

Veterans are invited to sign up now for a major hiring event hosted by the Department of Veteran Affairs at the Detroit's COBO Center at One Washington Boulevard on June 26-28, 2012. This event is more than just a typical job fair. Career opportunities located in Michigan, Wisconsin, Indiana, Illinois, Ohio, Pennsylvania and New York will be offered to Veterans by federal, public and private employers. Onsite interviews will be conducted.

Veterans are encouraged to visit the *VA for Vets* Career Center at www.VAforVets.VA.gov/Detroit and contact a *VA for Vets* Coach at 1-855-VA4VETS to prepare in advance for this hiring event. Through *VA for Vets*, Veterans can receive one-on-one coaching, assistance translating military skills into civilian qualifications, help building a federal resume and advice for preparing for interviews.
