SUNSHINE CLUB NEWS

Our next **Casual 4 A Cause** will be on September **9th**. You may purchase a Casual 4 A Cause sticker at the front desk if you wish to wear jeans. Thank you, staff, for continually supporting the Sunshine Club by participating in our Casual 4 A Cause.

Restorative Tip of the Month:

There's not too much we can do without the use of our hands. Taking the opportunity after meals when residents are given a cloth or wipe to clean their hands is a great time for a little "range of motion". If they can do it themselves or most of it great! Otherwise we can take those few seconds to open their hands and gently promote good "clean" exercise!

From John & the Activity Department:

We have now started to offer baskets for bid to benefit the Gazebo Project and the annual Alzheimer's Walk scheduled for September 26. There will be new items to bid on each week. Anyone that would like to contribute a basket or item for bid should please contact Wanda Potter. We thank everyone for their bids & generous donations.

The "Good Deed" board is used to recognize coworkers for being "caught doing good deeds." Write their name, date and what they are being recognized for on a slip and hang it on the board. You must sign the slip. Each month one lucky person will receive a gift. Kathy Rachuj is the winner of the good deed award this month. Kathy was nominated by Penny Bloedow and Sharon Marshall for always going above and beyond, completing extra tasks and treating residents with kindness. Congratulations Kathy!

Welcome our New Employees

Hi! My name is Melanie DeMars and I will be working here as a CNA, casual PM shift. I moved back to the area a few years ago and now live outside of Reedsburg with my boyfriend and my son, our dog and two cats. I am currently going to school at MATC with the goal of a degree in nursing.

Hi! My name is Cayla Albright. I will be working as a CNA on the pm shift. I have a 4 year old daughter whom I love to take fishing and do crafts with. And I like to spend the rest of my free time reading, cooking, and being outside.
