Kristine Dejanovich, Area Coordinator from the Department of Human Services, shared ideas on how to expand membership and agreed to share information from the Elder Justice Initiative including an I-Team guide and tool-kit. Adult Protective Services staff: Bishop, Fenske, and Sorenson agreed to contact community partners including Sauk County Aging and Disability Resource Center staff, Sauk County Veteran Services officer, local clergy, postal workers, financial institutions, and emergency medical services and report back to the I-Team regarding potential members.
