PUBLIC HEALTH SAUK COUNTY

# Guide to Programs & Services

## Health and Dental

### IMMUNIZATIONS

Get your vaccines here! Vaccines are free for children 18 and under without health insurance or vaccine coverage; individuals that are Medicaid eligible, uninsured, or underinsured; and for American Indians or Alaska Natives.

### COMMUNITY CARE VOUCHERS

are available for urgent health and dental care for those with no health or dental insurance.

### TESTING IS AVAILABLE

for pregnancy, lead poisoning, and tuberculosis (TB).

### SEAL-A-SMILE PROGRAM

provides dental sealants, fluoride varnish, screenings, and dental education to children in area schools.

### FAMILY PLANNING WAIVERS & THE WISCONSIN WELL WOMAN PROGRAM

provide free reproductive health services for men and women, plus mammograms (breast cancer screenings).

## For Parents and Families

### WOMEN, INFANTS, & CHILDREN (WIC)

gives healthy foods, nutrition tips, and breastfeeding support to those eligible, including pregnant and postpartum women, infants, and children under the age of 5.

### NURSE FAMILY PARTNERSHIP (NFP)

connects eligible first-time birth parents and nurses early in pregnancy and continuing after baby is born. Text Michelle at 608-963-6115 with any questions.

### PRENATAL CARE COORDINATION (PNCC)

connects pregnant women with their own personal nurse. It is a Wisconsin Medicaid and BadgerCare Plus benefit that helps pregnant women get the support and services they need during and right after pregnancy.

### MATERNAL CHILD HEALTH SERVICES

consists of Public Health Nurse outreach for families that need to be connected to resources.

## Environmental Health and Public Safety

### HEALTH & SAFETY CHECKS

Our environmental health team inspects and licenses restaurants and other retail food outlets, lodging, campgrounds, recreational camps, schools, tattoo shops, public wells, and swimming pools.

### EMERGENCY ALERTS

Nixle keeps you up to date with local emergency alerts. Text your zip code to 888777, or get signed up at: <http://local.nixle.com/register>

### RADON TEST KITS

We can answer your questions regarding radon and radon testing. You can purchase a radon kit from us for only **\$10.00**. Please note that we take cash or check only.
