Terms of Service

1. Purchase Terms. Pursuant to this Statement of Work and Services Agreement (this "Agreement"), Medium Giant Company, Inc., (the "Company") shall provide and you (the "Purchaser") shall purchase certain goods and services (the "Goods and Services"). This Agreement more specifically describes the Goods and Services sought, indicates the quantity to be purchased, sets forth the delivery schedule and/or term for each of the Goods and Services purchased and sets the purchase price.

2. Disclaimer of Warranties. The Company has made no affirmation of fact or promise relating to the Goods and Services identified for purchase that has become any basis of this bargain. Further, the Company has made no affirmation of fact or promise relating to the Goods and Services being sold that created or amounted to an express warranty that the Goods and Services would conform to any such affirmation or promise. Any description of the Goods and Services in this Agreement is for the sole purpose of identifying the Goods and Services, and the description of the Goods and Services has not been made part of the basis of the bargain and has not created an express warranty that the Goods and Services would conform to any description made by the Company other than what is stated in the Statement of Work contained within this Agreement ("SOW"). It is specifically agreed that the Goods and Services sold by the Company are sold without any implied warranty, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose or noninfringement. The Goods and Services are sold on an "As Is" basis. Notwithstanding any provision of this Agreement to the contrary, Purchaser acknowledges and agrees that Purchaser (and not Company or any Company personnel) shall be solely responsible for compliance by Purchaser's website(s) with all applicable laws and regulatory requirements, including but not limited to consumer or end-user privacy or accessibility rights under the California Consumer Privacy Act, the European Union General Data Protection Regulation, the American with Disabilities Act and analogous laws and regulatory requirements of any local, state, federal or foreign jurisdiction.

3. Limitation of Liability. The Company shall have no liability with respect to its obligations under this Agreement for consequential, punitive, exemplary or incidental damages including, but not limited to damages for loss of business profits, business interruption, loss of business information or any other pecuniary loss, even if it has been advised of the possibility of such damages. The Company's aggregate liability for any cause of action asserted with respect to its provision of the Goods and Services or its obligations under this Agreement shall not exceed 2x of the 12 month contract value notified immediately preceding the date on which the facts creating such liability arise. In addition, the Company shall not be liable for any damage caused by any interruption of Internet or telecommunication service or any breach of Internet security beyond the reasonable control of the Company. The parties hereby agree that this paragraph represents a reasonable allocation of risk and that the Company would not provide the Goods and Services on the terms set forth herein but for such allocation of risk.

4. Payment. Purchaser shall pay all setup fees upon submission of this sales order. Invoices are generated on a monthly basis and sent to the billing contact on file:

The total sales order price, delinquency charges and applicable taxes for the Goods and Services (the "Full Purchase Amount") shall be payable as indicated on this Agreement. The Company reserves the right, in addition to and without limitation on any other remedies to which it may be entitled by Agreement or law. If Purchaser has not paid the Full Purchase Amount when payment is due, the Company may at its option, and in addition to any other remedies to which it may be entitled, without limitation on such remedies, terminate this Agreement in its sole discretion and retake possession of or discontinue Purchaser's access to the Goods and Services. In such an event, the Purchaser will forfeit any sums previously paid for the Goods and Services and shall be liable to the Company for all expenses associated therewith, including applicable shipping and handling charges, collection expenses and attorneys' fees. The Purchaser shall receive written notice from the Company at least three (3) calendar days before such forfeiture and retaking so that the Purchaser may pay the outstanding balance within such three (3) day period in order to prevent such forfeiture and retaking. Upon full payment by Purchaser of the full Purchase Amount, Purchaser shall receive a license to use the Goods and Services as set forth in Section 6. The Purchaser shall provide the Company with a copy of any tax exemption certificate for the "Ship To" location, if any exemption from sales or use taxes is claimed by the Purchaser. 5. Risk of Loss. Purchaser bears the risk of loss upon the earlier of receipt of the Goods and Services by the Purchaser or shipment of the Goods and Services by the Company to a third party courier for delivery to the Purchaser.

6. License. Upon full payment to Company (pursuant to Section 4) for the Goods and Services, Purchaser, for no additional or separate license cost, will receive a non-transferable, non-assessable, royalty-free, license to use the Goods and Services (subject to any term therefore as set forth herein), operating on Purchaser's platform/system for Purchaser's personnel. Purchaser shall not, at any time, reverse engineer, reproduce, create derivative works, transfer, assign, distribute, service bureau, sell, resell, or sublicense all or any portion of the Goods and/or Services or any portion thereof or allow any third party to do the same.

7. Representations, Warranties and Indemnification. The Purchaser and the Company represents and warrants that it is the owner or has the full licensing rights and all other necessary authority to use all content and materials (including, without limitation, copyrights, trademarks and other intellectual property rights) provided to the Company or the Purchaser for use as content in the Goods and Services, and that such use does not violate any copyright, trademark or other intellectual property rights of any other person or entity. The Purchaser and the Company agrees that the Company and the Purchaser may identify the Purchaser as a client in any of its

advertising or other promotional materials or activities. The Purchaser hereby agrees to indemnify and hold harmless the Company (and its officers, directors, employees and agents) from any and all losses, damages, fees, costs, fines and expenses (including without limitation, legal fees and expenses) (collectively, "Damages") that the Company may incur as a result of: (i) the Purchaser's breach of any covenant or representation or warranty contained herein, (ii) any infringement of any patent, copyright, trademark, trade secrets or other intellectual property right of any third party resulting from the Company's use of information provided by the Purchaser, or (iii) the violation of any laws or regulations, including without limitation any "anti-spam" laws or regulations, by the Purchaser in connection with its use of the Goods and Services. The Purchaser further agrees to pay such Damages as they come due to the Company. The representations, warranties and right to indemnification provided by this Paragraph shall survive the termination of this Agreement.

8. Non-solicitation of the Company's Employees. During the term of this Agreement, and for a period of 12 months after this Agreement is terminated by either party hereto, the Purchaser shall not solicit the employment of, employ, or Agreement with, any of the Company's then-current personnel with whom Purchaser had contact under this Agreement.

9. No Waiver. No failure or delay by the Company in exercising any right, power or privilege given by any provision of this Agreement shall operate as a waiver of the provision. Additionally, no single or partial exercise of any right, power or privilege shall preclude any other or further exercise of that or any other right, power or privilege.

10. Governing Law. The law of the State of Wisconsin shall govern this Agreement, without giving effect to any choice of law or conflict of law principles that would result in the application of the law of another jurisdiction. 13. Remedies. No remedy conferred by any of the specific provisions of this Agreement is intended to be exclusive of any other remedy and each and every remedy shall be cumulative and in addition to every other remedy given hereunder, now or hereafter existing at law or equity or by statute or otherwise. THE PURCHASER HEREBY AGREES THAT MONETARY DAMAGES MAY NOT BE ADEQUATE TO REMEDY BREACHES OF THIS AGREEMENT AND EXPRESSLY AGREES THAT THE COMPANY MAY OBTAIN AN INJUNCTION OR OTHER EQUITABLE REMEDY TO PROTECT ITS RIGHTS HEREUNDER.
