Welcome our New Employee

Hi! My name is Brittany Olson. I am a CNA and I will be working on the PM shift. In my free time, I enjoy spending time with my son and family.

Restorative / Maintenance tip of the month:

"Frogs can eat bugs, we have to live with them." Days can be rewarding and tough at the same time, but as a team we work together to always fine tune our quality environment. We work hard to restore and maintain resident skills. We work with a variety of fellow staff and with the public. As a team, we have to be flexible, communicate, listen, give more than expected, and above all, respect each other. It's working! Progress is being made! Thanks
