RE: Amendment to 2020 Clean Sweep Grant Contract

Dear Justine,

Due to unprecedented circumstances during 2020, the Clean Sweep grant program has a balance of funds from unspent 2020 grant awards. The program has chosen to distribute unspent funds to several municipalities participating in the 2020 grant cycle that documented reimbursable expenses above 2020 grant award amounts in final reports. Your municipality is eligible to receive a one-time distribution from the unspent Clean Sweep program balance.

Enclosed is an amendment to your 2020 Wisconsin Clean Sweep Grant Contract. The amendment will include details regarding the amount awarded in addition to your original 2020 grant award. To accept the additional award listed, please sign and return the enclosed amendment within 7 business days from the date of this letter.

Sincerely,

 

Monica Sipes and Sally Ballweg
