Methods of Determining Costs and Procedures for Billing
Family Court Commissioner Cooperative Agency**

Under 45 CFR 304.21(c), states have discretion with respect to the method of calculating eligible expenditures. However, any method used must account for the specific costs incurred on behalf of cases receiving IV-D services.

Depending upon the county practices, different methodologies may be appropriate to identify and document Federal Financial Participation (FFP) eligible costs for the various Cooperative Agencies. Pursuant to federal regulations, the amounts charged to the child support program by the Cooperative Agency must be reasonable and necessary to provide IV-D services. Amounts charged must also be reasonably assignable to IV-D services, and fully documented in the IV-D agency financial records.

Methodologies for Determining Costs for Staff and Non-salary Items

Actual Time Accounting

The Cooperative Agency will maintain detailed timesheets of actual time spent on IV-D activities. The detailed timesheets will include the actual dates, hours spent, activities performed, and IV-D case identifiers. The attached IV-D Activity Time Log is provided as an example and may be used to support this method.

Procedures for Billing: The detailed timesheets will be provided to the Child Support Agency (CSA) by the twentieth (20th) day of the month following the month that the activities were performed. The amount of hours reported on the detailed timesheets will be multiplied by the staff person's hourly productive rate to establish IV-D charges eligible for FFP for the following staff:

Staff:

Leo J. Grill

Sauk County Family Court Commissioner

Annual Total Hours: 416.00 hours * \$79.80 per hour = \$33,197.00

Documenting Allowable Costs for Non-Salary Items

The Cooperative Agency will claim non-salary IV-D costs to the extent that these costs are reasonable and necessary to assure quality IV-D services, and the amounts charged are reasonably assignable to the IV-D program. Cooperative Agency non-salary costs will be charged to the IV-D program based on a lump sum amount that is to be negotiated each year. The negotiated amount is based on the most recent Central Services Cost Allocation Plan for Sauk County which excludes any salaries, wages, benefits, and other operational costs that have already been claimed as direct expense.
