

Sauk County, Wisconsin
Highway Annual Report

2016 Mission: We are a department entrusted with the development and safe operation of Sauk County’s transportation systems. We strive to satisfy the diverse mobility needs of all citizens while retaining a responsible concern for public safety and the environment.

Departmental Program Summary:

CTH Routine Maintenance - General Maintenance of all County highways including patching, seal coating, brush cutting, mowing, litter cleanup and road painting.

CTH Snow & Ice Control - Maintenance activities to ensure safe winter driving conditions including plowing, sanding, salting and drift control.

CTH Road Construction - County highway rehabilitation and reconstruction projects.

CTH Bridge Construction - County bridge rehabilitation and reconstruction projects.

STH Routine Maintenance - General maintenance of all State highways.

STH Road & Bridge Construction - State highway and bridge rehabilitation and reconstruction projects.

Local Road Maintenance - Local Road maintenance and reconstruction projects as requested by local municipalities.

2016 Goals Review

2016 GOALS REVIEW

OBJECTIVE	WAS THIS OBJECTIVE REACHED IN 2016?
	Yes or No (If no, please provide comment)
Maintain existing level of service of CTH Routine Maintenance.	Yes
Maintain existing level of service of CTH Snow & Ice Control.	Yes
Maintain existing level of service of CTH Road Construction.	Yes
Maintain existing level of service of CTH Bridge Construction.	Yes
Maintain existing level of service of STH Routine Maintenance.	Yes
Maintain existing level of service of STH Road & Bridge Construction.	Yes
Maintain existing level of service of Local Road Maintenance.	Yes

Changes / Accomplishments: Projects completed in 2016 include the pulverizing and repaving of 8 miles of CTH D and 4 miles of CTH W. Also completed was 12 miles of seal coating on CTH G and 1 mile on CTH GG.

CTH W included culvert replacements between CTH D and CTH DD in preparation for the upcoming road pulverizing and resurfacing in 2017.

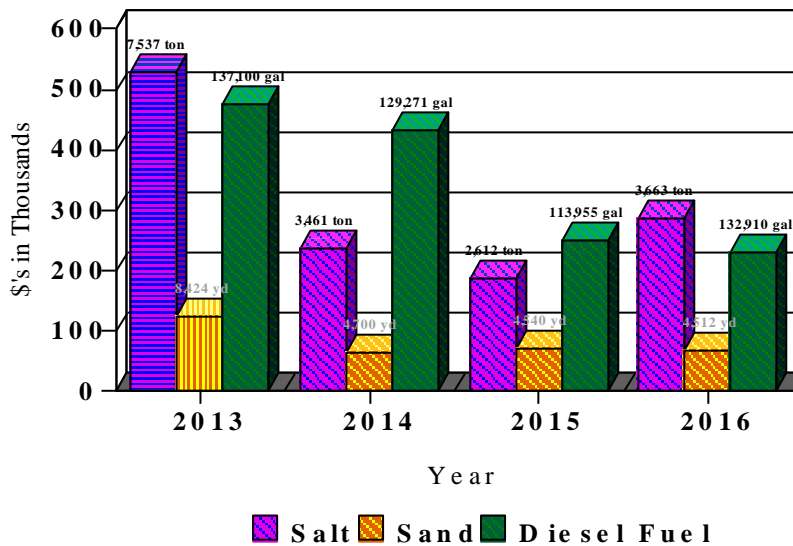

Along with several highway reconstruction projects, the Department also started on the Great State Sauk Trail project with the clearing and removal of trees and brush. This project will continue in 2017.

The Department also added a new 1,000 ton salt storage facility in Hillpoint at the Wards Corners property. A 5,000 ton salt storage facility located at the highway shop in Baraboo will be completed in 2017 which is in conjunction with the Hwy 12 bypass project. Also completed in 2016 was a new equipment storage building at the highway shop in Baraboo.

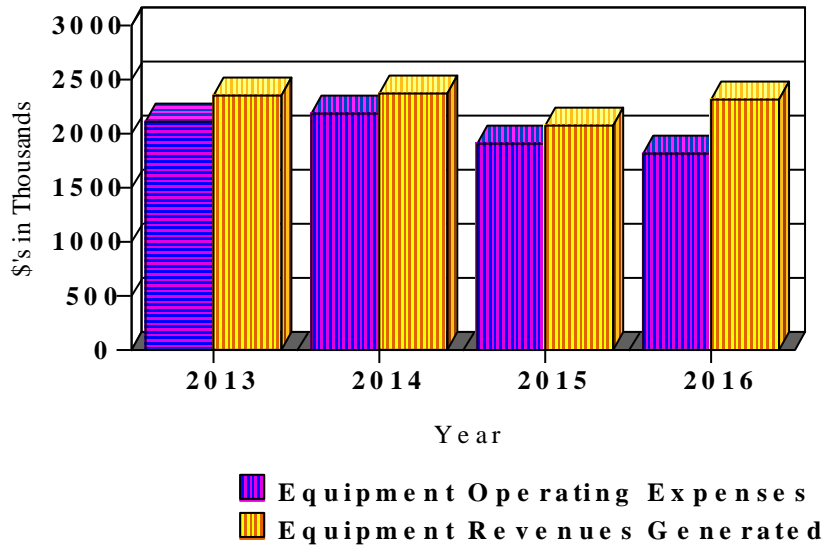

The Department also continued to work closely with other Sauk County departments by providing services to: ADRC, EMBS, Health Care Center, Parks, Sheriff, Public Health, Conservation, Planning & Zoning.
