### **WISCONSIN DELLS COVID TESTING EVENT RESCHEDULED FOR JULY 29<sup>TH</sup> AND 30<sup>TH</sup>**

Sauk County, WI – Ho-Chunk Gaming Wisconsin Dells is partnering with Sauk County Public Health to conduct 2 days of free, drive-thru COVID-19 testing for residents and workers in the Wisconsin Dells area. The new testing dates will be July 29 and July 30, from 10:00 am – 6:00 pm both days. The testing will be held in the parking lot of Ho-Chunk Gaming Wisconsin Dells, located at S 3214 Highway BD, Baraboo.

“We are incredibly thankful to the multiple area business owners who stepped up and offered us the use of their parking lots to conduct this free testing for the community,” said Tim Lawther, Sauk County Health Officer. “Given the short turnaround time to resolve logistical challenges, and the tremendous support received from the Ho-Chunk Nation, it made the most sense for us to hold this testing event there. The Ho-Chunk Nation has been a fantastic partner in public health and we are grateful that we can continue that partnership with this testing.”

Sauk County is currently experiencing a rise in COVID-19 cases, with almost 65% of its total cases since the beginning of this epidemic occurring in the month of July. For more information, please visit the Sauk County Public Health website at <https://www.co.sauk.wi.us/publichealth/coronavirus>.
