Sauk County Community Care Program

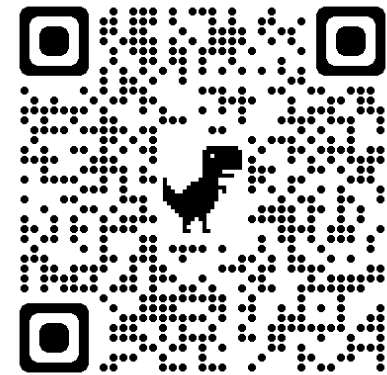

Together we thrive

This program provides dental vouchers for acute dental needs of Sauk County residents *who are uninsured and are income eligible* at below 200% poverty level.

The extent of the service provided is determined by the individual dentist providing care.

**Scan this code for more information on
how to get a dental, medical, or
prescription voucher, or visit**

DID YOU KNOW?

Regardless of a parent's dental insurance coverage (private, none, marketplace, etc.), children in a family may be eligible for state of Wisconsin dental insurance and other benefits.

Visit ACCESS:

<https://access.wisconsin.gov/access/>

It only takes a few moments to determine if your child is eligible for dental coverage that can give them the care they need and save families hundreds of dollars a year.

ACCESS is a State of Wisconsin website.
No one will ask for your name or contact information.
Any information you provide will not be shared.

GET THERE

With only 1 dentist for every 1,500 Sauk County residents, finding a dental home AND making appointments can be a challenge. Here are a few tips for success we've found work for Sauk County families:

Call in the Morning
Need to be seen sooner?
Cancellations occur. Call every morning to see if an opening is available.

Call if You Can't Make It
Some dental providers have a strict no show policy. If you know you can't make your appointment, call right away so your dentist can fill your spot with someone waiting.
