Safety and Justice Challenge Grant: J. Krueger reports that Sauk County was not chosen for this grant opportunity; however, the Mc Arthur Foundation did send a letter reporting that due to the overwhelming response of "191 jurisdictions spanning 45 states" they would be creating a plan to provide support and possibly additional grant funding to the jurisdictions that were not chosen. J. Krueger will keep the team informed on future activity.

Krueger reports on some conversations that have been had with the Sheriff's Department regarding preparing a proposal to expand the Huber Community Service Program to a County wide program. There is discussion on assigning this topic to a subcommittee and there is a **motion by Laatsch, second by Evenson to assign this topic to the Court Management Subcommittee chaired by Deb O'Rourke. Motion carried.** K. Laatsch also assigns agent Stephanie Johnson to represent probation on this subcommittee.

Subcommittee Updates:

Discussions are still circulating regarding the "opt out" piece and the subcommittee will keep the council up to date.
- 2. Court Case Management/Data Collection** – S. Alexander reports that the OAR/OWL Diversion Program is implemented and started on 6/15/15. It is reported that the subcommittee will keep the council updated on program progress and will also begin brainstorming their next research area at their next meeting. These will be reviewed and referred to the DA if appropriate for the OAR/OWL Diversion Program.

Eau Claire County will be providing a presentation at the September Chief’s Association meeting on the Hawaiian Proxy which they use. The CJCC will be invited to attend this presentation.
