## How to Register To Vote

As of January 1, 2006, all municipalities in Wisconsin require voter registration prior to a person being allowed to vote. The Federal "Help American Vote Act of 2002" requires any person registering to vote to:

- 1) Supply his or her Wisconsin Department of Transportation issued driver's license number. If the elector has not been issued a Wisconsin driver's license, he/she must provide the last 4 digits of their Social Security Number OR their Wisconsin state ID card number. If the elector does not have a current, valid Wisconsin driver's license, Wisconsin state ID card, or Social Security Number, the applicant may indicate this by filling in the appropriate circle on the registration form.

Anyone wishing to vote in the state of Wisconsin has three options to register:

1. **BY MAIL:** Download the **Application for Voter Registration (EB131)**, complete the form and mail it into the municipal clerk's office. The application must be postmarked no later than the 20th day (3<sup>rd</sup> Wednesday) before the election.

*PLEASE NOTE:* State and federal law now requires that any first-time voter submitting a registration application by mail provide a copy of an acceptable identifying document that provides proof of residence. Town, village and city assessors are required to complete the assessment roll and deliver same to the clerk at any time during the 30 day period beginning on the second Monday of May. (Sec. 70.47)

Assessment information is used by County offices to calculate and produce tax statements for each municipality.

The clerk of each town, village and city must deliver the tax roll to the treasurer of same on or before the third Monday in December. After giving due notice, the treasurer may begin to collect taxes for that year. (Sec. 74.03)

Taxes on real estate and personal property in Wisconsin are due and payable on the last day of each January. (Sec. 74.11)

Taxes on real estate in Wisconsin are collected as soon after the third Monday of December (when the local treasurer receives the tax roll from the clerk) as such treasurer posts or publishes the required notices that the tax roll is in his/her hands, and that the taxes charged in such roll are subject to payment at his/her office. However, general taxes on real estate may be paid in two installments providing that the first installment is 50 percent of the tax on each parcel, but not less than \$100.00 on any parcel. These shall be paid not later than January 31. If the first installment is so paid, then the second installment is paid to the County Treasurer on or before the last day of July. Special assessments, special charges and other taxes that are placed on the tax roll shall be paid in full on or before January 31. (Sec. 74.11)

The first installment of real estate taxes or payment in full must be made by January 31st. All taxes upon which the first installment remains unpaid on the first day of February shall be declared delinquent and returned to the County Treasurer and collected with interest, plus penalty, at the rate of 1½ percent per month or fraction of month thereof from February 1st.

On or before the 20th of February, the town, city and village treasurer shall settle for all collections received through the last day of the preceding month. He/she shall at the same time turn the tax roll over to the County Treasurer as provided by Sec. 74.25. The local treasurer shall pay to each taxing jurisdiction within their district its proportionate share of real estate and personal property taxes collected.

On or before August 20th, the County Treasurer shall pay to the treasurers of the local municipalities and all taxing jurisdictions the balance due of its proportionate share from the current roll.

Annually on September 1st, the County Treasurer shall issue to the County a tax certificate which includes all parcels of real property included in the tax roll for which real property taxes, special charges, special taxes or special assessments remain unpaid. (Sec. 74.57)

The owner or occupant of these lands may at any time within two years from the date of said certificate, redeem the same or any part thereof by paying to the County Treasurer the amount of said tax plus interest, plus penalty, at the rate of 1½ percent per month or fraction thereof from February 1st of the year in which such tax was first due.

Payment of taxes held by issuance of tax certificate to the County or redemptions of land from previous years may be made in partial payments, (Sec. 74.49).

The County, after proper notice, will take a tax deed.

### **RULE I. BOARD ORGANIZATION AND MEETINGS.**

A. As provided by statute, the Sauk County Board of Supervisors (“Board”) shall organize on the third Tuesday of April in even numbered years and adopt rules and regulations for the ensuing term. Regular and special meetings of the Board shall be held and conducted in accordance with the provisions of Wis. Stat. § 59.11 (2009). The Board shall hold an annual meeting on the Tuesday after the second Monday of November in each year for the purpose of transacting business and the adoption of the budget. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.

B. The Chairperson of the County Board (“Chair”) and Vice-Chairperson (“Vice-Chair”) shall be elected biennially by the Board at the April meeting in even-numbered years. Such officers shall take office upon election.

C. The Board shall meet regularly in the County Board Room on the third Tuesday of each month except as provided in Rule I.A. above. Regular meetings of the full Board shall commence at 6:00 P.M. Any vote to adjourn to a different time or place for convening a regular meeting shall require approval by two-thirds of the members present.

D. The Chair shall preserve order and decorum. The Chair may speak to points of order in preference to other members, and shall recite questions of order subject to an appeal to the Board by any two members, on which appeal no member shall speak more than once, unless by leave of the Board. He or she shall vote on all roll calls, except upon appeals from his or her own decision. The Chair may participate in debate following the same rules as any other supervisor.

E. Members of the Board are expected to dress appropriately for Board and Committee meetings to include long pants or skirts. Dress shirts and blouses are encouraged.

### **RULE II. AGENDA.**

A. In order to provide advance notice to the Board, all items to be included on the agenda shall be submitted to the Office of the Administrative Coordinator by the Tuesday preceding the meeting, and any item substantially affecting matters within the jurisdiction of a standing committee of the Board shall first be reviewed by the appropriate committee prior to its presentation to the Board, except under emergency conditions so declared and approved by a majority vote of the Board; any person seeking to have an item presented for possible action on an emergency basis shall be responsible to have the Chair authorize compliance with the Open Meetings Law in a timely fashion.

B. Items may be included on the general consent portion of the agenda provided the matter was unanimously adopted by the sponsoring committee and the matter under consideration has no financial or public policy impact and is of a non-controversial nature. No ordinance shall be included in the general consent portion of the agenda. When the general consent portion of the agenda is placed before the Board for consideration, the Chair shall ask if any member of the Board objects to any item being considered by general consent. Any item placed on the general consent portion of the agenda may be placed under the new business portion of the agenda, and considered separately, upon the request of any supervisor, and without a motion and second, provided such request is made prior to a vote on the general consent portion of the agenda by the Board. If there is no objection to any item, the Chair will request a motion to approve the general consent portion of the agenda, and the regular procedures for adoption of a resolution shall apply to the general consent portion of the agenda. All the resolutions considered by general consent shall be adopted by the vote on that portion of the agenda.

C. It shall be the responsibility of the sponsoring committee or supervisor to have the matter prepared in the form to be acted on and to have a fiscal note attached. All resolutions involving the expenditure or receipt of funds shall carry a fiscal note using a form approved by the Finance Committee which details the resolution's impact upon County finances. A resolution which does not have attached a fiscal note approved and initialed by the County Controller shall not be considered by the Board until such a note is provided.

D. Any subject that comes before the Board without a committee recommendation or resolution may be referred to the appropriate committee by the Chair without motion. Resolutions brought forward by individual supervisors must be presented to all committees having jurisdiction over the proposed matter. Except under emergency conditions as provided in Rule III. A., only after at least one committee having jurisdiction over the matter has approved the resolution shall it be in order for the Board to consider the resolution.

#### **RULE IV. ORGANIZATION.**

A. In addition to presiding at meetings, the supervisor elected Chair by the Board, pursuant to Rule I.B., shall upon election, assume all the responsibilities and perform all duties required of the Chair, until the Board elects a successor

B. In case of the absence or inability of the Chair for any meeting, the Vice-Chair shall perform the duties of the Chair. In case of the absence or inability of both the Chair and Vice-Chair for any meeting, the members shall choose a temporary Chair by a majority vote of the members present. In the case of the permanent absence or inability of the Chair, the Vice-Chair shall become Chair, and a new Vice-Chair shall be elected by the Board.

C. The Chair is authorized to attend meetings and conferences on matters related to county government and may direct the attendance of the Vice-Chair or some other members of the Board, either in place of the Chair, or along with the Chair, however per diem shall not be payable unless authorized in accordance with Rule V.A. The Chair shall serve as the County's voting delegate at the Annual Convention of the Wisconsin Counties Association. The Chair shall serve on the following: Madison Area Technical College Appointment Board, Western Wisconsin Technical College District Board, and WIRED Leadership Caucus.

D. If a vacancy occurs on the Board, the Chair is authorized to appoint a qualified elector of the supervisory district wherein the vacancy occurs to fill the unexpired term. Such appointment shall be subject to approval of the Board at the next regular Board meeting following appointment by the Chair. A supervisor filling a vacancy shall automatically be assigned to the same committees as his or her predecessor in office with the exception of a member of the Executive & Legislative Committee which shall be elected by the Board.

E. Supervisors appointed to special committees, boards, and commissions (as described in Rule IX. B.) shall serve on those bodies only so long as they remain members of the Board regardless of the term of office specified by the rules governing the special committee, board, or commission. At the point in time that a supervisor is no longer a member of the Board, the position on the special committee, board, or commission shall be deemed vacant, and the Chair shall appoint a new individual, who must be a member of the Board, to fill the unexpired term on the body. A former supervisor may only fill a citizen member position on a special committee, board or commission if the former supervisor's continued service will result in no diminution of representation on the body by members of the Board.

F. The Administrative Coordinator shall attend Board meetings.

G. The Corporation Counsel shall attend Board meetings and serve as parliamentarian and legal advisor to the Board.

H. A minimum of one day of education for members of the Board shall be set by the Chair, said day of education to be held every two years. The Chair may set additional days of education for Board members.

I. A special meeting of the Board shall be held prior to April of odd-numbered years for the purpose of planning, and the Board shall adopt a two-year plan for the purpose of establishing goals and objectives for the Board through the ensuing two-year Board term. It is understood that the two-year plan is simply a planning document and has no power to bind the actions of the Board or individual supervisors.

J. Supervisors are required by law to sign or indicate their vote on any question presented to the Board, except when voting for the officers of the Board or other governing body. When written ballots are used, supervisors shall indicate their vote by placing their district number on the reverse side of the ballot. In any election by the Board, the first ballot shall be the nominating ballot, to be followed by succeeding formal ballots until a majority vote of the member's present elects. Only persons named on a nominating ballot shall be considered during a formal ballot, and any ballot cast in violation of this rule shall be considered void.

K. The standing committees shall be appointed by the Chair, in consultation with the Executive & Legislative Committee, subject to the approval of the Board. Committee appointments shall be presented for approval at the next meeting of the Board following the date of organization. The Executive & Legislative Committee shall meet at the call of the Chair as soon as practical after the organizational meeting to consult on committee appointments. After consultation, the new, tentative committees appointed by the Chair shall serve prior to approval by the Board during the period between the organizational meeting and the regular meeting in May, where consideration by the Board shall take place.

L. A chair, vice-chair and secretary for each committee shall be selected by each committee's membership.

M. If the position of chair on a committee becomes vacant, the vice-chair becomes chair and an election shall be held to fill the position of vice-chair and any other subsequent vacancies.

N. Removal of a supervisor from a committee. A supervisor may only be removed from a committee by the Chair with the approval of two-thirds vote of the Board members present.

O. Resignation by supervisor from a committee. If a supervisor wishes to resign from a committee, permission must be requested from the Board. Permission of the Board can be given through unanimous consent or a motion that is debatable and amendable. Once the request is granted, the vacancy is handled as any other vacancy.

P. Matters Pertaining to Standing Committees of the Board:

1. A supervisor shall serve as a committee member until the first Board meeting following the spring election.

2. Whenever two or more committees meet jointly, a quorum of each committee participating in the joint meeting is required. A supervisor who serves on two or more of the committees may be counted toward a quorum of more than one of the committees meeting jointly. The joint committees shall vote to select one chair of one of the participating committees to serve as chair of the joint meeting.

3. Supervisors are expected to attend the committee meetings of the committees to which they are assigned. When a supervisor cannot attend a meeting, it is the responsibility of the supervisor to request excusal from the chair of the committee.

4. A County Board member may be excluded from a closed session of a committee of the Board by a majority vote of the committee if the closed session directly concerns the county board member, a relative of the county board member, or someone maintaining a confidential relationship with the county board member. For purposes of this rule, the term "relative" includes aunt, brother, child, daughter-in-law, father-in-law, first cousin, foster child, grandparent, mother-in-law, nephew, niece, parent, sister, son-in-law, spouse or person in a marriage-like relationship, stepbrother, stepchild, stepparent, stepsister, or uncle. The term "confidential relationship" includes professional relationships, such as those between attorney and client, medical provider and patient, or religious counselor and petitioner; personal relationships, such as those in which there is a long personal friendship and mutual trust between the parties; and legal relationships, such as those where the member is an employee, official, or officer of an adverse party in a legal matter. This rule is not meant to restrict any other power that the Board may have with respect to exclusion of members or personal decisions by individuals to excuse him or herself for ethical reasons.

5. Each committee shall, at its first meeting following the organizational meeting of the Board, select those officers required by Rule IV.M. and it shall thereafter be the responsibility of said officers to ensure that accurate, written minutes are made of each meeting of the committee and submitted to the County Clerk for filing. The presiding officer at any meeting shall ensure compliance with the Open Meetings Law.

Q. Special committees, boards, special appointments and commissions shall be selected or appointed by the Chair with the approval of the Board. These committees, boards and commissions shall select their own chair. If an appointment is to be considered at a special meeting of the Board, the Chair shall provide notice by United States Mail no later than six days prior to the date of the special meeting.

R. As far as practicable and with prior chair approval, standing and special committee members may participate in committee meetings via telephonic conferencing, however those members appearing by phone for meetings that take place within Sauk County will not count toward quorum, may not vote, and shall not receive per diem compensation. At no time shall more than one committee member be participating by telephone. Upon prior approval by the Executive and Legislative Committee, committee members may count toward quorum, may vote and are eligible to receive per diem compensation for telephonic meetings where the committee meeting is convened outside of Sauk County.

#### **RULE V. COMPENSATION.**

A. Supervisors shall be authorized up to a maximum of 90 days' compensation (at a per diem rate of \$60.00 for each day of attendance when the Board is in session and meetings, and \$50.00 for other authorized service including committee meetings), plus mileage and reimbursement of authorized expenses, for committee work when attending committee meetings of which they are members, or as chair of a committee (or their designee) when attending a committee meeting of which they are not a member for the purpose of providing testimony on an issue. The maximum limits established for committee work shall be in addition to the per diems and mileage supervisors are entitled to receive for attendance at meetings of the Board.

B. As provided by Wis. Stat. § 59.13(2) (2009), no supervisor shall be allowed pay for committee service while the Board is in session, but the Board may authorize payment of per diem, mileage and reimbursement for other expenses for attendance at any school, institute or meeting which the Board directs them to attend. Each standing committee is specifically authorized to send up to two (2) members to up to two (2) conventions (including conferences and other trainings) per year. The convention cannot exceed three (3) days or be farther than three hundred (300) miles. All other requests require approval by a majority of the Board. Wis. Stat. § 59.13(2) (2009).

C. Any increase in the number of days of committee work for which supervisors may be paid compensation and mileage in any year shall require approval by two-thirds vote of the members of the Board present, prior to payment. In addition to the above, the Chair shall receive compensation for performance of the duties of that office. The Chair is authorized to act as a member of all committees in an *ex officio* capacity, and per diem shall be paid under this rule for attendance at all committee meetings attended by the Chair.

D. The supervisor elected Chair shall be entitled to receive the compensation provided for the part-time position of Chair consisting of a salary of \$400.00 per month in addition to any other per diem and mileage entitlement available to other supervisors in accordance with Rule V.A., as provided by Sauk Co. The Board may vote to dispense with the reading of a particular resolve or ordained clause if said clause is particularly voluminous and the resolution or ordinance has been included in written form within the agenda and provided to supervisors in advance. Legal descriptions need not be read, provided the resolution or ordinance has been provided within the agenda and provided to supervisors in advance.

B. In presenting business or debate, members shall address the Chair, be recognized, and when in order, proceed without any interruption. Any person, not a Board member, may address the Board for a period of time not to exceed three minutes during the public comment period indicated on the agenda. No member may speak twice on any question until every member choosing to speak has spoken; nor shall any member, or other person, speak more than three minutes upon being recognized on a question.

D. All members present in the assembly hall when the question is put shall be required to vote unless the Chair, for appropriate reasons, shall excuse any member. All motions to excuse a member from voting shall be made before the Board divides, or before a call of ayes or nays is commenced, and the question shall then be taken without further debate. A member of the Board who has a conflict of interest pursuant to Wis. Stat. § 19.59 (2009) or Sauk Co. Code Ch. 36, Code of Ethics, shall, prior to the commencement of discussion or consideration of the matter, declare same and request to be excused by the Chair from the Board Room during discussion, consideration and voting on said matter. The Chair shall be excused by the Vice-Chair, for appropriate reasons.

F. In every instance, a motion to adjourn, to lay on the table, for previous question and for limited debate shall be decided without discussion.

Robert's Rules of Order Newly Revised, 2000 (10th) Edition, shall govern the proceedings of the Board in all cases to which they are applicable and in which they are not inconsistent with these Rules or the laws of the State of Wisconsin.

H. All votes on resolutions or ordinances shall be recorded roll call votes. If the electronic voting system is not operational, the Board may, by a two-thirds vote, approve voice voting on any resolution which does not otherwise require a roll call or supermajority vote by law.

I. Any budget alterations shall require authorization by two-thirds of the membership of the Board, except that the Finance Committee may authorize transfers of funds between budgeted items of an individual office, department or activity which have been separately appropriated by the Board in its budget, in accordance with Wis. Stat. § 65.90(5) (2009).

J. When a motion has been made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for reconsideration thereof on the same or succeeding day, but in no case at a subsequent meeting of the Board. Such motion shall take precedence over all other questions except a motion to adjourn.
