grant recipient has completed all activities described in the approved grant application and submitted the final report required under s. ATCP 34.18, Wis. Admin. Code, to the department. Grant award payments, less any amounts withheld because of the grant recipient's breach of this contract, shall be made within 60 days after submission of final report.
- A.3 The grant recipient shall at all times comply with all federal, state or local laws, ordinances, regulations or formal guidelines in effect during the period of this contract. The department may withhold paying or seek the return of dispersed grant funds in any amount it deems appropriate if the grant recipient breaches any provision of this contract or fails to at all times comply with all federal, state, or local laws, ordinances, regulations or formal guidelines in effect during the period of this contract, including the failure to meet timeframes established in this contract or ch. ATCP 34, Wis. Admin. Code.
- A.4 The department shall not pay any grant funds to the grant recipient for reimbursement of costs incurred for collecting or disposing of the items listed in s. ATCP 34.04(3), Wis. Admin. Code, or for reimbursement of costs not directly related to the project activities described in the grant application. Upon written notice from the department, the grant recipient shall return to the department any grant funds received by the grant recipient for reimbursement of costs not directly related to the project activities described in the grant application. Funds provided under this contract may not be used, directly or indirectly, for lobbying or for illegal activities.
- A.5 The grant recipient shall perform and complete the project described in the grant recipient's approved grant application on file with the department, and any approved amendments to its approved grant

application. Tasks required for successful project completion include, but are not limited to, participation in planning meetings, collection site selection, project management, fiscal accounting and record keeping, an organized public relations campaign, site walk-throughs, pre-registration for Very Small Quantity Generators (VSQGs), waste collection and transportation, and making necessary operational adjustments. The grant recipient shall complete and submit a final report to the department within 60 days after the project is completed as provided in s. ATP 34.18 (1), Wis. Admin. Code and the Final Report Guidelines for Agricultural and Household Hazardous Waste Grants.

- A.6 The grant recipient shall assume responsibility as a hazardous waste generator under the Federal Resource Conservation and Recovery Act (RCRA) for hazardous waste received in connection with the project funded by this contract. The grant recipient shall contract with a hazardous waste contractor as provided in s. ATP 34.16, Wis. Admin. Code. A signed copy of the grant recipient's hazardous waste contract shall be available for review by the department prior to commencing and throughout grant activities under this contract. By signing this contract, the grant recipient affirms the hazardous waste contract and contractor complies with s. ATP 34.16, Wis. Admin. Code, and the corresponding pricing schedule must be provided to the department before April 15, 2019. If the grant recipient contracts with the hazardous waste contractor that manages the state of Wisconsin's hazardous wastes under the cooperative state purchasing agreement, submittal of the pricing schedule is not needed.
- A.7 The department may cancel this contract in whole or in part without penalty if the grant recipient violates this contract or fails to comply with applicable provisions of ss. 93.55 and 93.57, Wis. Stats. or ch. ATP 34, Wis. Admin. Code. The grant funding under this contract is contingent upon the availability of funding. If money is not available for project funding due to non-appropriation of funds, the department may cancel this contract in whole or in part without penalty.
- A.8 Amendments to this contract, if any, shall be in writing, mutually agreed upon by the department and the grant recipient, and signed by the authorized representative of the department and the grant recipient. The original grant contract, the approved grant application, amendments and referenced statutes and rules shall constitute the entire contract.
- A.9 The grant recipient shall have a single, organization-wide financial and compliance audit performed by a qualified independent auditor. This audit shall be performed in accordance with state single audit guidelines issued by the Wisconsin Department of Administration. The amount of the payment must be reported under non-major state program in the Federal and State Financial Assistance Single Audit Report (State I.D.#115.04 Agricultural Clean Sweep). The department may have an additional audit performed of the grant recipient's use of this grant contract funding.
- A.10 The grant recipient shall maintain separate records for this project. Financial records shall be maintained in accordance with generally accepted accounting principles. For a period of six years after this contract is completed or such longer period as may be required by law, the grant recipient and its contractors shall preserve records related to this contract and make them available to the department for inspection and copying.
- A.11 This contract shall take effect when signed by both parties, and shall end December 31, 2020, or 30 days after either party notifies the other in writing of its desire to terminate this contract. This contract replaces any previous contracts between the department and the grant recipient.
- A.12 The State of Wisconsin standard State contract provisions, Standard Terms and Conditions (DOA-3054) and Supplemental Standard Terms and Conditions for Procurement for Services (DOA-3681), are attached to and made part of this Contract in Attachment A. In the event of a conflict between any provision contained in Attachment A and any other provision of this Contract, such other provision shall prevail over the conflicting provision in Attachment A.

B. Additional Terms and Conditions for This Contract

- B.1 The grant recipient shall fund a portion of the grant recipient project by providing a contribution in accordance with the provisions of s. ATP 34.04(5), Wis. Admin. Code. The total dollar value of the contribution shall be a minimum of 25% of the final total project cost. The dollar value amounts shall be reported on reimbursement documents.

- B.2 The grant recipient shall pay the hazardous waste contractor the amounts due and owing under the grant recipient's hazardous waste contract for the hazardous waste contractor's incurred costs that are to be reimbursed to the grant recipient under this project.
- B.3 For permanent collection projects, one or more partial grant fund payments may be provided during the permanent collection project. An interim report containing interim information of the type required under s. ATCP 34.18, Wis. Admin. Code, may be required before any partial payment is made.
- B.4 From the contracted funding, up to 50% of a grant recipient's cost to collect and dispose of agricultural pesticides and containers received from VSQGs, as defined in s. ATCP 34.02(18), Wis. Admin. Code, who are not agricultural producers, may be reimbursed provided that the requirements of ss. ATCP 34.04(6) and 34.14, Wis. Admin. Code, have been satisfied. The reimbursement percentage shall not exceed 50% of the total cost of the collection from VSQGs unless the administrator of the department's agricultural resource management division approves a higher percentage rate.
- B.5 A county that receives grant funds for both a farm chemical waste collection project and a household waste collection project may reallocate up to 50% of either project's grant funding to the other project based on unanticipated changes in demand for collection services in either project. Reallocation of funds is prohibited if the reallocation results in a shortage of funds for that project. Documentation for the amount of the transfer and the reasons for the transfer of funds must be provided in the final report.
- B.6 The person who signs this contract on behalf of the grant recipient is authorized to and does commit the grant recipient to the terms and conditions of this contract.
