

Sauk County, Wisconsin
Highway Annual Report

2015 Mission: We are a department entrusted with the development and safe operation of Sauk County’s transportation systems. We strive to satisfy the diverse mobility needs of all citizens while retaining a responsible concern for public safety and the environment.

Departmental Program Summary:

CTH Routine Maintenance - General Maintenance of all County highways including patching, seal coating, brush cutting, mowing, litter cleanup and road painting.

CTH Snow & Ice Control - Maintenance activities to ensure safe winter driving conditions including plowing, sanding, salting and drift control.

CTH Road Construction - County highway rehabilitation and reconstruction projects.

CTH Bridge Construction - County bridge rehabilitation and reconstruction projects.

STH Routine Maintenance - General maintenance of all State highways.

STH Road & Bridge Construction - State highway and bridge rehabilitation and reconstruction projects.

Local Road Maintenance - Local Road maintenance and reconstruction projects as requested by local municipalities.

2015 Goals Review

2015 GOALS REVIEW
