Public Health Sauk County to Hold Back-to-School Vaccine Clinic on August 20th

Sauk County, Wis— Sauk County Public Health, in partnership with O’Connell Pharmacy, will host a vaccine clinic on Thursday, August 20th. The clinic will run from 3:00 PM to 6:00 PM and will be held at the West Square Building in Baraboo, 505 Broadway Street, room B24 (basement). Children who receive vaccines will have the chance to pick a prize, including Baraboo Children’s Museum day passes, Culver’s coupons, and more.

The clinic will have vaccines available for the following groups:

- Ages 18 years and under (with or without insurance; most insurance accepted)
- Adults 19+ years with insurance (most insurance accepted)
- Adults without insurance (limited vaccines available; must live in Sauk County)

“We’re glad to offer this immunization clinic as an extra option for families, as we know sometimes it can be difficult to get in with their primary care provider this time of year,” says Rebecca Szydlowski, Public Health Nurse for Public Health Sauk County. “Keeping kids up to date on vaccines helps them start the school year healthy and ready for all their activities.”

To sign up for the vaccine clinic ahead of time, please visit <https://bit.ly/45hRH3>. Registration is not required. For questions about the vaccine clinic, please contact O’Connell Pharmacy at (608)-837-5949 or services@oconnellpharmacy.com.

About Public Health Sauk County

Public Health Sauk County supports the well-being of all people in our community. Through wellness programs, environmental health initiatives, and a focus on creating systemic change, we cultivate healthier places and people so that Sauk County can thrive.
