TIMELINESS OF PERFORMANCE / DELAYS:

The Consultant will perform services under this Contract with reasonable diligence and expediency consistent with sound professional practices. The Client agrees that the Consultant is not responsible for damages arising directly or indirectly from any delays for causes beyond the Consultant's control. For purposes of this Contract, such causes include, but are not limited to, strikes or other labor disputes; severe weather disruptions or other natural disasters; failure of any government agency to act in a timely manner; failure of performance by the Client or the Client's contractors or consultants; or discovery of any hazardous substances or differing site conditions. If the basic services covered by this Agreement have not been completed within 12 months of the date hereof, through no fault of the Consultant, extension of the Consultant's services beyond that time shall be renegotiated.
