All-Terrain Vehicle
Grant# ATV-5916
Grant Amount: \$ 590.00

Jekka Alt, Parks Program Coordinator
Sauk County
S7995 White Mound Dr
Hillpoint, WI 53937

Dear Ms. Alt:

Congratulations! On behalf of the Governor, we are pleased to forward to you a grant agreement for financial assistance for the following project: ***Sauk County Summer ATV/UTV Trail Maintenance, 2025-26***

Please review the agreement and return a copy signed by the authorized official **within 30 days of this letter's date** to Kurt Byfield at the Community Financial Assistance, 3911 Fish Hatchery Rd, Fitchburg, WI 53711. Please read the items checked below. They apply to your project and grant award.

Grant Award Time Period: 07/01/2025 through 06/30/2026. All project activities must occur within this time period to be eligible for reimbursement.

Important Change Regarding Payment: Grant payments will be sent via ACH transfer (electronic bank transfer), as opposed to physical checks. ACH payments are an efficient, secure payment method and will reduce the amount of time it takes to receive payment from DNR. When the ACH transfer occurs, your county treasurer will receive an email from the State of Wisconsin with payment details, including a "memo" with details on the project to help them process the payment appropriately.

You are entitled to a project advance of: \$ 295.00

This advance payment is made available to you to cover costs you may incur in the initial stages of your project. The advance payment is equal to 50% of the state cost sharing assistance. Due to the timing of our fiscal year, advance payment funds will not be available until August. *If you wish to request the advance payment, check the box provided on the last page of the project agreement.*

Changes to the approved project scope may not be made without prior approval from the Department.

Please note: To simplify record keeping on chargebacks for equipment referenced in county machinery agreements, we will use rates approved by the Snowmobile and Off-Road Vehicle Councils based on Department of Transportation established rates. As soon as the equipment and labor rates for the current season are approved by the Councils they will be updated on the web at <https://dnr.wi.gov/Aid/atvTrails.html> under the **Resources** tab after September 1, 2025.

Reimbursement claim forms and/or financial administration information can be found by going to: <http://dnr.wi.gov/Aid/atvTrails.html> . Please submit reimbursement claim forms for your project to Kurt. Feel free to contact Kurt at (608)501-4274, if you have any questions about your grant award or the reimbursement procedures. We are pleased to participate with you on this project.

Sincerely,

B. Special Conditions:

The following special project terms and conditions were added to this agreement before it was signed by the parties hereto:

- a. Agrees to coordinate the opening and closing of trails for the county. Whenever possible this should be done on a county-wide basis, however if localized conditions are such that county-wide action cannot occur, the sponsor may choose to partially open and close trails. The sponsor is responsible for notifying adjoining counties, local media outlets, local ATV and snowmobile clubs, telephone hotlines, etc.
- b. If SPONSOR expends federal grant funds totaling \$750,000 or more during the fiscal year and the those funds were received from a State or Federal agency, the SPONSOR agrees to have an annual audit performed in accordance with *2 CFR Part 200 Uniform -- Administrative Requirements, Cost Principles, & Audit Requirements for Federal Awards* (also known as "Uniform Guidance") and *WI State Single Audit Guidelines* found at <http://www.doa.state.wi.us/Divisions/Budget-and-Finance/Financial-Reporting/state-controllers-office/state-single-audit-guidelines> issued by Wisconsin Department of Administration, State Controller's Office.
- c. By entering this contract, the Sponsor accepts the responsibility for providing safe, well maintained trails during the period that the trails are declared officially open for use. The Sponsor, for itself and all cooperating clubs and associations, further agrees that all signing and grooming of the trails will be performed consistent with standards specified by Wisconsin Statutes and Chapter NR 64, Wisconsin Administrative Code.
- d. Trails eligible for summer all-terrain vehicle maintenance shall be maintained for a total of not less than 2 months nor more than 8 months per year including the months of June, July, and August. Simultaneous use by motor vehicles is prohibited while the ATV Trails are open, except for emergency and maintenance vehicles.
- e. Expenditures incurred to support winter maintenance of all-terrain vehicle trails are not eligible under this grant.
- f. Fund reductions for failure to comply with the requirements of this agreement will be made on a case by case basis. A reduction, (partial or entire) in funds must be preceded by specific written documentation of poor performance and include a timetable for improvement in performance. Continued failure to improve the trail after notification to the sponsor by the Department within a prescribed timetable can result in a reduction of grant funds. The reduction will be calculated based on a percentage of poor performance in relation to the total trail system.
- g. The Sponsor agrees to provide the Department a certification that all landowners on whose property the trail crosses have given their permission for such crossing.
- h. The Sponsor agrees to secure all necessary permits and approvals required by Wisconsin Statutes or Administrative Rule prior to trail opening. Failure to obtain all necessary permits and approvals may be basis for denying payment of any or all funds indicated in this agreement.
