EMPLOYEE of the MONTH

Bridget Reilly, R.N. is the Employee of the Month for June. When Bridget was asked for the interview for the newspaper and the Communicator her first reaction was "Oh no! The last time I was interviewed they misquoted my age—They said I was 64." Let it be known that I am rectifying the misquote. She is NOT 64 years old—although she declined to reveal her actual age.

Bridget has been married to her husband, Dan, for 24 years. They have 4 children; 3 sons and 1 daughter. Interestingly, her 3 sons are all in nursing school and her daughter has future plans to attend nursing school. Her son Patrick and daughter Maggie are also employed here as CNA's. Bridget has worked at the Health Care Center for the past 8 years. She said "My first and only nursing job." She truly enjoys working at the HCC. "I enjoy all the residents and have great coworkers". In her spare time she enjoys quilting, reading, fishing and her coworkers call her the Suduko queen!

To nominate a staff person for **Employee of the Month** pick up a yellow nomination form by the time clocks and indicate why you feel the employee is deserving. Nominations may be placed in the Suggestion Box by the Employee/Ambulance entrance. Eligible nominees will be put on the ballot for voting the first payday of the month when checks are picked up. Ballots are available in the Personnel Office on Thursday from 12:00 to 4:30 for voting if you are unable to vote on Friday. In addition, if a NOC shift person is chosen as Employee of the Month, they will receive 2 free gas cards from the Sunshine Club since they are not able to use the free meal tickets.

LAUNDRY WORKER'S WEEK

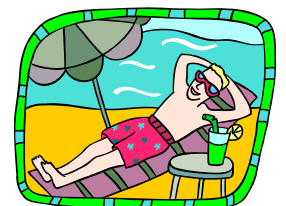

I would like to thank my laundry staff; Reggie Tourdot, Dave Potuznik, Gerri Bindl, Penny Bautch and Linda VanCoulter—recently retired—for all of their hard work and support. Through their teamwork and dedication, they help to keep the laundry department operating smoothly and efficiently to provide a needful service to the facility even when working under extreme conditions such as hot, humid weather.

Their efforts are greatly appreciated. Job well done!

Tom Renzelmann, Laundry Manager

Missing Clothing

When reporting missing clothes for residents, it is very important to fill out the request form. This procedure allows for the most accurate and efficient communication with the laundry department. If this procedure is not followed, we can not guarantee the item will be searched for as we may forget about it when we get calls or it is mentioned to us on the floors since we are busy concentrating on doing our work. Please put as much information on the form as possible to make the search easier. Thank You, Tom Renzelmann, Laundry Manager.
