RULES OF THE SAUK COUNTY BOARD OF SUPERVISORS
As adopted by the Sauk County Board of Supervisors on April 15, 2014
***As amended by the Sauk County Board of Supervisors on July 15, 2014**

RULE I. BOARD ORGANIZATION AND MEETINGS.

A. As provided by statute, the Sauk County Board of Supervisors (“Board”) shall organize on the third Tuesday of April in even numbered years and adopt rules and regulations for the ensuing term. Regular and special meetings of the Board shall be held and conducted in accordance with the provisions of Wis. Stat. § 59.11. The Board shall hold an annual meeting on the Tuesday after the second Monday of November in each year for the purpose of transacting business and the adoption of the budget. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day.

B. The Chairperson of the County Board (“Chair”) and Vice-Chairperson (“Vice-Chair”) shall be elected biennially by the Board at the April meeting in even-numbered years. Such officers shall take office upon election.

C. The Board shall meet regularly in the County Board Room on the third Tuesday of each month except as provided in Rule I.A. above. Regular meetings of the full Board shall commence at 6:00 P.M. Any vote to adjourn to a different time or place for convening a regular meeting shall require approval by two-thirds of the members present.

D. The Chair shall preserve order and decorum. The Chair may speak to points of order in preference to other members, and shall recite questions of order subject to an appeal to the Board by any two members, on which appeal no member shall speak more than once, unless by leave of the Board. He or she shall vote on all roll calls, except upon appeals from his or her own decision. The Chair may participate in debate following the same rules as any other supervisor.

E. The Board aspires to encourage appropriate dress by board members that reflects the professionalism of the Board. Business casual or more formal attire is encouraged.

F. All comments, debates and discussions shall be appropriate and to the point of the topic under discussion, and conducted in a manner that is civil, and respectful of all concerned.

RULE II. AGENDA.

A. The order of business of Board meetings shall be as stated on the agenda for each session. The agenda shall be the responsibility of the Chair with the assistance of the Administrative Coordinator and the County Clerk and be circulated to the Board not less than two days before each meeting.

B. The format for the agenda at the April organizational meeting held in even-numbered years shall be as follows:

1. Call to order.
2. Invocation and pledge of allegiance.
3. Verification of credentials and roll call.
4. Administration of oath of office.
5. Adoption of Rules of the Board.
6. Adoption of agenda.
7. Approval of the minutes of the previous meeting.
8. Designation of official newspaper.
9. Election of a Chair and Vice-Chair.
10. Election of at-large members of Executive & Legislative Committee.
(Proceed in accordance with regular meeting agenda, see II.C. 6. through 15.)

C. Regular Meeting Agenda.

1. Call to order.
2. Roll call.
3. Invocation and pledge of allegiance.
4. Adoption of agenda.
5. Approval of the minutes of previous meeting.
6. Scheduled appearances included on the agenda.

7. Public comment with each speaker limited to no more than three minutes.
8. Communications.
9. Appointments, bills, referrals, claims, and elections.
10. Proclamations.
11. Unfinished business.
12. Reports (Informational - no action required).
13. General consent agenda items.
14. New business.
15. Adjournment.

RULE III. RESOLUTIONS AND ORDINANCES.

A. In order to provide advance notice to the Board, all items to be included on the agenda shall be submitted to the Office of the Administrative Coordinator by the Tuesday preceding the meeting, and any item substantially affecting matters within the jurisdiction of a standing committee of the Board shall first be reviewed by the appropriate committee prior to its presentation to the Board, except under emergency conditions so declared and approved by a majority vote of the Board; any person seeking to have an item presented for possible action on an emergency basis shall be responsible to have the Chair authorize compliance with the Open Meetings Law in a timely fashion.

B. Items may be included on the general consent portion of the agenda provided the matter was unanimously adopted by the sponsoring committee and the matter under consideration has no financial or public policy impact and is of a non-controversial nature. No ordinance shall be included in the general consent portion of the agenda. When the general consent portion of the agenda is placed before the Board for consideration, the Chair shall ask if any member of the Board objects to any item being considered by general consent. Any item placed on the general consent portion of the agenda may be placed under the new business portion of the agenda, and considered separately, upon the request of any supervisor, and without a motion and second, provided such request is made prior to a vote on the general consent portion of the agenda by the Board. If there is no objection to any item, the Chair will request a motion to approve the general consent portion of the agenda, and the regular procedures for adoption of a resolution shall apply to the general consent portion of the agenda. All the resolutions considered by general consent shall be adopted by the vote on that portion of the agenda.

C. It shall be the responsibility of the sponsoring committee or supervisor to have the matter prepared in the form to be acted on and to have a fiscal note attached. All resolutions involving the expenditure or receipt of funds shall carry a fiscal note using a form approved by the Finance Committee which details the resolution's impact upon County finances. A resolution which does not have attached a fiscal note approved and initialed by the County Controller shall not be considered by the Board until such a note is provided. All resolutions shall contain a Management Information Systems note. All resolutions shall be reviewed by the Corporation Counsel and approved as to form prior to inclusion in the agenda.

D. Any subject that comes before the Board without a committee recommendation or resolution may be referred to the appropriate committee by the Chair without motion. Resolutions brought forward by individual supervisors must be presented to all committees having jurisdiction over the proposed matter. Except under emergency conditions as provided in Rule III. A., only after at least one committee having jurisdiction over the matter has approved the resolution shall it be in order for the Board to consider the resolution.

RULE IV. ORGANIZATION.

A. In addition to presiding at meetings, the supervisor elected Chair by the Board, pursuant to Rule I.B., shall upon election, assume all the responsibilities and perform all duties required of the Chair, until the Board elects a successor.

B. In case of the absence or inability of the Chair for any meeting, the Vice-Chair shall perform the duties of the Chair. In case of the absence or inability of both the Chair and Vice-Chair for any meeting, the members shall choose a temporary Chair by a majority vote of the members present. In the case of the permanent absence or inability of the Chair, the Vice-Chair shall become Chair, and a new Vice-Chair shall be elected by the Board.

C. The Chair is authorized to attend meetings and conferences on matters related to county government and may direct the attendance of the Vice-Chair or some other members of the Board, either in place of the Chair, or along with the Chair, however per diem shall not be payable unless authorized in accordance with Rule V.A. The Chair shall serve as the County's voting delegate at the Annual Convention of the Wisconsin Counties Association. The Chair shall serve on the following: Madison Area Technical College Appointment Board, Western Wisconsin Technical College District Board, and WIRED Leadership Caucus.

D. If a vacancy occurs on the Board, the Chair is authorized to appoint a qualified elector of the supervisory district wherein the vacancy occurs to fill the unexpired term. Such appointment shall be subject to approval of the Board at the next regular Board meeting following appointment by the Chair. A supervisor filling a vacancy shall automatically be assigned to the same committees as his or her predecessor in office with the exception of a member of the Executive & Legislative Committee which shall be elected by the Board.

E. Supervisors appointed to special committees, boards, and commissions shall serve on those bodies only so long as they remain members of the Board unless a state statute or county ordinance provides otherwise. At the point in time that a supervisor is no longer a member of the Board, the position on the special committee, board, or commission shall be deemed vacant, and the Chair shall appoint a new individual, who must be a member of the Board, to fill the unexpired term on the body. A former supervisor may only fill a citizen member position on a special committee, board or commission if the former supervisor's continued service will result in no diminution of representation on the body by members of the Board.

F. The Administrative Coordinator shall attend Board meetings.

G. The Corporation Counsel shall attend Board meetings and serve as parliamentarian and legal advisor to the Board.

H. A minimum of one day of education for members of the Board shall be set by the Chair, said day of education to be held every two years. The Chair may set additional days of education for Board members.

I. The Board may choose to have a special meeting of the Board prior to April of odd-numbered years for the purpose of planning, and the Board may adopt a two-year plan for the purpose of establishing goals and objectives for the Board through the ensuing two-year Board term. It is understood that the two-year plan is simply a planning document and has no power to bind the actions of the Board or individual supervisors.

J. Supervisors are required by law to sign or indicate their vote on any question presented to the Board, except in an election when voting for chairperson or vice-chairperson of the Board or the officers of another governing body. When written ballots are used, supervisors shall indicate their vote by placing their district number on the reverse side of the ballot. In any election by the Board, the first ballot shall be the nominating ballot, to be followed by succeeding formal ballots until a majority vote of the members present elects. Only persons named on a nominating ballot shall be considered during a formal ballot, and any ballot cast in violation of this rule shall be considered void.

K. The standing committees shall be appointed by the Chairperson, in consultation with the Executive & Legislative Committee, subject to the approval of the Board. Committee appointments shall be presented for approval at the next meeting of the Board following the date of organization. The Executive & Legislative Committee shall meet at the call of the Chairperson as soon as practical after the organizational meeting to consult on committee appointments. After consultation, the new, tentative committees appointed by the Chairperson shall serve prior to approval by the Board during the period between the organizational meeting and the regular meeting in May, where consideration by the Board shall take place.

L. A chair, vice-chair and secretary for each committee shall be selected by each committee's membership.

M. If the position of chair on a committee becomes vacant, the vice-chair becomes chair and an election shall be held to fill the position of vice-chair and any other subsequent vacancies.

N. Removal of a supervisor from a committee. A supervisor may only be removed from a committee by the County Board Chairperson with the approval of the County Board by a two-thirds vote of the Board members present.

O. Resignation by supervisor from a committee. If a supervisor wishes to resign from a committee, permission must be requested from the Board. Permission of the Board can be given through unanimous consent or a motion that is debatable and amendable. Once the request is granted, the vacancy is handled as any other vacancy.

P. Matters Pertaining to Standing Committees of the Board:

1. A supervisor shall serve as a committee member until the first Board meeting following the spring election.
2. Whenever two or more committees meet jointly, a quorum of each committee participating in the joint meeting is required. A supervisor who serves on two or more of the committees may be counted toward a quorum of more than one

of the committees meeting jointly. The joint committees shall vote to select one chair of one of the participating committees to serve as chair of the joint meeting.

3. Supervisors are expected to attend the committee meetings of the committees to which they are assigned. When a supervisor cannot attend a meeting, it is the responsibility of the supervisor to request excusal from the chair of the committee.
4. A County Board member attending a committee meeting of a committee on which they do not serve, shall be given the opportunity to address said committee at least once, for a period of time which is at least equal to the time allowed for individual speakers at public comment, provided the matter to be addressed is a matter that is on that committee's properly posted agenda. If enough supervisors who are not on that committee attend so as to constitute an unnoticed quorum of the County Board or any other committee, board, or commission of the County, the non-committee members attending are not permitted to address the committee at that meeting because to do so would violate the Open Meetings Law. The decision to allow the supervisor to speak more than once is within the discretion of the chair of the committee. The chair's decision may be overruled by a majority vote of the committee.
5. A County Board member may be excluded from a closed session of a committee of the Board by a majority vote of the committee if the closed session directly concerns the county board member, a relative of the county board member, or someone maintaining a confidential relationship with the county board member. For purpose of this rule, the term "relative" includes aunt, brother, child, daughter-in-law, father-in-law, first cousin, foster child, grandparent, mother-in-law, nephew, niece, parent, sister, son-in-law, spouse or person in a marriage-like relationship, stepbrother, stepchild, stepparent, stepsister, or uncle. The term "confidential relationship" includes professional relationships, such as those between attorney and client, medical provider and patient, or religious counselor and petitioner; personal relationships, such as those in which there is a long personal friendship and mutual trust between the parties; and legal relationships, such as those where the member is an employee, official, or officer of an adverse party in a legal matter. This rule is not meant to restrict any other power that the Board may have with respect to exclusion of members or personal decisions by individuals to excuse him or herself for ethical reasons.
6. Each committee shall, at its first meeting following the organizational meeting of the Board, select those officers required by Rule IV.L., and it shall thereafter be the responsibility of said officers to ensure that accurate, written minutes are made of each meeting of the committee and submitted to the County Clerk for filing. The presiding officer at any meeting shall ensure compliance with the Open Meetings Law.
7. No more than one supervisor may serve on both the Finance and the Personnel Committee.

Q. Special committees, boards, special appointments and commissions shall be selected or appointed by the Chair with the approval of the Board. These committees, boards and commissions shall select their own chair. The Chair shall notify the supervisors of proposed appointments by United States Mail no later than the Thursday afternoon prior to the scheduled meeting of the Board at which the appointments will be voted upon. If an appointment is to be considered at a special meeting of the Board, the Chair shall provide notice by United States Mail no later than five days prior to the date of the special meeting.

R. As far as practicable and with prior chair approval, standing and special committee members may participate in committee meetings via telephonic conferencing, however those members appearing by phone for meetings that take place within Sauk County will not count toward quorum, may not vote, and shall not receive per diem compensation. At no time shall more than one committee member be participating by telephone. Upon prior approval by the Executive and Legislative Committee, committee members may count toward quorum, may vote and are eligible to receive per diem compensation for telephonic meetings where the committee meeting is convened outside of Sauk County.

RULE V. COMPENSATION.

A. Supervisors shall be authorized up to a maximum of 90 days' compensation (at a per diem rate of \$60.00 for each day of attendance when the Board is in session and meetings, and \$50.00 for other authorized service including committee meetings), plus mileage and reimbursement of authorized expenses, for committee work when attending committee meetings of which they are members, or as chair of a committee (or their designee) when attending a committee meeting of which they are not a member for the purpose of providing testimony on an issue. Authorized service includes service required by ordinance or resolution. The maximum limits established for committee work shall be in addition to the per diems and mileage supervisors are entitled to receive for attendance at meetings of the Board and exclusive of per diems paid by non-county boards or commissions where the payment of the per diem or mileage is not made from County funds.

B. As provided by Wis. Stat. § 59.13(2), no supervisor shall be allowed pay for committee service while the Board is in session, but the Board may authorize payment of per diem, mileage and reimbursement for other expenses for attendance at any school, institute or meeting which the Board directs them to attend. Each standing committee is specifically authorized to send up to two (2) members to up to two (2) conventions (including conferences and other trainings) per County fiscal year. The convention cannot exceed three (3) days or be farther than three hundred (300) miles. All other requests require approval by a majority of the Board. Wis. Stat. § 59.13(2).

C. Any increase in the number of days of committee work for which supervisors may be paid compensation and mileage in any year shall require approval by two-thirds vote of the members of the Board present, prior to payment. In addition to the above, the Chair shall receive compensation for performance of the duties of that office. The Chair is authorized to act as a member of all committees in an ex officio capacity, and per diem shall be paid under this rule for attendance at all committee meetings attended by the Chair.

D. The supervisor elected Chair shall be entitled to receive the compensation provided for the part-time position of Chair consisting of a salary of \$400.00 per month in addition to any other per diem and mileage entitlement available to other supervisors in accordance with Rule V.A., as provided by Sauk Co. Code § 35.03.

RULE VI. PROCEDURE.

A. After the County Clerk has read a proposed resolution or ordinance, and the resolution or ordinance is properly on the floor, the Chair shall call upon the maker of the motion who may defer to the chair of the appropriate committee, or an appropriate County staff person, for any statement or explanation. All resolutions and ordinances which have been made available to supervisors shall be read by title and resolve or ordained clause only, unless otherwise required. The Board may vote to dispense with the reading of a particular resolve or ordained clause if said clause is particularly voluminous and the resolution or ordinance has been included in written form within the agenda and provided to supervisors in advance. Legal descriptions need not be read, provided the resolution or ordinance has been provided within the agenda and provided to supervisors in advance.

B. In presenting business or debate, members shall address the Chair, be recognized, and when in order, proceed without any interruption. Any person, not a Board member, may address the Board for a period of time not to exceed three minutes during the public comment period indicated on the agenda. A request to speak at any other time by any person, not a Board member, must be approved by two-thirds vote of supervisors present. The Chair may authorize the appearance of a person not a member of the Board if the appearance is included in the agenda. In all cases, personalities shall be avoided and propriety observed. In case more than one member shall seek recognition to address the Board, the Chair shall decide who has precedence.

C. Any member wishing to speak to a question shall be permitted to do so at least once, and a motion for the previous question shall not be in order until every member has had such opportunity. No member may speak twice on any question until every member choosing to speak has spoken; nor shall any member, or other person, speak more than three minutes upon being recognized on a question.

D. All members present in the assembly hall when the question is put shall be required to vote unless the Chair, for appropriate reasons, shall excuse any member. All motions to excuse a member from voting shall be made before the Board divides, or before a call of ayes or nays is commenced, and the question shall then be taken without further debate. A member of the Board who has a conflict of interest pursuant to Wis. Stat. § 19.59 or Sauk Co. Code Ch. 36, Code of Ethics, shall, prior to the commencement of discussion or consideration of the matter, declare same and request to be excused by the Chair from the Board Room during discussion, consideration and voting on said matter. The Chair shall be excused by the Vice-Chair, for appropriate reasons.

E. Every motion shall be reduced to writing if called for by the Chair or any member of the Board. After motion is made and stated by the Chair, it shall be deemed to be in the possession of the Board, but may be withdrawn at any time before decision or amendment.

F. In every instance, a motion to adjourn, to lay on the table, for previous question and for limited debate shall be decided without discussion.

G. These rules may be suspended or amended by a two-thirds vote of all members present. Robert's Rules of Order Newly Revised, 2011 (11th) Edition, shall govern the proceedings of the Board in all cases to which they are applicable and in which they are not inconsistent with these Rules or the laws of the State of Wisconsin.

H. All votes on resolutions or ordinances shall be recorded roll call votes. If the electronic voting system is not operational, the Board may, by a two-thirds vote, approve voice voting on any resolution which does not otherwise require a roll call or supermajority

vote by law.

I. Any budget alterations shall require authorization by two-thirds of the membership of the Board, except that the Finance Committee may authorize transfers of funds between budgeted items of an individual office, department or activity which have been separately appropriated by the Board in its budget, in accordance with Wis. Stat. § 65.90(5).

J. When a motion has been made and carried in the affirmative or negative, it shall be in order for any member of the majority to move for reconsideration thereof on the same or succeeding day, but in no case at a subsequent meeting of the Board. Such motion shall take precedence over all other questions except a motion to adjourn.

RULE VII. FINANCIAL POLICY.

A. The Chair and the County Clerk shall issue County orders in favor of the several County offices for their respective salaries and for all bills allowed and appropriations made by this Board.

B. All members of the Board who are to be reimbursed for committee work shall submit vouchers to the County Clerk on a monthly basis, to be placed on file with other current claims or accounts to be authorized for payment at regular Finance Committee meetings. Per diem and mileage paid Board members through any calendar year shall be compiled in the Accounting Department and approved by the Board prior to annual publication in March of the following year.

C.
