## RULES OF THE SAUK COUNTY BOARD OF SUPERVISORS (2020-2022)

[As adopted on September 15, 2020]

### **RULE I. BOARD ORGANIZATION AND MEETINGS.**

A. As provided by statute, the Sauk County Board of Supervisors (“Board”) shall organize on the third Tuesday of April in even numbered years and adopt rules and regulations for the ensuing term by a majority vote of the board. Regular and special meetings of the Board shall be held and conducted in accordance with the provisions of Wis. Stat. § 59.11. The Board shall hold an annual meeting on the Tuesday after the second Monday of November in each year for the purpose of transacting business and the adoption of the budget. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.

B. The Chairperson of the County Board (“Chair”) and Vice-Chairperson shall be elected biennially by the Board at the April meeting in even-numbered years. A majority vote of the total elected Supervisors is required to elect the Chair and Vice-Chair (e.g. 31 districts in Sauk County, 16 votes required regardless of number of Supervisors in attendance at meeting). Furthermore, any Supervisor may request removal of the Chair or Vice-Chair and new elections for a new Chairperson, Vice-Chairperson or both under item 13 of the regular Board meeting agenda, provided such request is placed with the County Clerk and County Administrator pursuant to the provisions of III. A. Such officers shall take office upon election. If the former Chair is considering running for reelection, the Chair shall turn the meeting over to the Vice-Chair to chair the meeting during the election of the chair. If the Chair and Vice-Chair are both running for election to Chair, the meeting shall be chaired by the Corporation Counsel until a new Chair is elected. No Supervisor may be elected as Chairperson for more than two (2) consecutive terms.

C. The Board shall meet regularly in the County Board Room on the third Tuesday of each month except as provided in Rule I.A. above. Regular meetings of the full Board shall commence at 6:00 P.M. Any vote to adjourn to a different time or place for convening a regular meeting shall require approval by two-thirds of the members present.

D. The Chair shall preserve order and decorum. The Chair may speak to points of order in preference to other members, and shall recite questions of order subject to an appeal to the Board by any two members, on which appeal no member shall speak more than once, unless by leave of the Board. He or she shall vote on all roll calls, except upon appeals from his or her own decision. The Chair may NOT participate in debate or discussion unless he or she steps down from the Chair and assumes their regular seat (the Vice-Chair would then run the meeting) then following the same rules as any other Supervisor.

E. The Board aspires to encourage appropriate dress by board members that reflects the professionalism of the Board. Business casual or more formal attire is encouraged.

F. All comments, debates and discussions shall be appropriate and to the point of the topic under discussion, and conducted in a manner that is civil, and respectful of all concerned.

G. A Special Meeting of the Board shall be held in accordance with the provisions set forth in 59.11 (2). A Supervisor may signify agreement to a request by email, delivered to the Clerk via County email from a Supervisor’s official Sauk County email address to the Clerk’s official email address. Furthermore, the Clerk may notice a Special Meeting by email. Personal email accounts, SMS or other electronic messages are not acceptable.

**RULE II. AGENDA.**

- A. The order of business of Board meetings shall be as stated on the agenda for each session. The agenda shall jointly be the responsibility of the Chair, the County Administrator and the County Clerk. The agenda shall be circulated to the Board not less than two business days before each meeting. Agenda amendments that comply with Open Meeting Law notice requirements are permitted after initial circulation.
- B. The format for the agenda at the April organizational meeting held in even-numbered years shall be as follows:
1. Call to order.
  2. Invocation and pledge of allegiance.
  3. Verification of credentials and roll call.

  8. Designation of official newspaper.
  9. Election of a Chair and Vice Chair.
  10. Election of at-large members of Executive & Legislative Committee.  
(Proceed in accordance with regular meeting agenda, see II.C. 6. through 15.)
- C. The format for the regular meeting agenda of the County Board shall be as follows:
1. Call to order.
  2. Roll call.
  3. Invocation and pledge of allegiance.
  4. Adoption of agenda.
  5. Approval of the minutes of previous meeting.
  6. General consent agenda items.
  7. Scheduled appearances included on the agenda.
  8. Public comment with each speaker limited to no more than three minutes.
  9. Communications.
  10. Appointments.
  11. Bills.
  12. Claims.
  13. Elections.
  14. Proclamations.
  15. Reports.
  16. Unfinished business.
  17. New business.
  18. Referrals.
  19. New agenda items (no discussion). Submit in writing or by email new business items to the County Administrator as soon as possible for Rule III.A. committee referral or addition to the Board agenda.
  20. Adjournment.

**RULE III. RESOLUTIONS AND ORDINANCES.**

A. All proposed Board agenda items shall be submitted in writing to the County Clerk and County Administrator by 4:30 p.m. on the Tuesday preceding the next regular meeting of the Board. The County Administrator is responsible for the referral and routing of all proposed resolutions and other items to come before a committee and the Board. Except as otherwise provided, all proposed Board agenda items shall be referred to each standing committee with subject matter jurisdiction prior to placement on the Board agenda for discussion, report, and recommendation. Any Supervisor may also present a proposed resolution or agenda item for consideration by the full Board utilizing one of the following processes:

1. A Supervisor may request the committee chairman to place a proposed resolution or other item on the agenda of the next regular meeting of a committee of which he is a member; or

2. A Supervisor may request the County Administrator to refer a proposed resolution or item to the appropriate committee for consideration at its next regular meeting, if the requestor is not a member of that committee.

All business referred to a committee by the Board shall be taken up before the next regular Board meeting whenever possible. The Board may, by majority vote, recall any matter referred to a committee and refer the matter to another committee or take other appropriate action thereon. A Supervisor wishing to so recall an item from Committee must notify the County Administrator by the time set forth in III. A. so the proposed action may be properly included on the Board agenda. Supervisors are strongly encouraged to consider the recommendation of the committee prior to requesting a proposed resolution or item be placed on the agenda as the lack of committee support would be indicative of the proposed resolution's or item's feasibility.

A. Items may be included on the general consent portion of the agenda provided the matter was unanimously adopted by the sponsoring committee and the matter under consideration has no financial or public policy impact and is of a non-controversial nature. No ordinance shall be included in the general consent portion of the agenda. When the general consent portion of the agenda is placed before the Board for consideration, the Chair shall ask if any member of the Board objects to any item being considered by general consent. Any item placed on the general consent portion of the agenda may be placed under the new business portion of the agenda, and considered separately, upon the request of any supervisor, and without a motion and second, provided such request is made prior to a vote on the general consent portion of the agenda by the Board. If there is no objection to any item, the Chair will request a motion to approve the general consent portion of the agenda. All items in the general consent portion of the agenda may be approved by voice vote. Any member may request and shall be granted a recorded vote without a motion or second provided such request is made prior to the Chair's request for a motion to approve the consent agenda.

B. It shall be the responsibility of the sponsoring committee or supervisor to have the matter prepared in the form to be acted on and to have a fiscal note attached. All resolutions involving the expenditure or receipt of funds shall carry a fiscal note using a form approved by the Finance Committee which details the resolution's impact upon County finances approved and initialed by the Finance Director, Accounting Manager or County Administrator. In addition to the fiscal note, all resolutions shall contain a Management Information Systems (MIS) Note, and shall be reviewed by Corporation Counsel and approved as to form prior to inclusion in the agenda. A resolution lacking a fiscal note, MIS note, or legal review by Corporation Counsel shall not be considered by the Board. The background clause of any resolution or ordinance shall contain information sufficient to provide the purpose and need for the resolution or ordinance.

C. The Chair may immediately refer any matter not considered and reported to the Board by a committee to the appropriate committee without motion if there is no objection to referral. If objection is made, referral of the matter shall be immediately placed before the Board for vote and shall only be referred upon a majority vote of the members present and voting. Resolutions brought forward by individual supervisors must be presented to all committees having jurisdiction over the proposed matter as detailed above.

D. The County Board shall send a special advisory referendum question to the County Clerk for placement on the next spring or fall ballot only if a supervisor submits the question in writing to the Board not less than one-hundred-twenty (120) days prior to the date of the next election and the question is approved for ballot placement by a two-thirds (2/3rds) vote of the Board.

#### **RULE IV. ORGANIZATION.**

A. In addition to presiding at meetings, the supervisor elected Chair by the Board, pursuant to Rule I.B., shall upon election, assume all the responsibilities and perform all duties required of the Chair, pursuant to applicable State Statutes and these Rules, until the Board elects a successor.

B. In case of the absence or inability of the Chair for any meeting, the Vice-Chair shall perform the duties of the Chair. In case of the absence or inability of both the Chair and Vice-Chair for any meeting, the members shall choose a temporary Chair by a majority vote of the members present. In the case of the permanent absence or inability of the Chair, the Vice-Chair shall become Chair, and a new Vice-Chair shall be elected by the Board.

C. The Chair is authorized to attend meetings and conferences on matters related to county government and may direct the attendance of the Vice-Chair or some other members of the Board, either in place of the Chair, or along with the Chair, however per diem shall not be payable unless authorized in accordance with Rule V.A. The Chair shall serve as the County's voting delegate at the Annual Convention of the Wisconsin Counties Association. The Chair shall serve on the following: Madison Area Technical College Appointment Board, Western Wisconsin Technical College District Board, and WIRED Leadership Caucus.

D. If a vacancy occurs on the Board, the Chair is authorized to appoint a qualified elector of the supervisory district wherein the vacancy occurs to fill the unexpired term. Such appointment shall be subject to approval of the Board at the next regular Board meeting following appointment by the Chair. A supervisor filling a vacancy shall not automatically be assigned to the same committees as his or her predecessor in office but may request particular assignments. The chair shall have the option of removing or replacing any or all committee assignments for a replacement supervisor including moving a minimal number of supervisors to different committees if it benefits the county. Reassignment of supervisors requires the express consent of each reassigned supervisor and approval by a majority of members voting on the reassignment. Replacement of a member of the Executive & Legislative Committee, shall require election by the Board.

E. Supervisors appointed to special committees, boards, and commissions shall serve on those bodies only so long as they remain members of the Board unless a state statute or county ordinance provides otherwise. At the point in time that a supervisor is no longer a member of the Board, the position on the special committee, board, or commission shall be deemed vacant, and the Chair shall appoint a new individual, who must be a member of the Board, to fill the unexpired term on the body. A former supervisor may only fill a citizen member position on a special committee, board or commission if the former supervisor's continued service will result in no diminution of representation on the body by members of the Board.

F. The County Administrator shall attend Board meetings.

G. The Corporation Counsel shall attend Board meetings and serve as parliamentarian and legal advisor to the Board. If the Corporation Counsel is unable to attend a Board meeting then the County Administrator will serve as parliamentarian.

H. A minimum of one day of education for members of the Board shall be set by the Chair, said day of education to be held every two years. Such education may be conducted through electronic means, including but not limited to videos and webinars. The Chair may set additional days of education for Board members, including one or more days for the purpose of clarifying budget procedures and upcoming budget analysis matters.

I. A secret ballot may be used by the Board or a committee but only to elect an officer of the Board or the committee. When written ballots are used, supervisors shall indicate their vote by placing their district number on the reverse side of the ballot. In any election by the Board, the first ballot shall be the nominating ballot, to be followed by succeeding formal ballots until a majority vote

of the members present elects. Only persons named on a nominating ballot shall be considered during a formal ballot, and any ballot cast in violation of this rule shall be considered void.

J. The standing committees shall be appointed by the Chairperson, in consultation with the Executive & Legislative Committee, subject to the approval of the Board. Committee appointments shall be presented for approval at the next meeting of the Board following the date of organization. The Executive & Legislative Committee shall meet at the call of the Chairperson as soon as practical after the organizational meeting to consult on committee appointments. After consultation, the new, tentative committees appointed by the Chairperson shall serve prior to approval by the Board during the period between the organizational meeting and the regular meeting in May, where consideration by the Board shall take place.

K. A chair, vice-chair and secretary for each committee shall be selected by each committee's membership.

L. If the position of chair on a committee becomes vacant, the vice-chair becomes chair and an election shall be held to fill the position of vice-chair and any other subsequent vacancies.

M. Removal of a supervisor from a committee. A supervisor may only be removed from a committee by the County Board Chairperson with the approval of the County Board by a two-thirds vote of the Board members present.

N. Resignation by supervisor from a committee. If a supervisor wishes to resign from a committee, permission must be requested from the Board. Permission of the Board can be given through unanimous consent or a motion that is debatable and amendable. Once the request is granted, the vacancy is handled as any other vacancy.

O. Matters Pertaining to Standing Committees of the Board:

1. A supervisor shall serve as a committee member until the first Board meeting following the spring election.

2. Whenever two or more committees meet jointly, a quorum of each committee participating in the joint meeting is required. A supervisor who serves on two or more of the committees may be counted toward a quorum of more than one of the committees meeting jointly. The joint committees shall vote to select one chair of one of the participating committees to serve as chair of the joint meeting.

3. Supervisors are expected to attend the committee meetings of the committees to which they are assigned. When a supervisor cannot attend a meeting, it is the responsibility of the supervisor to request excusal from the chair of the committee.

4. A County Board member attending a committee meeting of a committee on which they do not serve, shall be given the opportunity to address said committee at least once, for a period of time which is at least equal to the time allowed for individual speakers at public comment, provided the matter to be addressed is a matter that is on that committee's properly posted agenda. The decision to allow the supervisor to speak more than once is within the discretion of the chair of the committee. The chair's decision may be overruled by a majority vote of the committee.

5. Each committee shall, at its first meeting following the organizational meeting of the Board, select those officers required by Rule IV.L., and it shall thereafter be the responsibility of said officers to ensure that accurate, written minutes are made of each meeting of the committee and submitted to the County Clerk for filing. The presiding officer at any meeting shall ensure compliance with the Open Meetings Law.

6. Committee agenda format will be established in compliance with open meetings law and by the committee chair and secretary based on that respective committee's precedent.

P. Special committees, boards, special appointments and commissions shall be selected or appointed by the Chair with the approval of the Board. These committees, boards and commissions shall select their own chair. The Chair shall notify the supervisors of proposed appointments by United States Mail or email no later than the Thursday afternoon prior to the scheduled meeting of the Board at which the appointments will be voted upon. If an appointment is to be considered at a special meeting of the Board, the Chair shall provide notice by United States Mail or email no later than five days prior to the date of the special meeting.

Upon a motion and second, the Chair, or the Clerk, shall state the question on the motion, identifying the resolution or ordinance by its title and number, and reading the resolution in full. If the text of the resolution or ordinance has been distributed to members in advance, the chair may state the question without reading it in full, instead identifying the resolution by its designated title and number, by saying: It is moved and seconded to adopt the resolution relating to...., as printed." Any Supervisor has the right to have the motion or resolution read. After the question has been stated, the Chair shall call upon the maker of the motion who may defer to the chair of the appropriate committee, or an appropriate County staff person, for any statement or explanation.

B. In presenting business or debate, members shall address the Chair, be recognized, and when in order, proceed without any interruption. Debate and discussion should be limited to the agenda item under discussion. Discussion is intended to provide clarity on a given topic. In all cases, personalities are prohibited and civility shall be observed. In case more than one member shall seek recognition to address the Board or committee, the Chair shall decide who has precedence.

B. All regular meetings of the Board and Board committees shall provide a noticed public comment period. During a public comment period, any person who is not a member of the body may comment on a specific item or issue that is on that particular agenda for a maximum of three minutes per person. Discussion of personalities is prohibited and civility shall be observed. The Board or committee Chair may authorize the appearance and comment of a non-member if the appearance is specifically listed on the agenda.

D. Any member wishing to speak to a question shall be permitted to do so at least once, and a motion for the previous question shall not be in order until every member has had such

opportunity. No member may speak twice on any question until every member choosing to speak has spoken. The person making a motion and the second may speak for up to five (5) minutes during the first round of debate and all others shall be limited to three (3) minutes per round.

E. All supervisors present shall endeavor to vote but shall not be compelled to do so or be admonished by other members for not exercising their voting right. All members abstaining shall be deemed present for purposes of a quorum even if absence from the chambers is required. A member of the Board who has a conflict of interest pursuant to Wis. Stat. § 19.59 or Sauk Co. Code Ch. 36, Code of Ethics, shall, prior to the commencement of discussion or consideration of the matter, declare same and request to be excused by the Chair from the Board Room during discussion, consideration and voting on said matter. The Chair shall be excused by the Vice-Chair, for appropriate reasons.

F. Every motion shall be reduced to writing if called for by the Chair or any member of the Board. After motion is made and stated by the Chair, it shall be deemed to be in the possession of the Board, but may be withdrawn at any time before decision or amendment by a majority vote of the Board.

G. In every instance, a motion to adjourn, to lay on the table, for previous question and for limited debate shall be decided without discussion.

H. These rules may be suspended or amended by a two-thirds vote of all members present. Robert's Rules of Order Newly Revised, 2011 (11th) Edition, shall govern the proceedings of the Board in all cases to which they are applicable and in which they are not inconsistent with these Rules or the laws of the State of Wisconsin.

I. Except for resolutions approved as part of a consent agenda, all votes on resolutions or ordinances shall be recorded roll call votes. If the electronic voting system is not operational, the Board may, by a two-thirds vote, approve voice voting on any resolution that does not otherwise require a roll call or supermajority vote by law.

J. Any budget alterations shall require authorization by two-thirds of the membership of the Board in accordance with Wis. Stat. § 65.90(5).

K. When a motion has been made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for reconsideration thereof at the next regularly scheduled meeting or in the same meeting of the Board. Such motion shall take precedence over all other questions except a motion to adjourn.

L. Reports to the Board are presented for information and not debate, and shall be limited to ten minutes in length after which a question and answer period may be conducted that also shall not exceed ten minutes. The time provided for a report or question and answer period may be extended either during the approval of the agenda or by motion to extend the time allowed for the report or the question and answer period.

M. The Board shall take a ten-minute break after two hours of meeting, and shall break for ten minutes every two hours thereafter, for the comfort of supervisors and members of the public attending the meeting.

presented to the Board prior to annual publication in March of the following year. Supervisors who "ride along" with other supervisors may not claim mileage.

C. No current claim or account to be paid from funds previously appropriated for any item by the Board in the Budget shall be allowed, nor order passed whereby any money is paid out or expended, until said claim or account has been referred to the appropriate department committee and report made thereof as directed by said committee. Individual expenditures exceeding \$10,000 shall be specifically approved by the Board except as otherwise provided by ordinance or statute.
