

ADDENDUM TO 2020 WisDOT ROUTINE MAINTENANCE AGREEMENT

The terms of the Routine Maintenance Agreement, attached hereto, is by virtue of this addendum amended as follows:

Either party may, however, with 90 day written notice unilaterally terminate this agreement, effective if given/served prior to July 1st, 2020. Should the Wisconsin Department of Transportation (DOT) be given due and sufficient notice of the termination of this agreement by Sauk County, DOT agrees to fulfill all of the contractual duties and responsibilities of Sauk County prior to termination of this agreement. All other terms and conditions of said agreement unaffected by this amendment shall remain in full force and effect.

WisDOT agrees, in the event of such termination of services by the county, to strive to replace those services as expeditiously as possible. It is mutually understood that replacing the services that have been achieved through the long standing and effective business relationship between the state and the county would likely result in service gaps or interruptions that may be unavoidable as part of such transition. The County is not, however, responsible for any such service gaps or interruptions beyond the termination date of its RMA with the WisDOT.

Any written notice of termination shall be served upon the following representatives by certified mail, return receipt requested:
