Upcoming Events

Celebrating the Olympics on Thursday, August 2 at 2:00 p.m. in the Community Room. There will be Olympic games and an opening ceremony. Come join us for a fun afternoon.

Mark your calendars for the 13th annual **Alzheimer's/Memory Walk on Saturday, September 22.** Watch for different fund raisers throughout August and September to help support this cause. The last 2 years the SCHCC has won the award for most raised by a business. This would not have been possible without the support of all of you. Thank you for your continued generosity in our efforts. The walk starts at 10:30 a.m. and is held at Oschner Park. It is always a fun event and grows every year. Anyone and everyone is welcome to walk or to come and support the cause. The more walkers the better! Look for a sign-up sheet by the time clocks in the near future.

It is not good for all our wishes to be filled; through sickness we recognize the value of health; through evil, the value of good; through hunger, the value of food; through exertion, the value of rest.

The Sunshine Club is donating the prize for the Fish Award, so please continue to nominate people for this award by putting their name on the bulletin board in the service hall. As always, the **Sunshine Club** will continue to send birthday cards to all staff, gifts for staff who experience illness, deaths, births etc. and for periodically providing treats for staff on special occasions. We also provide a copy of the *Baraboo News Republic* for staff use in the break room.

Juli's Jottings

ATTENTION STAFF

Our neighbors have voiced concern regarding disposal of smoking materials and staff parking in the cul de sac to smoke.

First, please do not park in the cul de sac - please park on Clark St.

Secondly, please be a courteous smoker and dispose of your cigarettes in your vehicle. Use something in your vehicle to contain your ash and butts.

With the current fire ban you may receive a fine of up to \$500.00 for violating the smoking ban by disposing of your cigarettes or ash outside of your vehicle. In addition, if you cause a fire you will be fined for the cost to control the fire. Thank you!

A brunette rushes into a doctor's office one morning in incredible pain. "Doctor, please help me, I don't know what's wrong with me," says the brunette "Everywhere I touch my body it hurts."

"Well, can you show me?" says the Doctor.

The brunette touches her ankle and screams in pain, then touches her stomach and again screams in pain, finally she touches her arm and starts to cry.

The doctor replies, "You aren't really a brunette are you?"

"No, I dyed my hair, I'm really a blonde." says the woman.

The doctor says, "I thought so, because your finger is broken!"
