**Law Enforcement Agency:** In-depth conversation on decision points and how decisions are made; including systems that are in place currently to help make those decisions and new system idea's and trainings that would improve decision making at different junctions. Training ideas are: Trauma Training as well as Addiction and Mental Health Training for Law Enforcement Officers. Information is filled into working system table and decision is made to collect data on who is currently being arrested and why.

Chief Strunz of Sauk Prairie Police Department and R. Laatsch from the Sheriff's Department will assist J. Krueger in collecting this data before the next meeting. This will be evaluated at the next meeting when we begin to look at the question "Are we arresting the right people" and what evidence supports the intended outcome of these arrests? The Hawaiian Proxy tool is discussed including how it is used and why it is used.

**Public Comment:** None
