DID YOU KNOW?

Regardless of a parent's dental insurance coverage (private, none, marketplace, etc.), children in a family may be eligible for state of Wisconsin dental insurance and other benefits.

Visit ACCESS:

<https://access.wisconsin.gov/access/>

It only takes a few moments to determine if your child is eligible for dental coverage that can give them the care they need and save families hundreds of dollars a year.

ACCESS is a State of Wisconsin website.
No one will ask for your name or contact information.
Any information you provide will not be shared.

With only 1 dentist for every 1,500 Sauk County residents, finding a dental home AND making appointments can be a challenge. Here are a few tips for success we've found work for Sauk County families:

Call in the Morning
Need to be seen sooner? Cancellations occur. Call every morning to see if an opening is available.

Call if You Can't Make It
If you know you can't make your appointment, call right away so your dentist can fill your spot with someone waiting.

Call For Help
Need a ride to appointments? Having trouble finding care under sedation or care for children with special needs? Call us: (608) 355-3290.
