Public Comment:

- Great job on article for CJCC. Moving forward in the right direction. Biggest challenge is that there are 2.2 million people locked in prison, and the prison system is a failure due to high recidivism rates (31.3%). The state has a racism problem, and it is good that we are doing something. Keep doing good work, and invest in education.
- Sheriff's budget cut – hopefully money can be used to encourage CJCC programs.
- Discussion of Amanda Chestnut – ACE Report.

Communications:

- John Miller discussed Stepping Up Initiative.

Stepping Up – Module 3 Review of Table 1

- Review Chart – lacking jail data but a lot of good activity.

Stepping Up – Module 3 Table 2 – Brainstorming Exercise
