**OAR/OWL Diversion Program:** There have been twelve referrals to the OAR/OWL program; one from Reedsburg PD and eleven from the District Attorney's office. One participant is scheduled to start active case management on August 11<sup>th</sup>.

**Brainstorming:** The group actively discusses the criminal justice population, trauma, and restorative justice principles. The topic of re-entry has not been evaluated as of yet, and therefore, the group decides to actively research this topic. The group also discusses prevention and its importance as the "foundation" of initiatives we look at. It is determined that to narrow down the scope of research, J. Krueger will reach out to other CJCC's to inquire on what re-entry initiatives have been tried, successful, and/or not successful and bring this information back to the next meeting.

**Next meeting date and agenda items:**

- 1. OAR/OWL Program Update**
- 2. Re-Entry Initiatives**

**Public Comment:** Daniel Holzman – Thankful for the work of this group and the CJCC.
