Community Service Program: Discussion on program framework including: one centralized contact for programming, developing a list of resources, \$10.00 per hour, juveniles authorized to work off all of their fines, and HS will only have the resources to work with those juveniles who are also involved with a social worker through HS. At the request of probation, it is agreed that we will "pilot" a version of this community service program with probation now. The outline for this "pilot" is that it will only be used for probationers that are within six months of completing probation with a max reduction of \$250.00 at a rate of \$10.00 per hour. The probation agents, probation field supervisor, and CJ coordinator will work together to begin a list of resources and documentation ensuring continuity. **Motion by Evenson, second by Laatsch to approve this pilot as described. Motion carried.**

Motion was approved to adjourn the meeting by Evenson, second by Bindl. Motion carried.
