RULES OF THE SAUK COUNTY BOARD OF SUPERVISORS (2024-2026)

[Last revised 01/21/2025]

RULE I – Organization

- A. As provided by statute, the Sauk County Board of Supervisors (“Board”) shall organize on the third Tuesday of April in even numbered years. Regular and special meetings of the Board shall be held and conducted in accordance with the provisions of Wis. Stat. § 59.11. The Board shall hold an annual meeting on the Tuesday after the second Monday of November in each year for the purpose of transacting business and the adoption of the budget. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.
- B. The Chair of the County Board (“Chair”), Vice-Chair, and 2nd Vice-Chair shall be elected biennially by the Board at the April meeting in even-numbered years. A majority vote of the total elected Supervisors is required to elect the Chair, Vice-Chair and 2nd Vice Chair (e.g. 31 districts in Sauk County, 16 votes required regardless of number of Supervisors in attendance at meeting). Furthermore, any Supervisor may request removal of the Chair or Vice-Chair and new elections for a new Chair, Vice-Chair or both under item 13 of the regular Board meeting agenda, provided such request is placed with the County Clerk and County Administrator pursuant to the provisions of III. U. Such officers shall take office upon election. The meeting shall be chaired by the Corporation Counsel until a new Chair is elected. No Supervisor may be elected as Chair for more than three (3) consecutive terms.
- C. In addition to presiding at meetings, the supervisor elected Chair by the Board, pursuant to Rule I.B., shall upon election, assume all the responsibilities and perform all duties required of the Chair, pursuant to applicable State Statutes and these Rules, until the Board elects a successor.
- D. In case of the absence or inability of the Chair for any meeting, the Vice-Chair shall perform the duties of the Chair. In case of the absence or inability of both the Chair and Vice-Chair for any meeting, the 2nd Vice -Chair shall perform the duties of the Chair. In the absence of the Chair, Vice-Chair and 2nd Vice -chair, the members shall choose a temporary Chair by a majority vote of the members present. In the case of the permanent absence or inability of the Chair, the Vice-Chair shall become Chair, and a new Vice-Chair shall be elected by the Board.
- E. The Chair is authorized to attend meetings and conferences on matters related to county government and may direct the attendance of the Vice-Chair or some other members of the Board, either in place of the Chair, or along with the Chair, however per diem. shall not be payable unless authorized in accordance with Rule II, E. The Chair shall serve as the County’s voting delegate at the Annual Convention of the Wisconsin Counties Association. The Chair shall serve on the following: Madison Area Technical College Appointment Board, Western Wisconsin Technical College District Board, and WIRED Leadership Caucus.

If a vacancy occurs on the Board, the procedures set forth Wis. Stat. s. 59.10(3)(e) shall govern in filling said vacancy. A supervisor filling a vacancy shall not automatically be assigned to the same committees as his or her predecessor in office but may request particular assignments. The chair shall have the option of removing or replacing any or all committee assignments for a replacement supervisor including moving a minimal number of supervisors to different committees if it benefits the county. Reassignment of supervisors requires the express consent of each reassigned supervisor and approval by a majority of members voting on the reassignment. Replacement of a member of the Executive & Legislative Committee, shall require election by the Board.

- F. Supervisors appointed to special committees, boards, and commissions shall serve on those bodies only so long as they remain members of the Board unless a state statute or county ordinance provides otherwise. At the point in time that a supervisor is no longer a member of the Board, the position on the special committee, board, or commission shall be deemed vacant, and the Chair shall appoint a new individual, who must be a member of the Board, to fill the unexpired term on the body. A former supervisor may only fill a citizen member position on a special committee, board or commission if the former supervisor’s continued service will result in no diminution of representation on the body by members of the Board.
- G. A secret ballot may be used by the Board or a committee but only to elect an officer of the Board or the committee. When written ballots are used, except for secret ballots, supervisors shall indicate their vote by placing their district number on the reverse side of the ballot. The first ballot shall be the nominating ballot, to be followed by succeeding formal ballots until a majority vote of the members present elects. Persons nominated may address the Board for up to 3 minutes. Only persons named on a nominating ballot shall be considered during a formal ballot. A nominee may withdraw themselves from the ballot at any time after the initial ballot.
- H. The standing committees shall be appointed by the Chair, except for the Executive and Legislative Committee which is formed as set forth below, subject to the approval of the Board. Committee appointments shall be presented for approval at the next meeting of the Board following the date of organization. The new, tentative committees appointed by the Chair shall serve prior to approval by the Board during the period between the organizational meeting and the meeting where consideration by the Board shall take place.

Any person who wishes to comment on a matter not on the County Board agenda shall provide their comment to the County Clerk in writing for possible distribution to the Board. Discussion of personalities is prohibited and civility shall be observed. The Board or committee Chair may authorize the appearance and comment of a non-member if the appearance is specifically listed on the agenda.
- K. Any member wishing to speak to a question shall be permitted to do so at least once, and a motion for the previous question shall not be in order until every member has had such opportunity. - O. Except for resolutions approved as part of a consent agenda, all votes on resolutions or ordinances shall be recorded roll call votes. - Q. When a motion has been made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for reconsideration thereof at the next regularly scheduled meeting or in the same meeting of the Board. The Board may, by majority vote, recall any matter referred to a committee and refer the matter to another committee or take other appropriate action thereon. A Supervisor wishing to so recall an item from Committee must notify the County Administrator by the time set forth in III. A. so the proposed action may be properly included on the Board agenda. Supervisors are strongly encouraged to consider the recommendation of the committee prior to requesting a proposed resolution or item be placed on the agenda as the lack of committee support would be indicative of the proposed resolution's or item's feasibility.

- V. Items may be included on the general consent portion of the agenda provided the matter was unanimously adopted by the sponsoring committee and the matter under consideration has no financial or public policy impact and is of a non-controversial nature. No ordinance shall be included in the general consent portion of the agenda. When the general consent portion of the agenda is placed before the Board for consideration, the Chair shall ask if any member of the Board objects to any item being considered by general consent. Any item placed on the general consent portion of the agenda may be placed under the new business portion of the agenda, and considered separately, upon the request of any supervisor, and without a motion and second, provided such request is made prior to a vote on the general consent portion of the agenda by the Board. If there is no objection to any item, the Chair will request a motion to approve the general consent portion of the agenda. All items in the general consent portion of the agenda may be approved by voice vote. Any member may request and shall be granted a recorded vote without a motion or second provided such request is made prior to the Chair's request for a motion to approve the consent agenda.
- W. It shall be the responsibility of the sponsoring committee or supervisor to have the matter prepared in the form to be acted on and to have a fiscal note attached. All resolutions involving the expenditure or receipt of funds shall carry a fiscal note using a form approved by the Finance Committee which details the resolution's impact upon County finances approved and initialed by the Finance Director, Finance Manager or County Administrator. In addition to the fiscal note, all resolutions shall contain a Management Information Systems (MIS) Note, and shall be reviewed by Corporation Counsel and approved as to form prior to inclusion in the agenda. A resolution lacking a fiscal note, MIS note, or legal review by Corporation Counsel shall not be considered by the Board. The background clause of any resolution or ordinance shall contain information sufficient to provide the purpose and need for the resolution or ordinance.
- X. The Chair may immediately refer any matter not considered and reported to the Board by a committee to the appropriate committee without motion if there is no objection to referral. If objection is made, referral of the matter shall be immediately placed before the Board for vote and shall only be referred upon a majority vote of the members present and voting. Resolutions brought forward by individual supervisors must be presented to all committees having jurisdiction over the proposed matter as detailed above.
- Y. The County Board shall send a special advisory referendum question, pursuant to Wisconsin State statute 59.52(25), to the County Clerk for placement on the next spring or fall ballot only if a supervisor submits the question in writing to the Board not less than one-hundred-twenty (120) days prior to the date of the next election and the question is approved for ballot placement by a two-thirds (2/3rds) vote of the Board.
