Sauk County may withhold from future payments the replacement cost of the said equipment or take any other necessary action.

XXVIII. INDEPENDENT CONTRACTOR

Nothing in this contract shall create a partnership or joint venture between the Agency and the Contractor. The Contractor is at all times acting as an independent contractor and is in no sense an employee, agent, or volunteer of the Agency.

XXIX. RENEGOTIATION BY EITHER PARTY

This contract or any part thereof may be renegotiated in the case of 1) increased or decreased volume of services; 2) changes required by federal or state laws or regulations or court action; or, 3) monies available affecting the substance of this contract.

XXX. CONTRACT REVISIONS AND/OR TERMINATION'S

- A. Failure to comply with any part of this contract may be considered cause for revision, suspension, or termination of this contract.
- B. Revisions of this contract must be agreed to by Agency and Contractor by an addendum signed by the authorized representatives of both parties.
- C. Contractor shall notify Agency whenever it is unable to provide the required quality or quantity of services. Upon such notification, Agency and Contractor shall determine whether such inability will require a revision or suspension or termination of this contract.
- D. Either party may terminate this contract by a thirty (30) day written notice to the other party.

Upon termination, the Agency's liability shall be limited to the costs incurred by the Contractor up to the date of termination. If the Agency terminates the contract for reasons other than non-performance by the Contractor, the Agency may compensate the Contractor for its actual allowable costs in an amount determined by mutual contract of both parties. If the Agency terminates the contract for the Contractor's breach, the Contractor may be liable for any additional costs the Agency incurs for replacement services.

XXXI. RESOLUTION OF DISPUTES

The Contractor may appeal decisions of the Agency in accordance with the terms and conditions of the contract and Sauk Co. Code ch. 33.

XXXII. CONTROLLING LAW AND REVENUE

It is expressly understood and agreed to by the parties hereto that in the event of any disagreement or controversy between the parties, Wisconsin law shall be controlling. Venue for any legal proceedings shall be in the Sauk County Circuit Court.

XXXIII. LIMITATIONS OF AGREEMENT

This contract is intended to be a contract solely between the parties hereto and for their benefit only. No part of this contract shall be construed to add to, supplement, amend, abridge, or repeal existing duties, rights, benefits, or privileges of any third party or parties, including but not limited to employees of either of the parties.

- E. Either party may terminate this contract or terminate a single resident's occupancy by a twenty-eight (28) day written notice to the other party. If the Agency terminates the contract or terminates the occupancy of a single resident for reasons other than non-performance by the Contractor, and the Agency does not give a twenty-eight (28) day written notice, the Agency may compensate the Contractor for the contracted daily rate of the residents/resident from the date the written notice is given and not to exceed twenty-eight (28) days. If anytime within the twenty-eight (28) day notice period the Agency fills the vacated occupancy with another resident, the Agency will only owe for the unoccupied days within that twenty-eight (28) day period for the previous resident. If the Agency terminates the contract or terminates a resident's occupancy for the Contractor's breach or non-performance, a twenty-eight (28) day written notice is not necessary and the Agency will only be responsible for the costs incurred up to the date the notice is given. The Contractor may also be liable for any additional costs the Agency incurs for replacement services.
- F. Both parties understand that if the cancellation of the contract by either party results in the closing of a CBRF, both parties have certain statutory obligations. Chapter 50.03 (14), Stats. governs the closing of a Community Based Residential Facility (CBRF). It states that, among other things, that upon DHS approval of the facility's plan to relocate its residents (or the imposition of such a plan by the DHS), the facility must establish a closing date not earlier than 90 days from the date of DHS approval or imposition of the relocation plan when 5 to 50 residents will be relocated. This same statute also requires a minimum 120-day period when more than 50 residents will be relocated.

In addition, s.50.03 (14) (b), Wis Stats., mandates that county agencies of the county in which the facility is located shall participate in the development and implementation of individual relocation plans. It also requires that any county department of another county shall participate in the development and implementation of individual relocation plans for those residents, in place of the county department of the county in which the facility is located, if the county

department accepts responsibility for the resident, or is delegated responsibility for the resident by the department or by a court. Therefore, county agencies clearly have a responsibility to be actively involved in resident relocation when a CBRF is closing.

- G. Contractor is aware that Agency is responsible to fiscally manage limited funds provided through County Levy or State and Federally Funded Grants.

XXXIII. RESOLUTION OF DISPUTES

Appendix A

Residential Substance Use Disorder Treatment Benefit

Sauk County will reimburse Wishope, Inc, a Residential Substance Use Disorder (SUD) Treatment Provider, (hereinafter, SUD Treatment Provider), enrolled with ForwardHealth, for approved room and board expenses only, related to residential SUD treatment services of qualified individuals. Sauk County shall also pay expenses for individuals referred to Residential SUD Treatment Provider by Sauk County pursuant to paragraph f. of this amendment.

- a. When a Consumer who has Medical Assistance, reaches out to the SUD Treatment Provider directly for services, the SUD Treatment Provider must provide Sauk County Department of Human Services (hereinafter, DHS) the completed level of care assessment for Sauk County to review. Sauk County DHS will only agree to pay for the room and board expenses related to the residential SUD treatment for that consumer if Sauk County DHS agrees with the level of care assessment completed by the SUD Treatment Provider and if the consumer has not already received residential SUD Treatment Services from the SUD Treatment Provider or from another SUD Treatment Provider in the last six months. If Sauk County has questions or concerns with the level of care assessment completed by the SUD Treatment Provider, Sauk County DHS may decide to do their own level of care assessment to determine residential SUD treatment need.
- b. Prior Authorization, hereinafter, "PA" as well as other required must be submitted to ForwardHealth by the enrolled SUD Treatment Provider (see, Exhibit A attached to this amendment titled ForwardHealth update NO. 2020-42). Failure to secure a PA from ForwardHealth or provide the required documentation, as set forth above in this paragraph, may result in ForwardHealth denying payment to the Provider. If payment is denied by ForwardHealth due to SUD Treatment Provider error, Sauk County shall not be responsible for the unreimbursed Treatment Service expenses that would have been reimbursed by ForwardHealth and will only reimburse approved room and board expenses related to the residential SUD treatment. Sauk County shall not authorize payment for Treatment Services above or beyond what ForwardHealth authorizes, except as provided for paragraph f. of this amendment.
- c. When Medicaid members enter residential SUD treatment, SUD Treatment Provider facilities shall notify Sauk County Department of Human Services Income maintenance agency so that member eligibility for programs like

- Wisconsin Medicaid and FoodShare Wisconsin can be properly determined. Failure to report this information could prevent providers from being reimbursed for services (see, Exhibit B attached to this amendment titled ForwardHealth update NO. 2021-06). If the SUD Treatment Provider fails to notify the income maintenance agency and is not reimbursed by ForwardHealth for the billed services, Sauk County shall only be responsible to reimburse the SUD Treatment Provider for the approved room and board expenses related to the residential SUD treatment.
- d. It is the responsibility of the SUD Treatment Provider to provide and bill for the services authorized by the Prior Authorization request for the date range requested. If reimbursement is denied by ForwardHealth for providing a service not authorized by the PA, the service is provided outside the dates authorized by the PA, the service is not billed according to service specific claim instructions, the member is not eligible for the service on the date the service is provided or the SUD Treatment Provider does not meet other program requirements, Sauk County DHS shall not reimburse the Treatment Provider for treatment services and shall only reimburse the SUD Treatment Provider for the approved room and board expenses related to the residential SUD treatment.
 - e. Providers may not collect payment from a Medicaid consumer for a service requiring a PA under any of the following circumstances: The SUD Treatment Provider did not submit a PA request before the service was provided, the service was provided before the PA grant date or after the PA expiration date, the SUD Treatment Provider obtained an approved PA but did not meet other program requirements or the service was provided before a decision was made on the PA request and the member did not accept responsibility for the payment of the service before the service was provided and the PA request was denied. Furthermore, Sauk County DHS shall only reimburse the SUD Treatment Provider for the approved room and board expenses related to the residential SUD treatment of the consumer in any situation listed above in this paragraph.
 - f. Any consumer who does not have Medical Assistance is required to be referred to the SUD Treatment Provider for Treatment Services by Sauk County DHS for the SUD Treatment Provider to be reimbursed for Treatment Service and room and board costs. Sauk County shall pay the agreed upon combined Treatment Services and room and board rate for these consumers.

Any consumer without Medical Assistance who voluntarily seeks and receives Treatment Service and/or incurs room and board charges with the SUD Treatment Provider shall be considered private pay and Sauk County shall have no responsibility to reimburse the Provider for those expenses.
