Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the County shall direct.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit B and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the County are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the County a direct annual irrepealable tax in the years 2017 through 2026 for the payments due in the years 2017 through 2027. The amount of tax levied in the year 2017 shall be the total amount of debt service due on the Bonds in the years 2017 and 2018; provided that the amount of such tax carried onto the tax rolls shall be abated by any amounts appropriated pursuant to subsection (D) below which are applied to payment of principal of or interest on the Bonds in the year 2017.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the County shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the County and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the County for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the County then available, which sums shall be replaced upon the collection of the taxes herein levied.

(D) Appropriation. The County hereby appropriates from amounts levied to pay debt service on the Refunded Obligations or other funds of the County on hand a sum sufficient to be irrevocably deposited in the segregated Debt Service Fund Account created below and used to pay the principal of and interest on the Bonds coming due on October 1, 2017.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the County, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the County may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Refunding Bonds-2017" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. The County Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the County at the time of delivery of and payment for the Bonds; (ii) any premium not used for the Refunding which may be received by the County above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the County, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the County, unless the County Board of Supervisors directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium not used for the Refunding and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all

other funds of the County and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Bonds. In no event shall monies in the Borrowed Money Fund be used to fund operating expenses of the general fund of the County or of any special revenue fund of the County that is supported by property taxes. Proceeds of the Bonds shall be transferred to the Escrow Account in order to provide for payment of the Refunded Obligations, as provided in Section 19 hereof. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Bonds have been issued has been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the County, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The County represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The County further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The County further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The County Clerk or other officer of the County charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the County certifying that the County can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The County also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the County will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Bonds are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the County by the manual or facsimile signatures of the Chairperson and County Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the County of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the County has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The County hereby authorizes the officers and agents of the County to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 12. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Associated Trust Company, National Association, Green Bay, Wisconsin, which is hereby appointed as the County's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the County and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit C and incorporated herein by this reference.

Section 13. Persons Treated as Owners; Transfer of Bonds. The County shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and County Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The County shall cooperate in any such transfer, and the Chairperson and County Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 14. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the County at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the County agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the County and on file in the County Clerk's office.

Section 16. Conditions on Issuance and Sale of the Bonds. The issuance of the Bonds and the sale of the Bonds to the Purchaser are subject to satisfaction of the following conditions:

- (a) approval by the Authorized Officers of the principal amount, definitive maturities, redemption provisions, interest rates and purchase price for the Bonds, which approval shall be evidenced by execution by the Authorized Officers of the Approving Certificate; and
- (b) realization by the County of the Savings in an amount equal to at least 2.00% of the principal amount refunded.

The Bonds shall not be issued, sold or delivered until these conditions are satisfied. Upon satisfaction of these conditions, the Authorized Officers are authorized to execute a Proposal with the Purchaser providing for the sale of the Bonds to the Purchaser.

Section 17. Official Statement. The County Board of Supervisors hereby directs the Authorized Officers to approve the Preliminary Official Statement with respect to the Bonds and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officers or other officers of the County in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate County official shall certify the Preliminary Official Statement and any addenda or Final Official Statement. The County Clerk shall cause copies of the Preliminary Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 18. Undertaking to Provide Continuing Disclosure. The County hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the County to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Chairperson and County Clerk, or other officer of the County charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the County's Undertaking.

Section 19. Escrow Agent; Escrow Agreement; Escrow Account. Associated Trust Company, National Association, Green Bay, Wisconsin, is hereby appointed escrow agent for the County for the purpose of ensuring the payment of the principal of and interest on the Refunded Obligations (the "Escrow Agent").

The Chairperson and County Clerk are hereby authorized and directed to execute an escrow agreement substantially in the form attached hereto as Exhibit D (the "Escrow Agreement") (such form may be modified by said officers prior to execution, the execution of such agreement by said officers to constitute full approval of the County Board of Supervisors of any such modifications), with the Escrow Agent, for the purpose of effectuating the provisions of this Resolution.

The Bond Proceeds allocable to refunding the Refunded Obligations shall be deposited in a refunding escrow account which is hereby created with the Escrow Agent, pursuant to the Escrow Agreement, for the purpose of retaining the required amount of cash, if any, and acquiring the United States obligations provided for in the Escrow Agreement.

Upon transfer of the Bond Proceeds and any other necessary funds allocable to refunding the Refunded Obligations to the Escrow Account, the taxes heretofore levied to pay debt service on the Refunded Obligations shall be abated to the extent such transfer together with investment earnings thereon is sufficient to pay the principal of and interest on the Refunded Obligations, but such abatement shall not affect the County's pledge of its full faith, credit and resources to make such payments. The refunding escrow account created by the Escrow Agreement shall hereinafter serve as the debt service (or sinking) fund account for the Refunded Obligations. The Escrow Agent shall serve as custodian of said debt service (or sinking) funds.

Section 20. Escrow Securities. The Escrow Agent and the Purchaser are authorized to submit subscriptions for United States Treasury Securities - State and Local Government Series and/or to purchase other U.S. government securities on behalf of the County in such amount as is necessary in order to carry out the Refunding. Causey Demgen & Moore P.C. is hereby authorized to solicit and accept bids for such U.S. government securities on behalf of the County.

Section 21. Redemption of the Refunded Obligations. The Refunded Obligations are hereby called for prior payment and redemption on October 1, 2020 at a price of par plus accrued interest to the date of redemption subject to final approval by the Authorized Officers as evidenced by the execution of the Approving Certificate.

The County hereby directs the Escrow Agent appointed above to cause timely notice of redemption, in substantially the form attached to the Escrow Agreement (the "Notice"), to be provided at the times, to the parties and in the manner set forth on the Notice.

24-2017

Section 22. Record Book. The County Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 23. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the County are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and County Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and County Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 24. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the County Board of Supervisors or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

DEPOSITORY OR ITS NOMINEE NAME: CEDE & CO.

PRINCIPAL AMOUNT: _____ THOUSAND DOLLARS
(\$ _____)

FOR VALUE RECEIVED, Sauk County, Wisconsin (the "County"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on October 1, 2017 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by Associated Trust Company, National Association, Green Bay, Wisconsin (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding the semi-annual interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the County are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$_____, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the County pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purpose of refunding certain outstanding obligations of the County, all as authorized by a resolution of the County Board of Supervisors duly adopted by said governing body at a meeting held on February 21, 2017, as supplemented by a Certificate Approving the Preliminary Official Statement and Details of General Obligation Refunding Bonds, dated _____, 20__ (collectively, the "Resolution"). Said resolution is recorded in the official minutes of the County Board of Supervisors for said date.

This Bond is not subject to optional redemption. **OR** The Bonds maturing on October 1, _____ and thereafter are subject to redemption prior to maturity, at the option of the County, on October 1, _____ or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the County and within each maturity, by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____, _____ and _____ are subject to mandatory redemption by lot as provided in the Resolution at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the County, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond has been designated by the County Board of Supervisors as a "qualified tax-exempt obligation" pursuant to the provisions of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

This Bond is transferable only upon the books of the County kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the County appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the County for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and County may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

This Bond shall not be valid or obligatory for any purpose until the Certificate of Authentication hereon shall have been signed by the Fiscal Agent.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, Sauk County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified Chairperson and County Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

Fiscal Agency Agreement

FISCAL AGENCY AGREEMENT

THIS AGREEMENT, made as of the ____ day of ____, 2017 between Sauk County, Wisconsin (the "Municipality"), and Associated Trust Company, National Association, Green Bay, Wisconsin (the "Fiscal Agent").

WITNESSETH:

WHEREAS, the Municipality has duly authorized the issuance of its \$ _____ General Obligation Refunding Bonds, dated _____ (the "Obligations") pursuant to the applicable provisions of the Wisconsin Statutes and the resolution adopted by the Municipality on February 21, 2017 (the "Resolution"); and

WHEREAS, the Municipality is issuing the Obligations in registered form pursuant to Section 149 of the Internal Revenue Code of 1986, as amended, and applicable Treasury Regulations promulgated thereunder; and

WHEREAS, pursuant to the Resolution and Section 67.10(2), Wisconsin Statutes the Municipality has authorized the appointment of the Fiscal Agent as agent for the Municipality for any or all of the following responsibilities: payment of principal and interest on, registering, transferring and authenticating the Obligations as well as other applicable responsibilities permitted by Section 67.10(2), Wisconsin Statutes.

NOW, THEREFORE, the Municipality and the Fiscal Agent hereby agree as follows:

I. APPOINTMENT

The Fiscal Agent is hereby appointed agent for the Municipality with respect to the Obligations for the purpose of performing such of the responsibilities stated in Section 67.10(2), Wisconsin Statutes, as are delegated herein or as may be otherwise specifically delegated in writing to the Fiscal Agent by the Municipality.

II. INVESTMENT RESPONSIBILITY

The Fiscal Agent shall not be under any obligation to invest funds held for the payment of interest or principal on the Obligations.

III. PAYMENTS

At least one business day before each interest payment date (commencing with the interest payment date of October 1, 2017 and continuing thereafter until the principal of and interest on the Obligations should have been fully paid or prepaid in accordance with their terms) the Municipality shall pay to the Fiscal Agent, in good funds immediately available to the Fiscal Agent on the interest payment date, a sum equal to the amount payable as principal of, premium, if any, and interest on the Obligations on such interest payment date. Said interest and/or principal payment dates and amounts are outlined on Schedule A which is attached hereto and incorporated herein by this reference.

IV. CANCELLATION

In every case of the surrender of any Obligation for the purpose of payment, the Fiscal Agent shall cancel and destroy the same and deliver to the Municipality a certificate regarding such cancellation. The Fiscal Agent shall be permitted to microfilm or otherwise photocopy and record said Obligations.

V. REGISTRATION BOOK

The Fiscal Agent shall maintain in the name of the Municipality a Registration Book containing the names and addresses of all owners of the Obligations and the following information as to each Obligation: its number, date, purpose, amount, rate of interest and when payable. The Fiscal Agent shall keep confidential said information in accordance with applicable banking and governmental regulations.

VI. INTEREST PAYMENT

Payment of each installment of interest on each Obligation shall be made to the registered owner of such Obligation whose name shall appear on the Registration Book at the close of business on the 15th day of the calendar month next preceding the interest payment date and shall be paid by check or draft of the Fiscal Agent mailed to such registered owner at his address as it appears in such Registration Book or at such other address as may be furnished in writing by such registered owner to the Fiscal Agent.

VII. PAYMENT OF PRINCIPAL AND NOTICE OF REDEMPTION

(a) Principal Payments. Principal shall be paid to the registered owner of an Obligation upon surrender of the Obligation on or after its maturity or redemption date.

Term Bonds [The Obligations due on October 1, 20__ and October 1, 20__ (the "Term Bonds") are subject to mandatory redemption prior to maturity by lot at a redemption price equal to One Hundred Percent (100%) of the principal amount to be redeemed plus accrued interest to the date of redemption, from deposits which are required to be made in amounts sufficient to redeem on October 1 of each year the respective amount of Term Bonds specified on the attached Schedule MRP.

The Municipality hereby directs and the Fiscal Agent hereby agrees to select the Term Bonds to be redeemed on the dates set forth above and to give notice of such redemption as set forth in substantially the form attached hereto as Schedule B by registered or certified mail, facsimile transmission, overnight express delivery, electronic transmission or in any other manner required by The Depository Trust Company at least thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the registered owner of each Obligation selected to be redeemed, in whole or in part, at the address shown on the registration books as of the Record Date.

The Municipality, in accordance with Section III hereof, shall make payments sufficient for the Fiscal Agent to pay the amounts due on the Term Bonds subject to mandatory redemption.]

(b) Official Notice of Redemption. In the event the Municipality exercises its option to redeem any of the Obligations, the Municipality shall, at least 35 days prior to the redemption date, direct the Fiscal Agent to give official notice of such redemption by sending an official notice thereof by registered or certified mail, facsimile transmission, overnight express delivery, electronic transmission or in any other manner required by The Depository Trust Company at least 30 days but not more than 60 days prior to the date fixed for redemption to the registered owner of each Obligation to be redeemed in whole or in part at the address shown in the Registration Book. Such official notice of redemption shall be dated and shall state (i) the redemption date and price; (ii) an identification of the Obligations to be redeemed, including the date of original issue of the Obligations; (iii) that on the redemption date the redemption price will become due and payable upon each such Obligation or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (iv) the place where such Obligations are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Fiscal Agent. **Term Bonds** [Official notice of the redemption of Obligations subject to mandatory redemption shall be given in the same manner.]

(c) Additional Notice of Redemption. In addition to the official notice of redemption provided in (b) above, further notice of any redemption shall be given by the Fiscal Agent on behalf of the Municipality to the Municipal Securities Rulemaking Board and The Depository Trust Company of New York, New York but neither a defect in this additional notice nor any failure to give all or any portion of such additional notice shall in any manner defeat the effectiveness of a call for redemption.

Each further notice of redemption given hereunder shall be sent at least 30 days before the redemption date by registered or certified mail, overnight delivery service, facsimile transmission or email transmission and shall contain the information required above for an official notice of redemption.

(d) Redemption of Obligations. The Obligations to be redeemed at the option of the Municipality shall be selected by the Municipality and, within any maturity, shall be selected by lot by the Depository described in Section VIII hereof. **Term Bonds** [Obligations subject to mandatory redemption shall be selected as described in (a) above.] The Obligations or portions of Obligations to be redeemed shall, on the redemption dates, become due and payable at the redemption price therein specified, and from and after such date such Obligations or portions of Obligations shall cease to bear interest. Upon surrender of such Obligations for redemption in accordance with the official notice of redemption, such Obligations shall be paid by the Fiscal Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Obligation, there shall be prepared for the registered owner a new Obligation or Obligations of the same maturity in the amount of the unpaid principal. Each check or other transfer of funds issued in payment of the redemption price of Obligations being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Obligations being redeemed with the proceeds of such check or other transfer.

VIII. UTILIZATION OF THE DEPOSITORY TRUST COMPANY

The Depository Trust Company's Book-Entry-Only System is to be utilized for the Obligations. The Fiscal Agent, as agent for the Municipality, agrees to comply with the provisions of The Depository Trust Company's Operational Arrangements, as they may be amended from time to time referenced in the Blanket Issuer Letter of Representations executed by the Municipality. The provisions of the Operational Arrangements and this Section VIII supersede and control any and all representations in this Agreement.

IX. OBLIGATION TRANSFER AND EXCHANGE

The Fiscal Agent shall transfer Obligations upon presentation of a written assignment duly executed by the registered owner or by such owner's duly authorized representative. Upon such a transfer, new registered Obligation(s) of the same maturity, in authorized denomination or denominations in the same aggregate principal amount for each maturity shall be issued to the transferee in exchange therefor, and the name of such transferee shall be entered as the new registered owner in the Registration Book. No Obligation may be registered to bearer. The Fiscal Agent may exchange Obligations of the issue for a like aggregate principal amount of Obligations of the same maturity in authorized whole multiples of \$5,000.

The Obligations shall be numbered R-1 and upward. Upon any transfer or exchange, the Obligation or Obligations issued shall bear the next highest consecutive unused number or numbers.

The Municipality shall cooperate in any such transfer, and the appropriate officers of the Municipality are authorized to execute any new Obligation or Obligations necessary to effect any such transfer.

X. AUTHENTICATION, IF REQUIRED

The Fiscal Agent shall sign and date the Certificate of Authentication, if any, on each Obligation on the date of delivery, transfer or exchange of such Obligation. The Fiscal Agent shall distribute and/or retain for safekeeping the Obligations in accordance with the direction of the registered owners thereof.

XI. STATEMENTS

The Fiscal Agent shall furnish the Municipality with an accounting of interest and funds upon reasonable request.

XII. FEES

The Municipality agrees to pay the Fiscal Agent fees for its services hereunder in the amounts set forth on Schedule [B/C] hereto.

XIII. MISCELLANEOUS

(a) Nonpresentment of Checks. In the event the check or draft mailed by the Fiscal Agent to the registered owner is not presented for payment within five years of its date, then the monies representing such nonpayment shall be returned to the Municipality or to such board, officer or body as may then be entitled by law to receive the same together with the name of the registered owner of the Obligation and the last mailing address of record and the Fiscal Agent shall no longer be responsible for the same.

(b) Resignation and Removal; Successor Fiscal Agent. (i) Fiscal Agent may at any time resign by giving not less than 60 days written notice to Municipality. Upon receiving such notice of resignation, Municipality shall promptly appoint a successor fiscal agent by an instrument in writing executed by order of its governing body. If no successor fiscal agent shall have been so appointed and have accepted appointment within 60 days after such notice of resignation, the resigning fiscal agent may petition any court of competent jurisdiction for the appointment of a successor fiscal agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribes, appoint a successor fiscal agent. The resignation of the fiscal agent shall take effect only upon appointment of a successor fiscal agent and such successor fiscal agent's acceptance of such appointment.

(ii) The Fiscal Agent may also be removed by the Municipality at any time upon not less than 60 days' written notice. Such removal shall take effect upon the appointment of a successor fiscal agent and such successor fiscal agent's acceptance of such appointment.

(iii) Any successor fiscal agent shall execute, acknowledge and deliver to Municipality and to its predecessor fiscal agent an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor fiscal agent shall become effective and such successor fiscal agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of its predecessor, with like effect as if originally named as fiscal agent herein; but nevertheless, on written request of Municipality, or on the request of the successor, the fiscal agent ceasing to act shall execute and deliver an instrument transferring to such successor fiscal agent, all the rights, powers, and trusts of the fiscal agent so ceasing to act. Upon the request of any such successor fiscal agent, Municipality shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor fiscal agent all such rights, powers and duties. Any predecessor fiscal agent shall pay over to its successor fiscal agent any funds of the Municipality.

(iv) Any corporation, association or agency into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor fiscal agent under this Agreement and vested with all the trusts, powers, discretions, immunities and privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

(v) Any successor fiscal agent shall be qualified pursuant to Sec. 67.10(2), Wisconsin Statutes, as amended.

(c) Termination. This Agreement shall terminate on the earlier of (i) the payment in full of all of the principal and interest on the Obligations to the registered owners of the Obligations or (ii) five years after (aa) the last principal payment on the Obligations is due (whether by maturity or earlier redemption) or (bb) the Municipality's responsibilities for payment of the Obligations are fully discharged, whichever is later. The parties realize that any funds hereunder as shall remain upon termination shall, except as may otherwise by law, be turned over to the Municipality after deduction of any unpaid fees and disbursements of Fiscal Agent or, if required by law, to such officer, board or body as may then be entitled by law to receive the same. Termination of this Agreement shall not, of itself, have any effect on Municipality's obligation to pay the outstanding Obligations in full in accordance with the terms thereof.

(d) Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement, being duly authorized so to do, each in the manner most appropriate to it, on the date first above written.

Escrow Agreement

(See Attached)

ESCROW AGREEMENT

THIS ESCROW AGREEMENT is made and entered into the ____ day of _____, 2017 by and between Sauk County, Wisconsin (the "County") and Associated Trust Company, National Association, Green Bay, Wisconsin, a national banking association with trust powers (the "Escrow Agent").

RECITALS

The County has duly issued its General Obligation Refunding Bonds, dated July 6, 2010 (the "Prior Issue").

The County has duly authorized and sold and is delivering this day its \$_____ General Obligation Refunding Bonds, dated _____ (the "Refunding Obligations") for the purpose of providing funds sufficient to refund the Prior Issue (hereinafter the Prior Issue shall be referred to herein as the "Refunded Obligations") (the "Refunding").

The Refunded Obligations mature and bear interest on the dates and in the amounts shown on Exhibit A-1.

In order to accomplish the Refunding, it is necessary to irrevocably deposit in trust an amount (in the form of investment securities and cash) which, together with investment income therefrom, will be sufficient to pay when due the principal of and interest on the Refunded Obligations.

To accomplish the Refunding, the Escrow Agent has been appointed depository of a portion of the proceeds of the Refunding Obligations (in the form of investment securities and cash) as hereinafter specified and has been appointed custodian of the County's debt service fund account for the Refunded Obligations until the Refunded Obligations are paid in full.

The execution of this Agreement has been duly authorized by a resolution of the County Board of Supervisors entitled: "Resolution Authorizing the Issuance and Establishing Parameters for the Sale of Not to Exceed \$6,000,000 General Obligation Refunding Bonds" (the "Resolution") adopted by the County Board of Supervisors of the County on February 21, 2017.

In consideration of the mutual covenants contained herein, the parties hereto covenant and agree as follows for the equal and proportionate benefit and security of the holders of the Refunding Obligations and the Refunded Obligations:

1. Escrow Deposit. Concurrently with the execution of this Agreement, the County has irrevocably deposited with the Escrow Agent, receipt of which is hereby acknowledged by the Escrow Agent, \$_____ being a portion of the proceeds of the Refunding Obligations (the "Bond Proceeds") and \$_____ from funds of the County (the "Funds") for a total of \$_____.

The foregoing, along with earnings and interest thereon, shall be held and disposed of by the Escrow Agent only in accordance with this Agreement. The County represents and warrants that the foregoing, if held, invested and disposed of by the Escrow Agent in accordance with this Agreement, will be sufficient, without the need for any further investment or reinvestment, to make all payments required under this Agreement. The Escrow Agent has not and is under no obligation to determine whether the amounts deposited hereunder are or will be sufficient to make all of the payments directed to be made hereunder.

2. Acceptance of Escrow. The Escrow Agent acknowledges receipt of the escrow deposit hereunder and accepts the responsibilities imposed on it by this Agreement.

3. Application of Escrow Deposit. There is hereby created by the County and ordered established with the Escrow Agent an account hereby designated, "Sauk County Escrow Account" (the "Escrow Account").

The Escrow Agent shall deposit the amount described above in the Escrow Account to be used as follows:

a) \$ _____ to be used to purchase the United States Treasury Certificates of Indebtedness, Notes and/or Bonds - State and Local Government Series ("SLGs"), described on the attached Exhibit B-1, pay for the SLGs from monies in the Escrow Account and hold the SLGs in the Escrow Account (\$ _____ from Bond Proceeds and \$ _____ from Funds);

OR

a) \$ _____ to be used to purchase the United States government securities described on the attached Exhibit B-1 (the "Securities");

b) \$ _____ to be used to establish a beginning cash balance in the Escrow Account (\$ _____ from Bond Proceeds and \$ _____ from Funds); and

c) \$ _____ to be used to pay the Issuance Expenses set forth on the attached Exhibit C-1, which the Escrow Agent is hereby authorized to pay.

Except as set forth in Section 8 hereof, the Escrow Account (other than the cash held pursuant to subsection (b) above) shall remain invested in the SLGs, [Securities], and the Escrow Agent shall not sell or otherwise dispose of the SLGs [Securities].

[In addition to the foregoing, the Escrow Agent is hereby directed to reinvest excess investment proceeds accruing in the years _____ to _____ in SLGs as follows:

<u>Amount</u>	<u>Interest Rate</u>	<u>Reinvestment Date</u>	<u>Maturity Date</u>
\$ _____	0.00%	_____	_____
_____	0.00	_____	_____

The Escrow Agent is hereby directed to submit the subscription for these SLGs on behalf of the County, at least seven (7) days in advance of the date of reinvestment (or such other period of time in advance of the date of reinvestment as is then required by law or regulation) and such subscription shall be in accordance with then applicable law and regulations. The County will cooperate with the Escrow Agent as necessary to allow any subscriptions to be made as described herein.

If SLGs with an interest rate of 0.00% are not available at the time such Escrow Account monies are to be reinvested, the Escrow Agent is hereby directed to reinvest such Escrow Account monies on behalf of the County in direct obligations of the United States of America ("U.S. Government Obligations"), or hold such monies uninvested, as directed by the County, upon the Escrow Agent's receipt, at the expense of the County, of (i) an opinion of the bond counsel for the Refunding Obligations or other nationally recognized firm of attorneys experienced in the area of municipal finance to the effect that such transaction would not cause any of the Refunded Obligations or any of the Refunding Obligations to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the income tax regulations thereunder (the "Regulations") and (ii) a certification from an independent certified public accountant that, after such transaction, the principal of and interest on the U.S. Government Obligations in the Escrow Account will, together with other monies in the Escrow Account available for such purposes, be sufficient at all times to pay, when due, the principal of and interest on the Refunded Obligations.]

The Escrow Account cash flow (taking into account any reinvestments) prepared by the Accountant defined below is set forth on Exhibit D-1.

Except for the foregoing or as set forth in Section 8 hereof, no reinvestment of amounts on deposit in the Escrow Account shall be permitted.

The Escrow Agent shall apply the monies in the Escrow Account to the payment of the Refunded Obligations in the amounts set forth on the attached Exhibit A-1 by depositing such amounts with The Depository Trust Company or any successor depository or registered owner on or before the dates set forth on attached Exhibit A-1.

Causey Demgen & Moore P.C., a firm of independent accountants (the "Accountant"), has delivered to the County, the Escrow Agent, Robert W. Baird & Co. Incorporated, any bond insurer for the Refunding Obligations, any bond insurer for the Refunded Obligations, and Quarles & Brady LLP, for their purposes, a report stating that the firm has reviewed the arithmetical accuracy of certain computations based on assumptions relating to the sufficiency of forecasted net cash flow from the United States government securities (paragraph (a) above) and any initial cash deposit (paragraph (b) above) to pay the principal of and interest (if any) on the

Refunded Obligations when due as described on Exhibit A-1. Based upon the summarized data presented in its report and the assumption that the principal and interest payments on the United States government securities are deposited in the Escrow Account when due, in its opinion, the proceeds from the United States government securities, plus any initial cash deposit will be sufficient for the timely payment of principal and interest, when due, on the Refunded Obligations.

If at any time it shall appear to the Escrow Agent that the money in the Escrow Account will not be sufficient to make any required payments due to the holders of the Refunded Obligations, the Escrow Agent shall immediately notify the County. Upon receipt of such notice, the County shall forthwith transmit to the Escrow Agent for deposit in the Escrow Account from legally available funds such additional monies as may be required to make any such payment.

4. Redemption of the Refunded Obligations. Pursuant to the Resolution, the County has heretofore called the Refunded Obligations for redemption and authorized and directed the Escrow Agent to give notice of said intended redemption of the Refunded Obligations by providing notice (in substantially the form attached hereto as Exhibit E-1) in the manner and at the times set forth on Exhibit E-1, and the Escrow Agent hereby agrees to give such notice.

5. Notice of Advance Refunding of the Refunded Obligations. The Escrow Agent is hereby directed and agrees within ten business days after the closing for the Refunding Obligations to provide a Notice of Advance Refunding and Redemption, in substantially the form attached hereto as Exhibit F-1, to the registered owners of the Refunded Obligations, to any fiscal agent for the Refunded Obligations, and to any others as described in Exhibit F-1.

6. The Escrow Agent.

a) Annual Report. The Escrow Agent shall, in the month of February of each year while this Agreement is in effect, and as soon as practicable after termination of this Agreement, forward by first class mail to the County a report of the receipts, income, investments, reinvestments, redemptions and payments of and from the Escrow Account during the preceding calendar year, including in such report a statement, as of the end of the preceding calendar year, regarding the manner in which it has carried out the requirements of this Agreement. The County shall have the right, at any time during business hours, to examine all of the Escrow Agent's records regarding the status and details of the Escrow Account.

b) Separate Funds; Accountability. Except as otherwise permitted under Section 3 hereof, the Escrow Agent shall keep all monies, securities and other properties deposited hereunder, all investments and all interest thereon and profits therefrom, at all times in a special fund and separate trust account, wholly segregated from all other funds and securities on deposit with it; shall never commingle such deposits, investments and proceeds with other funds or securities of the Escrow Agent; and shall never at any time use, pledge, loan or borrow the same in any way. The fund established hereunder shall be held separately and distinctly and not commingled with any other such fund. Nothing herein contained shall be construed as requiring the Escrow Agent to keep the identical monies, or any part thereof, received from or for the Escrow Account, on hand, but monies of an equal amount shall always be maintained on hand as

funds held by the Escrow Agent, belonging to the County, and a special account thereof, evidencing such fact, shall at all times be maintained on the books of the Escrow Agent. All uninvested money held at any time in the Escrow Account shall be continuously secured by the deposit in a Federal Reserve Bank or direct obligations of the United States of America in a principal amount always not less than the total amount of uninvested money in the Escrow Account. It is understood and agreed that the responsibility of the Escrow Agent under this Agreement is limited to the safekeeping and segregation of the monies and securities deposited with it for the Escrow Account, and the collection of and accounting for the principal and interest payable with respect thereto.

In the event the Escrow Agent due to any action or inaction required hereunder is unable or fails to account for any property held hereunder, such property shall be and remain the property of the County. Property held by the Escrow Agent hereunder shall not be deemed to be a banking deposit of the County to the extent that the Escrow Agent shall have no right or title with respect thereto (including any right of set-off) and the County shall have no right of withdrawal thereof.

c) Liability. The Escrow Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the County or any paying agent of any of its obligations, or to protect any of the County's rights under any bond proceeding or any of the County's other contracts with or franchises or privileges from any state, county, municipality or other governmental agency or with any person. The Escrow Agent shall not be liable for any act done or step taken or omitted by it, as escrow agent, or for any mistake of fact or law, or for anything which it may do or refrain from doing in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this Agreement, except for its negligence or its willful misconduct. The Escrow Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein, including without limitation those as to the sufficiency of the trust deposit to accomplish the purposes hereof or in the Refunded Obligations or the Refunding Obligations or in any proceedings taken in connection therewith, but they are made solely by the County.

d) Resignations; Successor Escrow Agent. The Escrow Agent may at any time resign by giving not less than 60 days written notice to the County. Upon giving such notice of resignation, the resigning Escrow Agent may petition any court of competent jurisdiction for the appointment of a successor escrow agent. Such court may thereupon, after such notice, if any, as it may deem proper and prescribes, appoint a successor escrow agent of comparable qualifications to those of the resigning Escrow Agent. The resignation of the Escrow Agent shall take effect only upon the appointment of a successor escrow agent and such successor escrow agent's acceptance of such appointment.

Any successor escrow agent shall be a state or national bank, have full banking and trust powers, and have a combined capital and surplus of at least \$5,000,000.

Any successor escrow agent shall execute, acknowledge and deliver to the County and to its predecessor escrow agent an instrument accepting such appointment hereunder, and thereupon the resignation of the predecessor escrow agent shall become effective and such successor escrow agent, without any further act, deed or conveyance, shall become vested with all the

rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as escrow agent herein; but nevertheless, on written request of the County or on the request of the successor escrow agent, the escrow agent ceasing to act shall execute and deliver an instrument transferring to such successor escrow agent, upon the terms herein expressed, all the rights, power, and duties of the escrow agent so ceasing to act. Upon the request of any such successor escrow agent, the County shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor escrow agent all such rights, powers and duties. Any predecessor escrow agent shall pay over to its successor escrow agent a proportional part of the Escrow Agent's fee hereunder.

e) Fees. The Escrow Agent acknowledges receipt from the County of the sum of _____ DOLLARS (\$) _____ as and for full compensation for all services to be performed by it as the Escrow Agent under this Agreement. Any out-of-pocket expenses including legal fees and publication costs will be paid by the County as incurred. The Escrow Agent expressly waives any lien upon or claim against the monies and investments in the Escrow Account.

7. Arbitrage. The County has covenanted and agreed and the Escrow Agent hereby covenants and agrees, to the extent any action is within its control and to its knowledge, to and for the benefit of the holders of the Refunding Obligations and the Refunded Obligations, that no investment of the monies on deposit in the Escrow Account will be made in a manner that would cause the Refunding Obligations or the Refunded Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") or any Regulations promulgated or proposed thereunder (the "Regulations").

In order to ensure continuing compliance with Section 148 of the Code and the Regulations, the Escrow Agent agrees that it will not invest the cash balance nor reinvest any cash received in payment of the principal of and interest on the federal securities held in the Escrow Account nor redeem such federal securities except as specifically provided in Sections 3 and 8 hereof. Said prohibition on reinvestment shall continue unless and until the County requests that such reinvestment be made and shall be restricted to noncallable direct obligations of the United States Treasury. Prior to any such request for reinvestment of the proceeds from the federal securities held in the Escrow Account, the County shall provide to the Escrow Agent: (i) an opinion by an independent certified public accounting firm that after such reinvestment the principal amount of the substituted securities, together with the earnings thereon and other available monies, will be sufficient to pay, as the same become due, all principal of, redemption premium where required, and interest on the Refunded Obligations which have not then previously been paid, and (ii) an unqualified opinion of nationally recognized bond counsel to the effect that (a) such reinvestment will not cause the Refunding Obligations or the Refunded Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations in effect thereunder on the date of such reinvestment, and (b) such reinvestment complies with the Constitution and laws of the State of Wisconsin and the provisions of all relevant documents relating to the issuance of the Refunding Obligations and the Refunded Obligations.

8. Substitute Investments. At the written request of the County and upon compliance with the conditions hereinafter stated, the Escrow Agent shall have the power to request the redemption of the SLGs and to substitute direct obligations of, or obligations which are unconditionally guaranteed by, the United States of America, which are not subject to redemption prior to maturity and which are available for purchase with the proceeds derived from the disposition of the SLGs on the date of such transaction. The Escrow Agent shall purchase such substitute obligations with the proceeds derived from the sale, transfer, disposition or redemption of the SLGs. The transactions may be effected only by simultaneous sale and purchase transactions, and only if (i) the amounts and dates on which the anticipated transfers from the Escrow Account to the fiscal agent or depository for the payment of the principal of and interest on the Refunded Obligations will not be diminished or postponed thereby, (ii) the Escrow Agent shall receive, at the expense of the County, an opinion of a nationally recognized firm of attorneys experienced in the area of municipal finance to the effect that such disposition and substitution would not cause any Refunded Obligations or Refunding Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations thereunder; and (iii) the Escrow Agent shall receive, at the expense of the County, a certification from an independent certified public accountant that, after such transaction, the principal of and interest on the U.S. government obligations in the Escrow Account will, together with other monies in the Escrow Account available for such purpose, be sufficient at all times to pay, when due, the principal of, redemption premium, where required, and interest on the Refunded Obligations.

The County hereby covenants that no part of the monies or funds at any time in the Escrow Account shall be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any Refunded Obligations or Refunding Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations thereunder.

9. Miscellaneous.

a) Third Party Beneficiaries. This Agreement has been entered into by the County and the Escrow Agent for the benefit of the holders of the Refunding Obligations and the Refunded Obligations, and is not revocable by the County or the Escrow Agent, and the investments and other funds deposited in the Escrow Account and all income therefrom have been irrevocably appropriated for the payment and any redemption of the Refunded Obligations and interest thereon when due, in accordance with this Agreement. This Agreement shall be binding upon and shall inure to the benefit of the County and the Escrow Agent and their respective successors and assigns. In addition, this Agreement shall constitute a third party beneficiary contract for the benefit of the owners of the Refunding Obligations and the Refunded Obligations. Said third party beneficiaries shall be entitled to enforce performance and observance by the County and the Escrow Agent of the respective agreements and covenants herein contained as fully and completely as if said third party beneficiaries were parties hereto.

b) Severability. If any section, paragraph, clause or provision of this Agreement shall be invalid or ineffective for any reason, the remainder of this Agreement shall remain in full force and effect, it being expressly hereby agreed that the remainder of this Agreement would have been entered into by the parties hereto notwithstanding any such invalidity.

c) Termination. This Agreement shall terminate upon the payment of all of the principal of and interest on the Refunded Obligations. The parties realize that some of the amounts hereunder may remain upon termination. Any amounts remaining upon termination shall be returned to the County for deposit in the account designated "Debt Service Fund Account for \$6,000,000 General Obligation Refunding Bonds-2017" created by the Resolution and used solely to pay the principal of and interest on the Refunding Obligations. Termination of this Agreement shall not, of itself, have any effect on the County's obligation to pay the Refunding Obligations and the Refunded Obligations in full in accordance with the respective terms thereof.

d) Indemnification. The County agrees to hold the Escrow Agent harmless and to indemnify the Escrow Agent against any loss, liability, expenses (including attorney's fees and expenses), claims, or demand arising out of or in connection with the performance of its obligations in accordance with the provisions of this Agreement, except for gross negligence or willful misconduct of the Escrow Agent. The foregoing indemnities in this paragraph shall survive the resignation or removal of the Escrow Agent or the termination of the Agreement.

e) Governing Law. This Escrow Agreement shall be construed, interpreted and governed by and under the laws of the State of Wisconsin.

f) Execution in Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their duly authorized officers on the date first above written.
