## AGREEMENT FOR ENGINEERING SERVICES

This Agreement made this 17<sup>th</sup> day of June, 2020, by Sauk County hereafter referred to as the CLIENT, and GENERAL ENGINEERING COMPANY, hereinafter referred to as the ENGINEER:

That for and in consideration of the mutual covenants and promises between the parties, it is hereby agreed:

### GENERAL PROJECT DESCRIPTION

#### Task 1 Storm Water and Erosion Control Plan Review:

Prepare written comments regarding stormwater and erosion control plans submitted by another consultant to Client. Client to provide plans to General Engineering Company. This work includes both the preliminary review and any subsequent review of updated plans based upon department comments. First review to be completed by Thursday, July 2, 2020. Subsequent review of revised plans shall be commented upon with 7 to 10 days.

Attend internal meetings with County staff and/or other engineering firms involving engineering questions or issues. All meetings to be at General Engineering Company or Sauk County West Square Building.

### COMPENSATION FOR CIVIL ENGINEERING SERVICES

The compensation for engineering services shall be payable as follows:

Task 1: Storm Water and Erosion Control Plan Review: The Client shall compensate the Engineer for the work listed in Task 1 for a fixed fee total of \$1,850.

The client is obligated to pay all costs and expenses (including, without limitation, reasonable attorneys' fees) incurred by us in obtaining payment of our fees for engineering services and disbursements. We reserve the right to terminate our representation and services if payment is not received within 30 days of our billing invoice, and the client agrees not to contest the termination of our representation and services if payment is not received within 30 days of our billing invoice.

In Witness whereof, the parties hereto have executed, or caused to be executed by their duly authorized officials this Agreement in duplicate on the date indicated herein.
