**Re: Sauk County Courthouse Employees Association, Local No. 384, WPPA-CERD
2011 HEALTH INSURANCE PROGRAM FOR SAUK COUNTY**

Dear Ms. Posewitz:

You will recall that when SCCEA President Mary Strasser and I met with you on September 14, 2010, we talked briefly about the notice you sent to me September 8th (received at my office September 13th) announcing the unilateral change from the current Dean Health Plan to the Unity Health Plan (effective 1/1/2011), pending the approval of the Sauk County Board of Supervisors at its next regular business meeting on September 21, 2010. I also asked you for certain documents regarding the health insurance plans, including the schedule of benefits for Dean and Unity, as well as the general plan documents for both. I received a copy of a combined Dean/Unity SOB .pdf document from Neil Rainford, AFSCME Council 40 Staff Representative, after he received the same from you.

As I understand the progression of events, Resolution No. 107-2010, establishing the 2011 Health Insurance Program (i.e. change from Dean to Unity), was withdrawn or tabled at the September 21st County Board meeting, but will instead be acted on at the County Board's October 19, 2010 meeting. In the interim, the County and Unity have moved ahead with scheduling general information sessions and individual one-on-one sessions with employees in anticipation of an assumed approval by the County Board.

It should come as no surprise to you that the SCCEA Executive Board and I, like you and your staff in the Personnel Department, have been inundated with complaints and concerns about the switch in health insurance providers the County is contemplating imposing, including, but not limited to:

- A reduction and/or limitation of providers and/or facilities that our members currently have access to under the Dean Health Plan;
- Coverage – is the Unity plan, as asserted by you and the County, “as good as” the Dean plan, with respect to the schedule of benefits and “in-network” providers/facilities;

- Increased member out-of-pocket expense, due to changes in plan design/benefits and/or providers/facilities, including more time away from work and/or increased travel distance to providers/facilities.

I imagine that these complaints and concerns are universal among the members of the AFSCME and SEIU bargaining units also and among the ranks of the County's non-represented employees as well.

I have heard anecdotally that Dean Health Plan matched, or even beat, the bid submitted by Unity Health Insurance. A footnote on Resolution No. 107-2010 notes that, "*Bids were also received from Dean Health Plan with substantially the same rates as provided by Unity.*" I find it quite incredible that the County would even contemplate a change from the Dean plan if their bid was the same, or even better than, the Unity plan. Such move will cause (and already *is* causing) tremendous, and unnecessary, disruption among the approximately 1,500 lives who count on the stability of the current health insurance coverage [@ 500 County employees + @ 1,000 covered dependants]. That disruption will ultimately ripple outward from the lives covered under the plan, and will have a detrimental effect on the delivery of medical services to the all of the citizens of Sauk County – *not* just the County's employees and their dependants.

While the collective bargaining agreement between the SCCEA/WPPA and the County does allow the County to change health insurance carriers, I can tell you unequivocally that the overwhelming response of SCCEA members is to maintain the current Dean Health Plan for 2011. Just because the County can change carriers, does not mean that it should do so in a vacuum. The County has a duty and obligation to bargain over those items that affect wages, hours, and conditions of employment, and everything that the current Dean plan provides for that may be changed by switching to the Unity plan that could adversely affect our members certainly is a mandatory subject of bargaining. Resolution No. 107-2010 even states that "*WHEREAS, in accordance with the Municipal Employee Relations Act, all represented employee benefits must be negotiated.*" As such, neither the WPPA-CERD, nor the SCCEA, waives any rights to bargain with the County over proposed or pending changes in the health insurance, or to grieve (or otherwise litigate) changes unilaterally imposed by the County that are not "as good as or superior to" the current coverage or violate other provisions of the collective bargaining agreement.

To that end, I formally request the following information, pursuant to Wis. Stats. §111.70 *et seq.*:

- 1) The current 2010, and proposed ("BID") 2011 monthly premium fee schedules for both the Dean and Unity plans. **If you and the County refer me to Resolution No. 107-2010, as I understand has occurred when individual members have asked for the same information, I tell you now that such a response is non-responsive. The 2011 Unity rates are listed for HMO, HMO CO-PAY, and POINT OF ENROLLMENT options, but the 2011 Dean bid rates are not listed in the resolution.*
- 2) All plan documents for the Dean plan(s) for current plan year 2010, and for plan year 2011 (if different the current plan documents).

- 3) All plan documents for the Unity plan(s) under consideration for plan year 2011.
- 4) A list of all plan design changes the County is considering for plan year 2011, whether in conjunction with a change in carriers from Dean to Unity, or, if the County elects to stay with Dean, changes within the Dean plan.
- 5) The provider/facility network documents for both the Dean and Unity plans.
- 6) The amount of money the County spent, or will spend, for the services of M3, the County's insurance representative, for:
 - a. calendar year 2009
 - b. calendar year 2010 (actual year-to-date, and total budgeted for year)
 - c. calendar year 2011 (budgeted for year)

Lastly, I request that this letter, in its entirety, be included in the County Board Supervisors' meeting packet for the October 19, 2010 meeting of the Board.

Sincerely,

Michael S. Goetz

Re: Resignation as County Board Supervisor for District #19

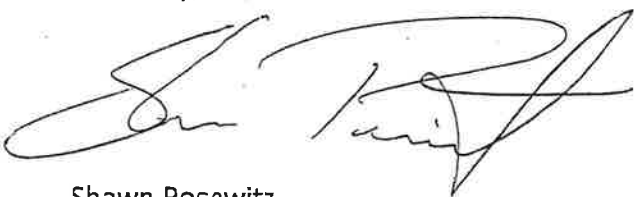

This letter shall serve as my formal resignation effective immediately as County Board Supervisor, district #19, serving on the Sauk County Board of Supervisors.

My wife and I have been entertaining the idea of moving into a more rural location, so we recently decided to put our house up for sale to see what type of interest was out there. Well, the house sold before we even had an opportunity to put a for sale sign on the front lawn. We have found a new home, which unfortunately is outside the district for which I currently serve.

The past few years of serving on the board has been interesting and challenging, but I step down with having a great pride in how I represented the citizens of Sauk County. Chairman Krueger, I thank you for having the confidence in me to serve on my assigned committees and I hope that I made a positive influence on the directions they have taken. Please convey my thanks to the entire Sauk County Board for listening to my ideas and views, and also for having the respect for sharing theirs with me.

I wish the board well in its future challenges as this county moves through difficult and unpredictable financial times. I have a great confidence in the board and the county employees that Sauk County will remain a great place to live.

Sincerely,

Shawn Posewitz

SUBJECT: Resolution 102-10

Dear Mr. Bach and County Board Supervisors,

Thank you for your resolution about federal revenues for county nursing homes.

By the start of the next biennium, state government will face a budget deficit in excess of \$3 billion. We will all face unprecedented fiscal challenges to maintain program service levels.

The proposals in your resolution are prudent and needed and I look forward to supporting action on the resolution's proposals in the upcoming legislative session.

Please continue to be in touch when an issue or concern arises for which I may be able to help.

With kindest regards,

Dale W. Schultz

Declaring the Month of November "Pancreatic Cancer Awareness Month" in Sauk County

WHEREAS, in 2010, an estimated 43,140 people will be diagnosed in the United States and 36,800 will die from the disease with approximately 720 deaths projected to occur in the State of Wisconsin in 2010; and,

WHEREAS, pancreatic cancer is one of the deadliest cancers and is the fourth leading cause of cancer death in the United States; and,

WHEREAS, when symptoms of pancreatic cancer present themselves, it is usually too late for an optimistic prognosis, and 75% of pancreatic cancer patients die within the first year of their diagnosis while 94% of pancreatic cancer patients die within the first five years; and,

WHEREAS, there is no cure for pancreatic cancer and there has been no significant improvements in survival rates in the last 40 years; and,

WHEREAS, the Federal Government invests significantly less money in pancreatic cancer research than it does in any other leading cancer killers; and pancreatic research constitutes only 2% of the National Cancer Institute's federal research funding, a figure far too low given the severity of the disease, its mortality rate and how little is known about how to arrest it; and,

WHEREAS, the Pancreatic Action Network and its affiliates in Wisconsin support those patients currently battling pancreatic cancer as well as to those who have lost their lives to the disease and are committed to nothing less than a cure; and

WHEREAS, the good health and well-being of the residents of Sauk County are enhanced as a direct result of increased awareness about pancreatic cancer and research into early detection, causes, and effective treatments;

WHEREAS, Clark Creek has undergone severe flooding five times within the last 17 years causing severe damage to roads, highways, bridges, culverts, homes and businesses; and,

WHEREAS, the change in rainfall intensity and the change in the landscape due to previous flood events have left the area very vulnerable to future flood damage, severe erosion, and excessive sediment deposition; and,

WHEREAS, through Resolution No. 93-10 the Sauk County Board of Supervisors amended the budget to accept and distribute \$1,000,000 in CDBG-EAP Supplemental flood relief monies to complete planning and remediation of Clark Creek; and,

WHEREAS, the amendment allocated \$100,000 to contract for a detailed analysis of the watershed and for an additional \$900,000 for the implementation of options recommended by the study, to reduce the damages from flooding in the watershed; and,

WHEREAS, the development of a watershed study could serve as a needed step toward reducing flood damage to buildings, roads and other improvements, protecting the safety of the residents in the area and reducing the negative impacts to the water quality of the receiving streams; and,

WHEREAS, the Land Conservation Committee has solicited proposals from engineering firms experienced in the development of flood mitigation studies and that are interested in preparing this study; and,

WHEREAS, upon review of the proposals, and the qualifications and references of the firms submitting proposals, the Land Conservation Committee has selected the proposal of _____ as being the most advantageous to the county.
