RULES OF THE SAUK COUNTY BOARD OF SUPERVISORS (2024-2026)

[Last revised 01/11/2024]

RULE I – Organization

- A. As provided by statute, the Sauk County Board of Supervisors (“Board”) shall organize on the third Tuesday of April in even numbered years. Regular and special meetings of the Board shall be held and conducted in accordance with the provisions of Wis. Stat. § 59.11. The Board shall hold an annual meeting on the Tuesday after the second Monday of November in each year for the purpose of transacting business and the adoption of the budget. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.
- B. The Chair of the County Board (“Chair”), Vice-Chair, and 2nd Vice-Chair shall be elected biennially by the Board at the April meeting in even-numbered years. A majority vote of the total elected Supervisors is required to elect the Chair, Vice-Chair and 2nd Vice Chair (e.g. 31 districts in Sauk County, 16 votes required regardless of number of Supervisors in attendance at meeting). Furthermore, any Supervisor may request removal of the Chair or Vice-Chair and new elections for a new Chair, Vice-Chair, or both under item 13 of the regular Board meeting agenda, provided such request is placed with the County Clerk and County Administrator pursuant to the provisions of III. U. Such officers shall take office upon election. The meeting shall be chaired by the Corporation Counsel until a new Chair is elected. No Supervisor may be elected as Chair for more than three (3) consecutive terms.
- C. In addition to presiding at meetings, the supervisor elected Chair by the Board, pursuant to Rule I.B., shall upon election, assume all the responsibilities and perform all duties required of the Chair, pursuant to applicable State Statutes and these Rules, until the Board elects a successor.
- D. In case of the absence or inability of the Chair for any meeting, the Vice-Chair shall perform the duties of the Chair. In case of the absence or inability of both the Chair and Vice-Chair for any meeting, the 2nd Vice -Chair shall perform the duties of the Chair. In the absence of the Chair, Vice-Chair and 2nd Vice -chair, the members shall choose a temporary Chair by a majority vote of the members present. In the case of the permanent absence or inability of the Chair, the Vice-Chair shall become Chair, and a new Vice-Chair shall be elected by the Board.
- E. The Chair is authorized to attend meetings and conferences on matters related to county government and may direct the attendance of the Vice-Chair or some other members of the Board, either in place of the Chair, or along with the Chair, however per diem. shall not be payable unless authorized in accordance with Rule II, E. The Chair shall serve as the County’s voting delegate at the Annual Convention of the Wisconsin Counties Association. The Chair shall serve on the following: Madison Area Technical College Appointment Board, Western Wisconsin Technical College District Board, and WIRED Leadership Caucus.

If a vacancy occurs on the Board, the procedures set forth Wis. Stat. s. 59.10(3)(e) shall govern in filling said vacancy. A supervisor filling a vacancy shall not automatically be assigned to the same committees as his or her predecessor in office but may request particular assignments. The chair shall have the option of removing or replacing any or all committee assignments for a replacement supervisor including moving a minimal number of supervisors to different committees if it benefits the county. Reassignment of supervisors requires the express consent of each reassigned supervisor and approval by a majority of members voting on the reassignment. Replacement of a member of the Executive & Legislative Committee, shall require election by the Board.

- F. Supervisors appointed to special committees, boards, and commissions shall serve on those bodies only so long as they remain members of the Board unless a state statute or county ordinance provides otherwise. At the point in time that a supervisor is no longer a member of the Board, the position on the special committee, board, or commission shall be deemed vacant, and the Chair

shall appoint a new individual, who must be a member of the Board, to fill the unexpired term on the body. A former supervisor may only fill a citizen member position on a special committee, board or commission if the former supervisor's continued service will result in no diminution of representation on the body by members of the Board.

- G. A secret ballot may be used by the Board or a committee but only to elect an officer of the Board or the committee. When written ballots are used, except for secret ballots, supervisors shall indicate their vote by placing their district number on the reverse side of the ballot. The first ballot shall be the nominating ballot, to be followed by succeeding formal ballots until a majority vote of the members present elects. Persons nominated may address the Board for up to 3 minutes. Only persons named on a nominating ballot shall be considered during a formal ballot. A nominee may withdraw themselves from the ballot at any time after the initial ballot.
- H. The standing committees shall be appointed by the Chair, in consultation with the Executive & Legislative Committee, subject to the approval of the Board. Committee appointments shall be presented for approval at the next meeting of the Board following the date of organization. The Executive & Legislative Committee shall meet at the call of the Chair as soon as practical after the organizational meeting to consult on committee appointments. After consultation, the new, tentative committees appointed by the Chair shall serve prior to approval by the Board during the period between the organizational meeting and the regular meeting in May, where consideration by the Board shall take place.

The Board and its committees shall "sit with open doors," and timely notification of all public meetings, time, date, place and subject matter shall be given, including the specifics for any contemplated closed session.

Procedure

G. The Chair shall preserve order and decorum. The Chair may speak to points of order in preference to other members, and shall recite questions of order subject to an appeal to the Board by any two members, on which appeal no member shall speak more than once, unless by leave of the Board. He or she shall vote on all roll calls, except upon appeals from his or her own decision. The Chair may NOT participate in debate or discussion unless he or she steps down from the Chair and assumes their regular seat (the Vice-Chair would then run the meeting) then following the same rules as any other Supervisor.

- H. The Chair shall announce items as they arise on the agenda. With respect to a resolution or ordinance, the Chair shall ask if a member wishes to make a motion, and upon a motion, if there is a second. Upon a motion and second, the Chair, or the Clerk, shall state the question on the motion, identifying the resolution or ordinance by its title and number, and reading the resolution in full. If the text of the resolution or ordinance has been distributed to members in advance, the chair may state the question without reading it in full, instead identifying the resolution by its designated title and number, by saying: "It is moved and seconded to adopt the resolution relating to..., as printed." Any Supervisor has the right to have the motion or resolution read. After the question has been stated, the Chair shall call upon the maker of the motion who may defer to the chair of the appropriate committee, or an appropriate County staff person, for any statement or explanation.
- I. In presenting business or debate, members shall address the Chair, be recognized, and when in order, proceed without any interruption. Debate and discussion should be limited to the agenda item under discussion. Discussion is intended to provide clarity on a given topic. In all cases, personalities are prohibited and civility shall be observed. In case more than one member shall seek recognition to address the Board or committee, the Chair shall decide who has precedence.
- J. All regular meetings of the Board and Board committees shall provide a noticed public comment period. During a public comment period, any person who is not a member of the body may comment on a specific item or issue that is on that particular agenda for a maximum of three minutes per person. Based on the number of people registered to comment, the chair has discretion to limit public comment to two minutes and shall announce said restriction prior to public comments commencing. Any person who wishes to comment on a matter not on the County Board agenda shall provide their comment to the County Clerk in writing for possible distribution to the Board. Discussion of personalities is prohibited and civility shall be observed. The Board or committee Chair may authorize the appearance and comment of a non-member if the appearance is specifically listed on the agenda.
- K. Any member wishing to speak to a question shall be permitted to do so at least once, and a motion for the previous question shall not be in order until every member has had such opportunity. No member may speak twice on any question until every member choosing to speak has spoken. The person making a motion and the second may speak for up to five (5) minutes during the first round of debate and all others shall be limited to three (3) minutes per round.
- L. All Supervisors present in person and remotely are expected to vote on all questions and items put before the Board or Committee. A Supervisor who has a conflict of interest pursuant to Wis. Stat. § 19.59 or Sauk Co. Code Ch. 36, Code of Ethics, shall, prior to the commencement of discussion or consideration of the matter, or as soon thereafter as the conflict of interest is discovered, declare the same. The Chair shall be excused by the Vice-Chair, for appropriate reasons. A Supervisor who chooses to abstain from voting for any other reason should likewise, prior to the commencement of discussion or consideration of the matter, declare that they will be abstaining. All members abstaining shall be deemed present for purposes of a quorum even if absence from the chambers is required.
- M. Every motion shall be reduced to writing if called for by the Chair or any member of the Board. After motion is made and stated by the Chair, it shall be deemed to be in the possession of the Board, but may be withdrawn at any time before decision or amendment by a majority vote of the Board.
- N. In every instance, a motion to adjourn, to lay on the table, for previous question and for limited debate shall be decided without discussion.
- O. Except for resolutions approved as part of a consent agenda, all votes on resolutions or ordinances shall be recorded roll call votes. If the electronic voting system is not operational, the Board may, by a two-thirds vote, approve voice voting on any resolution that does not otherwise require a roll call or supermajority vote by law.

- P. Any budget alterations shall require authorization by two-thirds of the membership of the Board in accordance with Wis. Stat. § 65.90(5).
- Q. When a motion has been made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for reconsideration thereof at the next regularly scheduled meeting or in the same meeting of the Board. Such motion shall take precedence over all other questions except a motion to adjourn.
- R. Reports to the Board are presented for information and not debate, and shall be limited to ten minutes in length after which a question and answer period may be conducted that also shall not exceed ten minutes. The time provided for a report or question and answer period may be extended either during the approval of the agenda or by motion to extend the time allowed for the report or the question and answer period.

All business referred to a committee by the Board shall be taken up before the next regular Board meeting whenever possible. The Board may, by majority vote, recall any matter referred to a committee and refer the matter to another committee or take other appropriate action thereon. A Supervisor wishing to so recall an item from Committee must notify the County Administrator by the time set forth in III. A. so the proposed action may be properly included on the Board agenda. Supervisors are strongly encouraged to consider the recommendation of the committee prior to requesting a proposed resolution or item be placed on the agenda as the lack of committee support would be indicative of the proposed resolution's or item's feasibility.

- V. Items may be included on the general consent portion of the agenda provided the matter was unanimously adopted by the sponsoring committee and the matter under consideration has no financial or public policy impact and is of a non-controversial nature. No ordinance shall be included in the general consent portion of the agenda. Any item placed on the general consent portion of the agenda may be placed under the new business portion of the agenda, and considered separately, upon the request of any supervisor, and without a motion and second, provided such request is made prior to a vote on the general consent portion of the agenda by the Board. If there is no objection to any item, the Chair will request a motion to approve the general consent portion of the agenda. All items in the general consent portion of the agenda may be approved by voice vote. Any member may request and shall be granted a recorded vote without a motion or second provided such request is made prior to the Chair's request for a motion to approve the consent agenda.

- W.
