9. Update on Sauk County law enforcement data management system

Data use for analysis- Judge from Lange.

Lange discussed system collaboration- 2018 SCSD started looking at new software. Used to have Zurchier, now have Central Square Pro. All law enforcement and Fire departments will be soon able to move data. Old records converted was challenging with some things. Integration with other departments did not happen.

10. Committee Reports

a. Adult Justice Systems:

Dan discussed quorum problems for AJS, decision discussed. Judge discussed concerns about open meetings law. Judge Screnock discusses the need to talk to Corp. Counsel.

b. Juvenile Justice Systems:

Also having quorum problems.

c. Victims Focus Committee:

Working on CCA testing equipment. Physical space is set up. Mike Albrecht spoke about the space, not an issue. Not a bad idea for more neutral setting.
