On behalf of Safe Harbor Homeless Shelter and the women we serve, I would like to give our heartfelt thanks for your very generous donation of \$500.00. For twelve years Safe Harbor has been providing assistance to homeless women and children by providing a safe home to live in while we help them become confident, empowered and successful members in the community.

It is always a struggle to get funds to keep our program going, considering that we get no state or federal funds. We rely solely on private donations and small grants and fundraising like our Father Daughter Dance in February and this year we will have a Mother/Son Dance in October.

We very much appreciate your choosing Safe Harbor to receive the donation.

Sincerely,

Darcy Swisch, President

Mr. Hambrecht:

I am writing to you today to let you know what a wonderful agency Sauk County has that totally supports the Veterans of Sauk County. I felt it was necessary to send this email to you to let you know how professional and helpful the Sauk Co CVSO has been for me and my family. Every time I either have a question or a issue and contact them they are very professional and helpful with what I need. I have been affiliated with that office as a veteran since I got out in 1993.

Recently (December 2017) I lost my job. I turned to the CVSO to see what could be offered to me for assistance. I met with Tony Tyczynski. Tony was very helpful with attempting to assist me with services. Although I made too much for any funding (County wise) he was very knowledgeable and helpful with convincing me to go back to the va to have my service connected disability looked at. The reason why I say that is because when I got out in 1993 from the Navy I had such a bad experience with the VA (not at the county level but the VA Hospital) that I decided I would not go there unless it was something service connected. Tony advised that the VA was not like that anymore and to give them another chance. Tony also put me in the hands of Louie Birkholz who is the assistant cvso for that office. While I worked with Louie his knowledge, professionalism and determination to assist me with my claim for the comp and pen was nothing short of top notch. Whenever I had a question or issue about the process Louie was always there for me to assist me. I can't say thank you enough to that office for everything that they have done for me and also continue to do for the Veterans of Sauk County. They are a valuable asset and it is my hope that they can continue to provide the services necessary to support the vets of Sauk County.

Sincerely
Brian Cummings

RESOLUTION NO. 79 - 2019

ADOPTING AN INTERIM SAUK COUNTY OUTSIDE AGENCY
FUNDING PROGRAM

Background: In recent years, the Sauk County Board has been funding outside agency requests through the annual budget process. This is a process that not all outside agencies know may be available to fund programs that are beneficial to providing essential services to the residents of Sauk County.

The Sauk County Board has a fiduciary responsibility to the taxpayers of Sauk County. The existing process does not include a process for verifying that such funds are were spent for the originally requested purpose and meets the County's mission, vision, and budget policies.. The proposed resolution sets forth a procedure for adoption during the 2020 budget cycle. This proposal is not intended to be a permanent financial policy at this time. The intent of this interim program is to test a method of funding outside agency requests in a manner that is more consistent with traditional grant processes generally recognized by multiple local, county, state, and federal agencies. This plan would give the County Board an opportunity to attempt a more formal grant process and to learn from this experience to see if this is a viable process for Sauk County to continue.

The Finance Committee reviewed the recommendations made by Supervisors McCumber and Lohr, made certain changes, and recommends the attached process. This process includes setting a fixed amount of the average of the last three years for distribution during the budget process and removing outside agency budget appropriations from departmental budgets and placing them in a non-departmental account.

Fiscal Impact: ☐ None ☒ Budgeted Expenditure ☐ Not Budgeted

NOW, THEREFORE, BE IT RESOLVED, by the Sauk County Board of Supervisors met in regular session, that the attached "Interim Sauk County Outside Agency Funding" program be adopted for the fiscal 2020 year along with the attached application. An evaluation of this program will be provided to the Sauk County Board by the Administrative Coordinator for consideration no earlier than the April 21, 2021 organizational meeting but prior to the beginning of the 2021 budget process.

For consideration by the Sauk County Board of Supervisors on September 17, 2019.

INTERIM SAUK COUNTY OUTSIDE AGENCY FUNDING PROGRAM

PURPOSE

The purpose of this interim program is to set forth parameters and establish guidelines for the funding of outside agencies.

PROGRAM STATEMENT

Sauk County is committed to providing financial assistance to those nonprofit agencies which assist the Sauk County government in carrying out its mission "to provide essential services to the residents of Sauk County in a fiscally responsible manner that promotes safety, economic development, and stewardship of natural resources while encouraging the development of cultural, social, and community values that enhance human dignity".

NONPROFIT AGENCY ELIGIBILITY FOR COUNTY FUNDS

It shall be the policy of this program to consider providing assistance to nonprofit agencies meeting the criteria detailed below:

1. Eligibility Requirements: All nonprofits shall verify their nonprofit status by submitting an IRS tax exempt letter confirming 501(c)(3) status, **or similarly IRS recognized exempt organization (excluding political entities)**, an IRS 990 reporting form and a current corporate registration credential with the Wisconsin Department of Financial Institutions. Additionally, nonprofit organizations must not have their registration suspended or have overdue federal, state, or county taxes.
2. Accountability Nonprofit agencies shall adhere to accountability standards set by the Administrative Coordinator and as required by law. Compliance with these standards is a criterion for funding. These standards include but are not limited to:
 - a. Complying with all financial requirements including the submission of financial statements or audits as specified by the contract
 - b. Complying with program performance measurement requirements including submission of Performance Reports.
 - c. Complying with all other terms of the contract including meeting all deadlines.
3. Funding Eligibility:
 - a. Nonprofit agencies may not use a funding agent or other third party arrangement to meet program requirements for eligibility.
 - c. Only one application per agency will be considered each year.
 - d. Outside agencies are for programmatic expenses (items recognized under Generally Accepted Accounting Practices –GAAP –as operating costs).

APPLICATION AND FUNDING PROCEDURE

1. The Finance Committee will make nonprofit outside agency funding allocation recommendations in the Proposed Annual Budget to the Board of Supervisors capping the amount available to a three-year average of previous outside agency appropriations, regardless of funding source, as a total sum to allocate for the 2020 budget
2. The Board of Supervisors will approve final funding allocations for outside agency funding when the Annual Operating Budget is adopted.
3. A public notice of availability of funding and information for applying will be advertised by the Finance Committee no later than June 1st prior to the funding year with an

application deadline of June 30. A copy of the application will be available on Sauk County's website.

4. A completed outside agency funding application is required, along with all required documentation by the advertised deadline. Completed applications received after the published deadline will be deemed ineligible for that year.
5. The finance committee, a review committee, or administrative coordinator as best determined by the finance committee, shall review the applications and make recommendations for each outside agency request for full county board approval.
6. Applicants may be notified of the final funding amount as early as January 1, 2020, but no later than February 28, 2020.
7. A revised scope of work and budget reflecting the final award amount may be necessary for agencies who do not receive their full outside agency funding request.
8. An agency awarded outside agency program funds must accept the funds by completion of a contractual agreement which must be signed by the nonprofit agency and the Administrative Coordinator.
9. The contractual agreement and other contract requirements must be signed by the agency and received by the Administrative Coordinator no later than January 30 of the fiscal year funds are awarded. Failure to comply with this date will result in funding awards being withdrawn.
10. The consideration, award and funding of any outside agency shall be carried out in a manner consistent with the Code of Ethics for Sauk County.
11. Any monies not spent by outside agency during the 24-month period beginning with the appropriated budget year, shall be returned to Sauk County and placed in the general fund for consideration by the finance committee for outside agency funding appropriation in the next fiscal year.

OUTSIDE AGENCY REPORTING AND MONITORING

1. Each funded agency will submit a semi-annual financial report and a semi-annual progress report. These reports describe progress towards program outcomes and require a financial report detailing expenditures signed by the agency's Executive Director.
2. Agencies are required to maintain detailed back-up documentation of expenditures, available for review by county staff upon request. Failure to comply with these reporting requirements may jeopardize county funding.

Outside Agency Requests Summary

1. Dollars for outside agency requests are allocated as a part of the Sauk County budget for the year 2021. **Not intended to include any organization with a contractual obligation (i.e. WI River Rail Transit Commission).**
2. The county advertises the outside agency program is available with a proposed deadline of June 30, 2020.
3. Applications received are reviewed, rated, and scored with a recommendation to the Finance Committee to approve, deny, or to amend.
4. The final committee recommendations are forwarded to the County Board for full county board to approve, deny, or to amend.
5. The administrative coordinator works with the outside agency recipients to disseminate the money and track reporting back to the county.

AUTHORIZING FIVE-YEAR FIBER AND TOWER SPACE LEASE AGREEMENT
WITH BUG TUSSEL WIRELESS, LLC

Background: Sauk County owns and maintains a tower and fiber optic network throughout the county. The county leases tower space and dark fiber on the county-owned network to provide revenue to offset the original build and update to the network costs. Bug Tussel Wireless LLC is currently a lessee of Sauk County, and is seeking a five-year contract. The five-year contract is broken out into three separate contracts. Contract one (1) will be for leasing two (2) strands of fiber throughout the county's fiber network. Contract two (2) will be for leasing tower and ground space at one specified elevation that is assignable to AT&T for the First Net public safety network. Contract three (3) will be for leasing tower and ground space at one specified elevation to be used for the Bug Tussel Wireless and Broadband networks. A new contract is being drafted with input from Sauk County Corporation Counsel's Office, the Buildings Services Facilities Director, and Sauk County Communications Technician. The finalized contracts will take effect on October 1st, 2019, so long as both parties agree and will run for a length of five years for the initial term. RESOLUTION NO. 89 - 2019

SUPPORTING BIPARTISAN BACKGROUND CHECKS ACT OF 2019

Background: Act H.R.8. has been approved by the House of Representatives of the United States and will be considered by the Senate. This Act would require background checks for every firearm sale. The purpose of this Act is to utilize the current background checks process in the United States to ensure individuals prohibited from gun possession are not able to obtain firearms. This Act passed the House of Representatives on February 27, 2019. While current federal law requires licensed gun dealers to conduct background checks on prospective buyers, this Act would also require background checks before a private sale or transfer between unlicensed individuals, such as some sales at a gun show or online. A number of states already have similar policies in place. The prohibition does not apply to certain firearm transfers, such as a gift between spouses in good faith.

Fiscal Impact: ☒ None ☐ Budgeted Expenditure ☐ Not Budgeted

NOW, THEREFORE, BE IT RESOLVED, that the Sauk County Board of Supervisors, met in regular session, hereby supports federal legislation to require background checks for all gun sales and directs the Sauk County Clerk to send a copy of this resolution to members of the Wisconsin State Assembly and Senate who represent Sauk County.

RESOLUTION NO. 90 - 2019

**AUTHORIZING COUNTY BOARD CHAIR TO EXECUTE LETTER OF
APPROVAL FOR SAUK COUNTY HOUSING AUTHORITY
APPLICATION TO THE DEPARTMENT OF HOUSING AND URBAN
DEVELOPMENT (HUD) FOR CONVERSION OF SAUK COUNTY
PUBLIC HOUSING UNITS TO SECTION 8 PLATFORM
UNDER THE RENTAL ASSISTANCE DEMONSTRATION (RAD)
PROGRAM**

Background: The Sauk County Housing Authority is prepared to file an application with the Department of Housing and Urban development (HUD) to convert Sauk County public housing units to a Section 8 platform under the Rental Assistance Demonstration (RAD) program. The application process requires a housing authority applicant to provide a letter from the head of the local government unit stating support for the application. The Sauk County Housing Authority is requesting county board authorization to the county board chair for that letter of support.

The HUD website provides the following summary information about the RAD program:

RAD was created in order to give public housing authorities (PHAs) a powerful tool to preserve and improve public housing properties and address the \$26 billion dollar nationwide backlog of deferred maintenance. RAD also gives owners of three HUD "legacy" program (Rent Supplement, Rental Assistance Payment, and Section 8 Moderate Rehabilitation) the opportunity to enter into long-term contracts that facilitate the financing of improvements.

Five Things You Should Know About Public Housing Conversions

1. RAD allows public housing agencies to leverage public and private debt and equity in order to reinvest in the public housing stock. This is critical given the backlog of public housing capital needs - estimated at over \$35 billion.
2. In RAD, units move to a Section 8 platform with a long-term contract that, by law, must be renewed in perpetuity. A Use Agreement is also recorded under RAD further enforcing HUD's long-term interest. This ensures that the units remain permanently affordable to low-income households.
3. Residents benefit from a right of return, a prohibition against re-screening, and robust notification and relocation rights. Residents continue to pay 30% of their adjusted income towards the rent, maintain the same basic rights as they possess in the public housing program, and gain a new option to request tenant-based assistance if they wish to subsequently move from the property.
4. RAD maintains the ongoing public stewardship of the converted property through clear rules requiring ongoing ownership or control by a public or non-profit entity.
5. RAD is highly cost-effective, relying on shifting existing levels of public housing funds to the Section 8 accounts as properties convert.

Fiscal Impact: ☒ None ☐ Budgeted Expenditure ☐ Not Budgeted

NOW, THEREFORE, BE IT RESOLVED, by the Sauk County Board of Supervisors, met in regular session, that the County Board Chair is hereby authorized to prepare and submit a letter of support for the Sauk County Housing Authority application for conversion of Sauk County public housing units to Section 8 platform under the Rental Assistance Demonstration (RAD) program.

RESOLUTION NO. 91 - 2019

**AUTHORIZING THE HO-CHUNK FLAG TO BE DISPLAYED IN THE SAUK
COUNTY BOARD ROOM CHAMBERS**

Background:

In early 2018, Sauk County applied to the Local Government Institute's Future Regions initiative. The five Chambers of Commerce (Wisconsin Dells-Lake Delton, Baraboo, Reedsburg, Sauk-Prairie, and Spring Green) also endorsed and jointly support this effort. Once accepted into this, One Sauk, Naturally was created. The intent of this initiative is to promote collaboration, cooperation, preservation, and utilization of those assets to create and distinguish Sauk County as a unique place to live, work and recreate. One Sauk, Naturally was sponsored by Sauk County and the Ho-Chunk Nation. With the involvement of both organizations, a partnership was formed spurring collaboration and understanding between them.

Per resolution 132-2018, the Sauk County Board of Supervisors recognizes the second Monday in October as Indigenous Peoples' Day in Sauk County. This resolution and Sauk County's One Sauk, Naturally initiative are designed to bring Sauk County and the Ho-Chunk Nation closer in partnership.

As the descendants of the original inhabitants of this land, Indigenous People, particularly members of the Ho-Chunk Nation, remain on their ancestral homelands and have a special place among the varied cultures and beliefs of the residents of Sauk County. From Indigenous Peoples' Day 2019 forward, Sauk County will display the Ho-Chunk Nation's flag in the Sauk County Board Room Chambers as a symbol of coming together and supporting each other.

RESOLUTION NO. 92 - 2019

**RESOLUTION ASKING GOVERNOR EVERS AND THE WISCONSIN STATE
LEGISLATURE TO APPLY FOR A WAIVER FROM FEDERAL RULES EXCLUDING
INSTITUTIONAL STAYS FROM MEDICAID COVERAGE**

Background: Federal rules exclude patients age 22-64 years of age from Medicaid coverage in an Institute for Mental Disease (IMD), resulting in high costs to Wisconsin counties for individuals with mental illness who require short-term placement. The IMD rule works against the provision of necessary health care treatment, and path to recovery, for young and middle-aged adults with brain disorders.

The Centers for Medicare and Medicaid Services (CMS) has issued an invitation to states to apply for a waiver of this exclusion, allowing states to receive federal reimbursement for the cost of treatment in an IMD. The Sauk County Board of Supervisors recommends urging the Governor and the Legislature to submit an application for a waiver from CMS of the Medicaid IMD exclusion.

Requests for Ho-Chunk Funding
Finance Committee
September 9, 2019 for 2020 Budget

2020 is the 11th year that Sauk County has been eligible for \$90,259 pursuant to an intergovernmental agreement with the Ho-Chunk Nation. Twelve counties have this agreement, which provides \$1,000 for every acre the Nation holds in Trust. This agreement specifies that the "County may use the money for any purpose as determined by the County in its sole discretion, except that the County cannot use any of the funds paid to it to diminish the Nation's governmental jurisdiction or have an adverse financial impact on the Nation." Further, the funds "need not be used for a purpose that benefits the Nation."

Programs previously funded will not be automatically included, nor excluded. The following criteria were used:

1. The funds shall NOT be used to replace existing tax levy dollars since this is a potentially non-recurring revenue.
2. The use should be somehow related to the Ho-Chunk Nation. Essentially, internal service departments are excluded.
3. NO new programs shall be created.
4. NO new staff shall be hired.

Land Resources & Environment \$15,000	<p>Sauk County is beginning its Comprehensive Planning process. The existing plan "Positioning Sauk County for the Future" adopted on December 15, 2009 served the County well. However, in order to accommodate changes and realize new approaches, policies, and objectives; updates are necessary. In addition, Wisconsin State Law requires the County to update its Comprehensive Plan every 10 years. With the current plan's adoption in 2009, the County is nearing the deadline and must work towards updating the plan.</p> <p>In order to undertake this planning effort, a work group is meeting to create a timeline, planning process, civic engagement plan, and cost estimates for the comprehensive planning process. Once finalized, a review by the Land Resources and Environment Committee and final approval by the County Board is necessary. The intent is for the process to span a couple of years with potential adoption in 2021/2022. A key part of the process is marketing and branding for the upcoming planning efforts and the opportunities for participation to the citizens of the County. The marketing of these efforts will play a pivotal role in the success of the process. Not only do these activities gain excitement and momentum for the upcoming process; they also convey a clear message, foster inclusiveness and open dialogue, and appeal a sense of community to identified stakeholders and citizens of the County. These efforts are engaged to ensure that a broader segment of the community is involved throughout the process.</p> <p>The draft civic engagement plan aims to establish and capture community values, objectives, and expectations as well as hopes to bring to the table unrepresented or underrepresented individuals who may have been excluded from past planning processes. Marketing efforts must be creative, if we are going to reach underrepresented groups such as minority populations, non-English speaking groups, families with children, seniors and those living with disabilities.</p> <p>Staff is looking to acquire assistance from a marketing professional to assist with these efforts and gain guidance on options that may appeal to the broader community. The estimated cost for services whether professional or technical is around \$15,000.</p> <p>Ho-Chunk Nation: The draft civic engagement plan identifies key stakeholders to the process, which includes the Ho-Chunk Nation. Sauk County and the Nation continue to collaborate to ensure the sustainability and resiliency of Sauk County and its resources. The Nation's inclusion in the planning process is vital to the plan's success. Conversations between the Nation and Sauk County staff will assist in identifying the strategies or opportunities necessary to engage with their membership.</p> <p>Goal Accomplished: The goal accomplished is a successful marketing effort that brings a broad and diverse population to the table to contribute and collaborate in the planning process. Built into the civic engagement process are performance measurements and evaluation techniques at various stages to verify that implemented strategies are reaching the community and are resulting in the desired outcomes.</p> <p>The need for the funding: The funding will assist the work group in marketing the comprehensive planning process to a broad segment of the population keeping in mind the need for participation from underrepresented groups.</p>

RE: Town of Merrimac Zoning Amendment

At a regularly scheduled meeting of the Town Board of the Town of Merrimac held on August 14, 2019, and after a public hearing held on the same date, approved the following Town of Merrimac Planning & Zoning Ordinance amendments (Ordinance 2019-34):

Commercial Crossroads District

8.04: The following uses may be permitted subject to a conditional use permit:

5. Wedding Barns. Any building historically used for farming, located on a farm or formerly used as for farm operation, may not be converted over to a land use primarily used for wedding receptions and/or similar social events. Such venues shall only be located in the Commercial Crossroads District. Farm operators are exempt from this requirement if they are hosting less than three (3) events per year.

The ordinance also reenumerates the following sections of the ordinance:

Section 2.30 entitled Park Fees as adopted December 1, 2004 is renumbered Section 2.4.
Section 2.30 entitled Vacation Rental Establishments as adopted on March 5, 2014 (and later amended on February 12, 2017 and May 1, 2019) remains the Section 2.30.

Section 2.31 entitled Camping as adopted December 1, 2004 is renumbered Section 2.5.

These proposed amendments were recommended for approval by the Planning & Zoning Commission, with input from Mike Slavney, the town's planner from Vandewalle & Associates. The Zoning Commission also met regarding these amendments on June 19, 2019 following a public hearing also held on the same date.

The legislature passed a state statute that allows venues, such as wedding barns, to be established without the requirement of obtaining an alcohol license. This ordinance assures that any such venues are not located in residential neighborhoods. It also assures that farm operators can continue host private events without having to establish themselves in a commercial district.

RESOLUTION NO. _____ - 2019

AUTHORIZING PURCHASE AND INSTALLATION OF A SNOWMOBILE BRIDGE

Background: Sauk County annually participates in maintaining, acquiring, insuring or developing lands for public motorized trail use and these public motorized trails are eligible for snowmobile grant funds. The Wisconsin Department of Natural Resources (WDNR) administers a grant program that is 100% funded for the acquisition, development, insurance and maintenance of public snowmobile trails. Funding for the program comes from snowmobile registration fees, a portion of tax on gasoline and user fees.

In April of 2018, the Sauk County Parks Department applied for funding for a new snowmobile bridge to replace an existing bridge located over Honey Creek in the Town of Prairie du Sac, Wisconsin. In August of 2018, the WDNR awarded Sauk County a reimbursement grant in the amount of \$106,500.00 for the bridge replacement. A permanent and perpetual easement agreement has been obtained with the landowner.

The Sauk County Land Resources and Environment Department held a public bid opening on September 10, 2019 and received 1 competitive sealed bid with two options. The most responsible, responsive bidder is Custom Manufacturing Inc. of Clinton, Wisconsin. SUBCHAPTER II

EMPLOYEE GRIEVANCE PROCEDURE

13.014 Grievances. The personnel committee is directed to establish a grievance procedure pursuant to Sauk Co. Code § 13.004 that complies with Wis. Stat. § 66.0509. This procedure may be amended from time to time by the personnel committee utilizing the procedures contained in Sauk Co. Code § 13.004.

SUBCHAPTER III

CLASSIFICATION PLAN

13.015 Classification plan responsibilities. The purpose of the Sauk County Classification Plan is to provide a system of standardized job titles, standardized job descriptions, and equitable position evaluation for the effective administration of essential personnel activities. Sauk County will utilize the classification plan for the following management functions: strategic planning, budget planning, measurement of job performance, establishment of fair and equitable pay standards, employee selection and recruitment, employee training and development, and career development. The Sauk County Personnel Department is responsible for the overall development and administration of the classification plan, in coordination and cooperation with the personnel committee, department heads, and other appropriate resources.

13.016 Market adjustments. If substantial evidence exists of high turnover rates, failed

searches, difficult to recruit for positions, or non-competitiveness with the labor market, it may be necessary to modify compensation with a market adjustment. Market adjustment requests shall be supported by sound market analysis and proposed by a department. Documentation for market adjustments shall include any specific triggering event(s). Salary increases shall be determined by the level of individual responsibilities, performance and market conditions. The Personnel Committee may approve a market adjustment request provided there is evidence to support the adjustment in compensation through market analysis. Departments and personnel department staff will coordinate an appropriate market analysis to determine if a market adjustment is warranted and the appropriate pay band or step range of any salary increase. Market adjustments are not intended to ameliorate inflation or cost of living increases and shall not be proposed more than once per calendar year. Approved market adjustments shall be allocated the next pay period following approval by the personnel committee, or incorporated for inclusion into the departmental budget for the following cycle.

13.017 Employee classifications. (1) FAIR LABOR STANDARDS ACT (FLSA). Classification of employees for compensation purposes. All positions in Sauk County have been classified according to the provisions contained in the FLSA. The human resources director or designee, is responsible for determining a position's classification. (a) Exempt employees are classified as executive, professional, or administrative and are paid on a salaried basis. These employees are exempt from receiving overtime under the FLSA. The county may make exceptions as required to meet the staffing demands or particular intra-departmental needs within the organization. The distinction that these employees are paid by salary versus hourly wages creates performance expectations often requiring extra hours of work for no additional compensation. An exempt employee that works at least four hours on a regularly scheduled workday shall not be required to use accrued leave.

An employee on a reduced schedule family or medical leave is subject to leave bank deductions for the difference in hours between what they

would have worked as part of their normally scheduled workday and the amount of the reduced schedule leave.

(b) Nonexempt employees are classified as hourly employees and are entitled to receive overtime compensation for all hours worked beyond the established work period.

(2) REPRESENTATION. Employees are further classified within Sauk County as represented or non-represented. Represented employees are represented by a bargaining group and have a representative established by that bargaining group.

(3) TYPES OF EMPLOYEES. Employees may be classified as regular or temporary. (a) Regular employees are those working on an ongoing as opposed to a temporary basis. Regular full-time employees work equivalent to the department's normal, full-time work period on a regular basis. Regular part-time employees work fewer hours than the department's regular full-time workweek on a regular basis.

(b) Temporary employees are engaged to work full-time or part-time with the understanding that their employment will be terminated not later than the completion of a specific assignment. Employees subsequently hired as regular employees shall not receive time-in-service credit for work performed as a temporary employee.

1. Contracted and leased services are temporary employment situations where employees are obtained through an agency for a specific purpose, need, or project, and will normally be used to meet an emergency staffing situation. The individuals working in this employment classification are not considered county employees and receive no benefits or representation privileges of county employees. Department heads may have the ability to extend an offer of employment at the end of the contract period.

2. Limited term employees are employed on a temporary basis for less than 600 hours, and no more than 1200 hours and less than 6 months due to unforeseen circumstances or needs of a department. Upon request from a department head, the human resources director may authorize LTEs for a period not to exceed 3 months, as may be required by vacations, sickness, special projects, leaves of absence, or emergencies, provided appropriated funds are available for this purpose

and provided the position is a duly authorized and created position. Any LTE request over 3 months in duration not duly authorized and created, shall require the approval of the personnel committee. Funding for LTE positions must be available in the requesting department's budget.

3. Intern employees are individuals working for Sauk County in the capacity of a training position. A department may employ intern employees provided that the department head consults with the human resources director prior to entering into any agreements for an intern employee. The wage for the intern may be established by mutual agreement between the department, sponsoring agency and the intern, with the approval of the human resources director. Departments shall budget for interns where the county provides compensation.

13.018 Administration of the classification plan. (1) Each position shall be allocated to its appropriate classification within the Sauk County Classification and Compensation Plan, on the basis of duties and responsibilities, by the county board.

(2) Each position allocated by the Sauk County Board of Supervisors shall have on file in the personnel department a completed position questionnaire, an approved position description complete with the appropriate FLSA, representation, employment status, and compensation classification.

13.019 Establishing positions. (1) No regular position may be created except by resolution of the county board. The county board shall allocate to each department the number of full-time and part-time positions. Under the authority of the county board, the personnel committee may approve temporary positions.

(2) The county board, upon recommendation of the personnel committee, may create new classifications or divide, combine, or abolish existing classifications.

(3) Requests considered during the budget process for new positions shall be submitted to the personnel department on or before the date designated by the finance committee at the beginning of the annual budget process. All position requests shall be accompanied by the appropriate forms designated by the personnel

department. Other documentation may be necessary as required herein.

(a) Upon review by the human resources director, finance director, and administrative coordinator, the new position request shall be forwarded to the appropriate oversight committee for review and approval.

(b) Upon approval by the oversight committee, the personnel and finance committees will meet jointly to consider the request.

1. The personnel and finance committee shall convene jointly for the purpose of reviewing and approving new position and reclassification requests submitted as part of the annual budget process.

2. All new position requests shall include the appropriate paperwork including the completed request forms, position questionnaire, position description, fiscal note approved by the finance director's office, and a resolution for submission to the county board.

3. The department head, in coordination with the personnel department, shall complete a position questionnaire which shall be reviewed by the human resources director, or designee.

4. In the event the position review committee determines that a need for the position exists and that funding is available, the resolution shall be forwarded to the county board. The county board shall consider the recommendation.

(4) Under extraordinary and unanticipated circumstances, a department seeking additional positions not previously allocated to that department shall present in writing the need and reasons for the position to the oversight committee, which shall forward their recommendation to the personnel committee, which shall investigate the need.

(a) A department head shall make a request for a new position and creation outside of the budget process to the human resources director. The request shall include all of the information as required in 13.019(3)(b)2. Other information may be required in the approval process as deemed necessary.

(b) Upon review by the human resources director, finance director, and administrative coordinator, the oversight committee shall consider the merits of the request, and if approved, shall forward the request to the personnel committee for consideration.

(c) The personnel committee shall consider the request from the oversight committee, review the need for the position, and determine the validity of the extraordinary and unanticipated circumstances that exist that necessitate the creation of this position outside of the budget process. After consideration of the information presented, the personnel committee shall approve or disapprove the request.

If the personnel committee determines either that the request does not meet the "extraordinary and unanticipated circumstances" criterion, or that the need for the position is not sufficient to justify an out-of-budget allocation, the committee, in its sole and final discretion, may deny the request.

(d) Upon approval of the personnel committee, the finance committee shall determine the availability and source of funds required for the position and may recommend allocation from the unencumbered balance of the contingency fund an amount equal to the total cost of the position or make other necessary budget adjustments in accordance with Wis. Stat. § 65.90(5)(b).

Positions which the finance committee determines cannot be funded with available resources shall be referred back to the personnel committee for further study.

(e) If approved by all three committees, the resolution shall be brought before the county board for consideration.

1. The extraordinary and unanticipated need for the position shall be expressly documented within the resolution to be presented for approval to the county board. The resolution shall state that an exception to the budget process has been recommended and a draft position description shall be attached reflecting the rate of pay, cost of benefits, and the effective date.

2. The resolution shall require a simple majority vote of the county board to be adopted, unless statutory requirements mandate a larger majority of the board.

(5) Any position created within the budget cycle shall be effective no earlier than January 1st of the following year. A position created as an exception to the budget cycle shall be effective on the date of passage of the resolution creating and authorizing the position, unless otherwise provided.

(6) Nothing contained in this ordinance shall be construed to require the personnel committee or any department to fill all positions allocated by the county board.

13.020 Amendments and maintenance of the classification plan. The primary purpose of classification review and reclassification is to establish the appropriate compensation of a particular position or employee. It is the intent of Sauk County to balance accurate classification of employees with responsible budgeting of the tax dollars levied by the county. For that reason, the classification review and reclassification process will be conducted as part of the annual budget process. A request for reclassification of an existing position or classification of a new position shall be initiated in accordance with the budget timelines established by the finance committee. In situations where one or more of the following circumstances exist, the procedures set forth in sub. (5) shall be observed:

(1) One or more new positions are under consideration for possible establishment.

(2) Significant change of duties or responsibilities of any existing position that may require the reallocation of the position to a different classification. Reclassification consideration for existing positions requires that the employee and the department head to document that there have been substantial changes in existing duties since the most recent review of the position. Changes in duties may result from one of the following:

(a) Substantial, immediate reassignment of duties due to reorganization. Changes resulting from a substantial, immediate reassignment of duties due to reorganization shall be clearly documented in writing and verified by the department head and the human resources director.

(b) Logical and gradual change of responsibilities over an extended period of time. Changes resulting from a logical and gradual change of responsibilities must have been in effect since at least January 1 preceding the reclassification request so that it is clear that the changes that exist shall remain as part of the essential duties of position.

(c) Reclassification consideration shall not be given for temporary changes in job duties.

(3) A new classification is created to which any position more may appropriately be allocated.

(4) A position is vacant for more than one year.

(5) Reclassification procedures are as follows:

(a) Department heads shall report the significant facts relating to changes in the classification plan to the oversight committee. The employee and the department head shall complete a revised position description questionnaire which shall include a statement identifying those duties that have changed and shall be reviewed by the administrative coordinator, finance director, and human resources director. The human resources director shall review and analyze the questionnaire. Upon completion of the review, the position questionnaire and any recommendation regarding the position shall be forwarded to the personnel and committees for further consideration.

(b) The personnel committee may conduct an inquiry into the classification of any position upon its own initiative and shall conduct an inquiry upon request of a department head, the human resources director, or written request of any employee, not more than once per year and normally in conjunction with the annual performance appraisal. A position shall not be re-evaluated more than once in any 12 month period without authorization of the administrative coordinator.

(c) No change in the compensation plan may be requested until the classification plan change has been approved and forwarded to the personnel committee for review and disposition. The personnel department shall notify the accounting department of any changes in compensation.

(d) Successful requests for the reclassification of an existing position, or classification of a new position shall be placed in the department's budget request and shall be effective on the first day of the next fiscal year. This action shall change an employee's date in position. Retroactive adjustment shall be by recommendation of the human resources director to the personnel committee and shall be at the discretion of the personnel committee.

SUBCHAPTER IV

COMPENSATION PLAN

13.021 Compensation plan responsibilities. Sauk County shall maintain a current compensation plan for all non-represented employees. The objective of the county is to provide an appropriate salary structure in order to facilitate the recruitment and the retention of competent employees, and to provide appropriate pay incentives for heightened employee productivity.

(1) The personnel committee or its designee shall be responsible for the development and administration of the compensation plan, through periodic reviews and comparative studies of pertinent factors affecting the levels of pay. The personnel committee shall recommend necessary amendments to the county board, when necessary, which shall become effective in accordance with the action of the county board.

(2) The compensation plan is directly linked to, and shall be based on, the principle of comparable pay for comparable work. Pay bands within the compensation plan may be determined with regard to such factors as uniformity of pay for each classification, relative difficulty, complexity, and responsibility of work, education, recruiting experience, prevailing rates of pay for similar jobs in public and private sector service, changes in cost of living indices, and financial policies of the county.

(3) Employees shall have the opportunity to move through the steps of their pay band by virtue of successful performance appraisals. Employees found eligible for step increases shall receive the increase on the next payroll following the submission of the performance appraisal and shall be effective in the pay period of the employee's anniversary date in the position.

(4) An employee promoted or reclassified to a position in a higher pay band shall be placed at the step in the employee's new pay band that provides an increase, up to one additional step within the respective pay band.

(5) The compensation plan consists of multiple pay bands. Each pay band has multiple steps. Steps 1 through 3 shall be considered the market rate. Each year, the personnel committee

shall review market conditions, labor settlements and other relevant compensation information. Based upon review and discussion, the personnel committee shall recommend to the county board any adjustments that should be made to the compensation plan.

(6) Each position shall be analyzed by the human resources director and the agent or designee evaluating position requests and changes to determine job value. Jobs of similar values shall be grouped in categories called pay bands. Pay bands will be established by the county board for each position band in accordance with applicable criteria. The personnel committee will review the salary bands annually and recommend to the county board any changes in the salary bands that appear necessary after consideration of the appropriate criteria. Under certain circumstances, the personnel committee may make recommendations in the hours of work, accrual, and use of vacation and holiday time, and other fringe benefits and nonwage items, applicable to employees in such departments to the county board.

13.022 Step progression. Employees covered under a bargaining contract shall move through the negotiated wage schedule pursuant to contract provisions. Employees shall move through the appropriate wage schedule as follows: at an interval equivalent to 12 month's full-time employment following the employee's date of hire, reclassification, promotion, demotion, or transfer, an employee may be eligible to advance to the next higher step within the employee's pay band, providing the employee meets the established criteria. All employees must be evaluated by their immediate supervisor at least once per year on or about the anniversary date of the employee's current job. Criteria upon which employees are evaluated include, but are not limited to, accuracy, quality of work, dependability, adaptability, job knowledge, judgement, initiative, interpersonal skills, attitude and attendance. Evaluations become a permanent record in an employee's personnel file and are considered for wage increases, promotions, transfers, disciplinary action and workforce reductions. An employee who receives an average evaluation, a less than satisfactory evaluation, or is deficient in a major area of job performance will not be eligible for a

wage increase. The personnel department staff shall perform the administrative review of all performance appraisals. In cases where the appraisal is incomplete, or has discrepancies that may be fixed at the appraiser level, the appraisal may be returned to the appraiser for corrections. In cases where the appraisal does not meet the standards adopted by the county board, the deficiencies shall be brought to the attention of the department head and the administrative coordinator. Such deficiencies include, but are not limited to, comments that do not support the evaluation marks, employee performance in the personnel file that does not support the performance appraisal comments, or other documented matters. An appraisal for a department head shall require the signature and approval of the administrative coordinator.

(1) Advancement from Steps 1 through Step 5 shall be predicated on the employee achieving an overall performance appraisal of "Meets Expectations" in at least 7 of the key performance factors listed on the performance appraisal form. Advancement requires the approval of the department head and the administrative review of the human resources director, or designee.

(2) Advancement to Steps 6 and above shall be predicated on the employee achieving an overall performance appraisal of "Exceeds Expectations" in at least 5 of the key job factors listed on the performance appraisal form and no less than "Meets Expectations" on all other key factors listed on the form. Advancement requires the approval and signatures of the department head.

(3) An employee that receives three or more "Below Expectations" in any of the categories shall not be eligible for a step increase.

13.023 Out-of-class pay and leadworker assignments. (a) *Out of class pay assignments.* Occasionally, there may be a need to place an employee in a position of higher responsibility and pay for a temporary period of time, not less than two weeks in duration. Where other provisions are not already in place, the practice for compensating these individuals will be to place them at the minimum of the position they are temporarily filling. When such placement results in a reduction or no increase in compensation, the human

resources director shall recommend the step within the Sauk County Classification and Compensation Plan that provides some gain in compensation. Such compensation shall be referred to as out-of-class pay. A request for out-of-class pay may be requested by an employee but requires the approval of the department head or oversight committee. The request should be presented to the human resources director who shall have authority to authorize temporary out-of-class pay for a period up to 6 months in duration. Out-of-class pay for periods longer than 6 months shall require personnel committee approval. Should there be a disagreement between the requester and the human resources director; the matter shall be decided by the personnel committee.

(b) *Leadworker assignments.* Leadworkers are assigned to regularly and consistently perform duties beyond their normal job description and may serve as a resource to staff based on their expertise. Employees selected by the department head to serve as a leadworker shall receive an additional \$1.00 per hour above current rate of pay. Leadworker assignments are at the discretion of the department head and separate from out of class pay. Leadworker assignments shall not exceed one year in duration without a classification review of the position by the department.

13.024 Hours of work and overtime. (1) Regular hours of work for county employees shall be determined by the department head and oversight committee in accordance with prevailing departmental practices.

(2) It is the policy of the county to avoid overtime work for all employees, if at all possible. Regular nonexempt employees shall work overtime when directed to do so by the department head or supervisor. Working unauthorized overtime may result in discipline, up to and including termination.

Nonexempt employees required to work in excess of their regularly defined work period as defined in 13.024(4) shall be compensated at 1.5 times the employee's regular rate of pay exclusive of benefit time (sick, vacation, holiday). In lieu of overtime pay, employees may accrue compensatory time at 1.5 times the hours worked.

(3) Exempt employees, which includes all salaried personnel classified as exempt, are

expected to work the time required to complete the job for which they are hired and shall neither receive overtime pay nor compensatory time. The personnel committee shall have the authority to make exceptions for exempt employees to receive additional compensation.

(4) Any change in an established work period as identified below will require approval of the personnel committee. (a) General county employees include all employees, except human services employees, regardless of classification, assigned to all departments located in the courthouse and west square building complex, parks and highway, and shall have a one-week work period of either 38.75 hours or 40 hours, beginning on Sunday morning at 00:01 a.m. and ending on Saturday night at 12:00 midnight.

(b) Human services employees, including non-represented employees, shall have a one week work period of 38.75 hours beginning on Friday morning at 00:01 a.m. and ending on Thursday at 12:00 midnight.

(c) Health care center employees, including non-represented employees, shall have a 2-week work period of 80 hours, beginning on Monday morning at 00:01 a.m. and ending on Sunday night at 12:00 midnight.

(d) Sheriff's department employees, including non-represented employees, shall have a 2-week work period, either 80 hours or 85 hours, beginning on Saturday morning at 00:01 a.m. and ending on Friday night at 12:00 midnight.

(5) Nonexempt employees and exempt employees granted the overtime exception may be entitled to shift differential where authorized in accordance with Section 13.004 and approved by the county board.

13.025 Compensatory time. (1) Exempt employees are not generally eligible for overtime or compensatory time. Those exempt employees given an exception to receive overtime pay may also be compensated for overtime work in the form of straight time compensatory time off.

(2) Nonexempt employees, employees asked to work overtime may mutually agree with their supervisors to accrue 1.5 compensatory time off in lieu of overtime pay. Where the employee and the supervisor do not mutually agree to compensatory time off in lieu of overtime pay, or when the overtime request results in the employee

exceeding their compensatory time accrual maximum, the employee shall be paid at the rate of 1.5 the regular rate of pay.

(3) Those employees eligible to accrue compensatory time are authorized to accrue up to a maximum of 40 hours. Exceptions to the 40 hour maximum accrual may be made for those departments with exceptionally heavy seasonal workloads.

Employee's granted an exception to the 40 hour maximum accrual shall utilize all earned comp time above the 40 hour cap within 6 months from when it was earned.

(4) Use of compensatory time shall be scheduled at the discretion of the department head. Employees and managers shall make every effort to ensure that employees utilize all compensatory time accruals prior to terminating. In cases where this is not possible, hourly employees shall be paid out for their accruals at current rate of pay at time of termination.

(5) All unused compensatory time shall be paid out annually by the last paycheck in December.

13.026 Annual salary review. The personnel committee shall conduct an annual wage and salary review and make specific recommendations for changes in pay rates, fringe benefits, and other conditions of employment to the county board. Any across-the-board adjustments to the compensation plan shall be provided to all employees, including those serving an introductory period, regardless of their performance level. To the extent feasible, the personnel committee's annual salary increase for non-represented employees shall be at least the average increase for the settled contracts. All increase approvals shall, to the extent feasible, be on a timely basis in conjunction with the annual budget cycle.

SUBCHAPTER V

HIRING AND TERMINATION

13.027 Hiring wage rate and vacation benefit. New employees may normally be hired at Step 1 of the pay band established for their position as provided in the classification and compensation

plan and at the starting accrual for any vacation benefit.

The following procedures shall be utilized when considering wage offers. Department heads may authorize a starting salary of up to Step 3 of the classification and compensation plan. The human resources director or the administrative coordinator may authorize a starting salary up to Step 7. The personnel committee shall approve any salary for newly hired employees above Step 7. For non-represented employees, the human resources director or the administrative coordinator may authorize accelerated placement within the applicable vacation schedule as a recruitment incentive on the basis of credit for directly related employment experience with a public sector or non-profit employer. Such credit shall be granted only at the time of hire.

13.028 Filling position vacancies. When a vacancy exists or is anticipated in an existing position or classification, the department head in conjunction with the human resources director, shall review the position and determine whether to fill the position. This process is called a Vacant Position Audit (VPA). Upon a decision to do so, and provided funding exists for the position, the human resources director shall fill the position. In the case of those positions which the department head and the human resources director believe are no longer required, or upon disagreement over the disposition of the position, the matter will be brought to the personnel committee. Vacancies shall be filled as follows:

(1) Advertisements, forms or other sources of public notice may be used at the discretion of the human resources director, or designee. Public announcements of vacancies may include at least the following information:

If the selection committee so desires, it may screen the applications after the deadline for accepting applications has passed, using experience and qualifications criteria. In screening applications, the screeners may reduce the number of applicants interviewed to a number not less than 5 provided 5 or more qualified individuals have applied.

(6) Applicants will be notified at least 5 working days prior to the date of the scheduled interview when possible. Applicants not selected

for interview shall, if possible, be notified on the same date as those who are selected for interview.

(7) The selection committee shall conduct oral evaluation interviews and shall certify up to the top 3 applicants, provided 3 qualified individuals have applied to fill possible vacancies in the ensuing year. Where a certified eligibility list exists, the department head shall fill the vacancy from the list.

The application forms, ratings, and certified eligibility list shall be utilized for future vacancies in the same classification for a period not to exceed 12 months. If less than 3 qualified applicants remain available to fill a vacancy in the same classification during the 12-month period, the department head may request that the formal selection process be reinitiated.

At the request of the department head, the selection committee may certify more than 3 provided that all certified applicants meet the minimum qualifications. The human resources director, or designee, shall verify that all of the certified applicants meet the minimum qualifications.

(8) No applicant shall be considered for a vacancy where appointment to such vacancy would result in members of an immediate family being employed in a direct supervisor-employee relationship.

(9) No person shall serve as a member of the selection committee for a vacancy in which an applicant is a member of the applicant's immediate family. Any selection committee member named as a reference shall be disqualified from voting on the vacancy for that applicant. In the event an interviewer is uncomfortable with evaluating an applicant, the interviewer should identify the concern to the other interviewers and a decision should be made collectively whether the interviewer should or should not participate. This should be reported after the interview to the personnel representative.

(10) The personnel department will verify eligibility of interviewers when coordinating interviews.

13.029 Qualifications of employees. The county will make every effort to hire the most qualified individual for any vacant position. If fully qualified persons cannot be recruited, the personnel committee may authorize the appointment of persons having less than the minimum qualifications.

13.030 Introductory period. Newly hired, promoted, demoted, or transferred employees shall serve an introductory period of a minimum of 6 months duration, with the exception of sheriff's department employees, who shall serve an introductory period of at least one year to determine that the employee is suited and qualified for the position. Introductory periods mentioned above are based upon the hourly equivalent of full-time service. Upon successful completion of the introductory period, benefit accruals shall be made available to newly hired employees. Movement within the pay bands shall be considered annually and will be based on department head review of the employee's performance. No adjustment shall be approved which would result in an employee's placement above the maximum for the pay band.

(1) Employees shall receive a written performance appraisal upon completion of one-half the introductory period and again prior to completion of the introductory period.

(2) During the introductory period, the employee may be discharged by written notification from the department head in consultation with the human resources director. Such discharge shall be without recourse to the grievance procedure. Department head terminations are within the discretion of the administrative coordinator.

(3) An employee's introductory period may be extended for a maximum of 3 months on a one-time basis by recommendation of the department head to the human resources director.

(1) The promoted employee shall move to the appropriate pay band and step that provides an increase in wage or salary as a result of a promotion. When considering an internal promotion, the department head has the authority to recommend up to 3 steps from placement with approval from the human resources director or administrative coordinator. A promoted employee shall serve an introductory period appropriate to the department in which they are employed. If during this period the employee's performance does not meet acceptable standards of performance in fulfilling the higher responsibilities of the position to which promoted, the county may restore the individual to a position commensurate with the employee's former status for which they are qualified. If unable to do so, the employee shall be terminated.

Individuals desiring transfer from one position to another shall inform the department heads of their interest in the position by submitting a formal written request to receive consideration when a vacancy exists.

(1) A transferred employee shall serve an introductory period appropriate to the department in which they are employed. If during this period the employee's performance does not meet acceptable standards of performance in fulfilling

the responsibilities of the position to which transferred, the county may restore the individual to a position commensurate with the employee's former status for which they are qualified. If unable to do so, the employee shall be terminated.

(2) Whenever a transfer is considered by a department head to fill a vacant position, the transfer shall take place prior to a recruitment process being initiated. If a recruitment process has been initiated, any county employee applicants must apply and be considered on the same basis as the public applicants.

13.033 Demotions. A demotion is an assignment of an employee from one job classification to another job classification with a lower maximum wage or salary. A demotion can be either disciplinary or non-disciplinary. A department head shall document reasons and provide rationale for both a disciplinary and non-disciplinary demotion. An employee receiving a non-disciplinary demotion shall receive the highest wage or salary allowed that is equal to, or closest to the step of the pay band of the employee's wage or salary prior to the demotion. The Personnel Committee shall review the department head reasons and rationale for each non-disciplinary demotion for sufficiency and approve or deny the demotion thereon.

13.034 Termination of employment. (1) An employee voluntarily terminating employment shall give at least 2 weeks written notice to the department head stating the last day of employment. Department heads and other professional positions shall provide 30 days' notice. Such notice shall be exclusive of any accrued benefit or vacation time due. Employees who terminate their employment by providing proper notice or employees who are laid off shall receive all accrued vacation, payable on the regular payday, on or following the last day of employment.

(2) An employee whose employment is terminated by death shall be paid out 100 percent of all accrued benefits, including sick leave, executive leave, vacation, compensatory time, and holiday pay.

(i) The personnel department shall conduct training as needed for all individuals conducting performance appraisals.

13.036 Unsatisfactory performance. Employees who receive 2 consecutive unsatisfactory performance evaluations may be subject to termination of employment. Employees receiving appraisals which do not achieve an overall performance appraisal of "meets expectations" as outlined in step progression of s. 13.022 of the Personnel Ordinance, shall be given a corrective action plan, to be reviewed quarterly and intended to provide guidance to the employee on how to improve their performance.

SUBCHAPTER VII

Regular part-time employees shall accrue vacation on a prorated basis based upon actual hours compensated during the accrual period as compared to full-time employment.

Unused executive leave expires on the employee's next anniversary date.

13.040 Holidays. (1) In order to be eligible for holiday pay, an employee must be in a paid status. Actual hours paid is the criteria used for determining prorations. Part-time employees shall receive prorated holiday pay.

(2) Employees and those exempt employees granted overtime pay exception required to work on a holiday shall receive 1.5 times their regular rate of pay for all hours actually worked and shall receive straight time compensatory time off for all hours actually worked on the holiday, in lieu of regular holiday pay. Christmas Day
New Year's Eve

Leaves of absence are not intended to add to the vacation and sick leave benefits offered by the county.

(1) Employees must have completed their initial introductory period to be eligible for leaves of absence, with the exception of military leave, jury duty, and bereavement leave. Department heads may approve absences of less than 3 days during the introductory period; this time off shall be without pay and absences totaling 3 or more days will require an adjustment to the introductory period. In some instances, individual circumstances may dictate an exception for introductory employees. Such leaves are at the sole discretion of Sauk County. Absences of 3 or more days shall be brought to the attention of the human resources director, who shall provide a recommended course of action to the department head. Eligible employees shall make written application for leaves of absence to the department head at least 10 days prior to the desired starting date of leave, except in cases of illness, injury, or bereavement.

(2) Employees requiring a leave of absence for medical reasons shall simultaneously use any sick leave accrual with any family medical leave entitlement, consistent with state and federal laws and the county's family medical leave policy. (5) A personal leave of absence may be authorized for any reason not otherwise addressed by the county or may be utilized as an extension in conjunction with a specified leave of absence approved by the county. The employee must submit a written request for consideration by the department head specifying the reason for the request. The department head is authorized to approve a personal leave of absence for up to 30 days without pay, after the employee uses any paid entitlement for time off, such as vacation, compensatory time, executive, and sick leave if applicable. A leave of absence for personal reasons may not exceed 6 months in any one year. Upon expiration of the leave of absence, the employee shall be reinstated to the position in which the employee was employed at the time the leave was granted or a position of comparable classification providing there is a vacancy of comparable classification.

(6) Benefit continuation is the responsibility of the employee. Employees in paid status must continue to pay the employee portions for benefit continuation.

(7) Employees accrue benefits as if worked while on a paid leave.

stepchild, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandparent of spouse, or grandchild. This leave is separate from any benefit accruals and if additional leave time is required beyond that specified in this section, the additional leave time may be taken and deducted from the employee's vacation, compensatory time, or executive leave.

(2) Payment for bereavement leave shall only be for days lost from the regular schedule of the employee.

(3) The employee may be required to furnish proof satisfactory to the county of the death and relationship to the deceased.

13.043 Pallbearer leave. Any employee who performs the duties of a pallbearer or a member of a burial honor guard shall receive one day off without loss of pay. This provision shall be limited to one day per year, per employee.

13.044 Sick leave. (1) Regular, full-time employees shall earn one day of sick leave per month up to a maximum accumulation of 120 days. Part-time employees shall earn sick leave on a prorated basis. The sick leave earned by newly hired employees will become available for use to these employees upon accrual.

(2) Sick leave use shall begin on the first day of absence. Notice must be given to the county as soon as possible to the employee's normal starting time. Failure to notify the county may result in the loss of sick leave. The county reserves the right to require that any employee on sick leave be examined by a physician of the county's own choosing. The county shall pay the cost of such examination.

(3) All sick leave shall be subject to administration by the department head. Abuse of sick leave may subject the employee to discipline.

(4) Employees may be allowed to use up to 3 consecutive days of sick leave for the care of an immediate family member who is ill and in need of care. A department head may require a physician's statement for verification. Use of more than 3 consecutive days of accumulated sick leave for immediate family illness must be approved by the department head, or in their absence, the administrative coordinator. Use of more than 3 consecutive days of accumulated sick leave for

immediate family illness should be reported to the personnel department in accordance with the provisions of the Family Medical Leave Act. Sick leave may also be utilized to attend medical and dental appointments.

(5) Persons who have unused sick leave and leave the county employ by any of the reasons listed below may convert 60 percent of accrued sick leave payable as provided in s. 13.044(6) below.

(a) Retirement at eligibility age or after if the employee qualifies for monthly annuity payments under the Wisconsin Retirement System.

(b) Retirement at age 50 if the employee is employed in a protective position as classified by the Wisconsin Retirement System and the employee qualifies for monthly annuity payments under the Wisconsin Retirement System.

(c) Disability due to illness, the degree of disability being the same as for Federal Social Security.

(6) Persons who leave the county's employ by retirement as provided in s. 13.044(5) above, and having unused sick leave, may elect to receive the cash equivalent of the sick leave conversion privilege or apply it to continued health insurance coverage through the county group plan provided in this ordinance. This continued benefit, whether taken as health insurance or cash, is taxable in the year of retirement and will be reported to the IRS.

(7) Any accrual of over 120 days of sick leave shall go into a catastrophic sick leave account, accrued at the rate of one-half of the hours accrued in excess of 120 days. Catastrophic sick leave is accrued in the event a severe illness necessitates the utilization of the employee's entire sick leave balance. When a sick leave account is completely exhausted, the employee may begin utilizing the sick leave accrued in their catastrophic sick leave account. In no event shall catastrophic sick leave be paid out.

(8) Unused sick leave credit in the case of death may be used by the spouse or dependent children for purchase of county health insurance coverage only at the conversion rate of 100%.

Background: The Sauk County judicial system has three branches of Circuit Court and a Family Court Commissioner. The audio and video systems were last upgraded in the early 2000's are coming to end of life. The audio and video systems are requiring a lot more attention by the maintenance and information technology staff. Input was gathered in preparation of the request for proposal from the judges and court commissioner on how the system should function and assist them with their jobs. A request for proposal was prepared and released to upgrade/overhaul the three circuit court branches and family court commissioner's audio and video systems. One proposal was received for the audio/video upgrade. The Facilities Director met with the proposer to see what equipment would be installed, and how system would function and assist the courts in accomplishing their duties more effectively and efficiently. The new system will move the audio and video connections out of the courtroom and allow the judges to control all audio volumes, specific microphones, and video from a touch screen panel on the bench. The current microphones, speakers and wiring will also be upgraded with new equipment. \$60,000 was originally budgeted in 2018 for this upgrade and carried forward to 2019.
