- 7.2 Contract type shall be a single fixed-priced (lump sum) contract. Lump sum should include any necessary reimbursables.

8.0 CONTACT INFORMATION

- 8.1 Each vendor obtaining a copy of this Request for Bid either in person, via the Sauk County Web Site, or by other means, must submit an email to jvosen@co.sauk.wi.us that contains the contractor name & contact information. This will assure that any Addenda, questions/answers or other information related to this Request for Proposal/Bid is received by all interested bidders. If this information is not submitted five (5) business days prior to the Due Date of this Proposal/Bid, the County retains the right to reject the bid solely for this reason or accept the bid.

PART TWO - SCOPE OF WORK

Part 1 - General

Scope:

1. The County is requesting proposals in the form of labor, equipment, material, and related service necessary to furnish and install a natural gas fired, fully condensing hot water boiler to replace the existing condensing hot water boiler at the Sauk County Health Care Center.

Submittals:

1. Specifications and information on the operation and maintenance of the equipment shall be submitted with the proposal.

Reference Standards:

1. Boiler & Pressure Vessel Code: ASME
2. Package Fire Tube Boiler Ratings: ABMA
3. U.L. Listed
4. Gas Fired Low Pressure Steam & Hot Water Boilers: AGA, ANSI Z21.13
5. State and Local Codes

Part 2 – Products

Acceptable Manufacturers:

1. Aerco
2. Fulton
3. Thermal Solutions
4. Patterson-Kelly
5. Burnham
6. Weil-McLain

Boiler Design:

1. Boiler design shall be complete with boiler fittings and automatic controls. The boiler (with all wiring) shall be completely factory assembled as a self-contained unit. The boiler shall be finished, thoroughly tested, and properly packaged for shipping. Boiler design and construction shall be in accordance with section IV of the ASME Code for hot water heating boilers with maximum water working pressures of 70 PSIG. The boiler shall have no minimum flow requirements or minimum return water temperature requirements. Adequate openings shall be provided for access to the water side of the boiler.

The condensing section of the exhaust pipes shall be constructed of SA-312 Grad 316-L stainless steel. The vessel shell shall be SA-53B ERW pipe or SA-285 Grad C plate. The heads shall be SA-516 Grad 70 plate. The pressure vessel shall be fully insulated with 2” of high temperature insulation.

The boiler must be compatible with a propylene glycol solution in the circulating water with PH rating of 7 to 9

Boiler Size and Rating:

1. The boiler shall be able to produce an output of 1,955 MBTU/hour at full input. The return water temperature under those conditions shall be 115 deg. F. The efficiency shall be not less than 90%

Boiler Flue Venting:

1. We encourage the use of the existing boiler stack which is a stainless steel Heatfab Saf-T vent CI plus CCA 10 L 36 10" – 36 UL listed special gas vent type BH for use with category I,II,III, or IV gas appliances for continuous flue temperatures not above 550 degrees F / 285 degrees C. The cost of fittings or appliances to connect to the existing boiler stack will be the responsibility of the vendor.
2. Combustion air is supplied by the wall mounted outside air damper.

Boiler Fittings:

1. The existing temperature / pressure gauge may be used with the new boiler.
2. The existing 1 ¼" TP valve (Apollo 10-606, 50 PSIG, 3384000 BTU/Hr.) may be used with the new boiler.
3. The existing low water cutoff (McDonnell & Miller model NO PS – 851 – M – 120) may be used with new boiler.
4. The existing high limit safety switch (Honeywell 4006E) may be used with the new boiler.
5. The use of the above existing equipment must be verified by the vendor to be compatible with the new boiler.

Connections:

1. The existing supply and return boiler connections are 3" ANSI flat faced flange. The vendor is responsible for the cost of fittings to connect to the existing flanges.
2. The existing gas connection is a 1 ½" black pipe union with valve and regulator.
3. If the manufacturer of the boiler requires a small " flow guarantee " circulating pump at the boiler beyond the existing primary boiler circulating pump, then that equipment must be furnished, installed & wired by the vendor.
4. Condensate drain piping must be installed to the floor drain by vendor.

Combustion Equipment:

1. The flame safeguard shall be as recommended by manufacturer. The control shall provide a 35-second pre-purge and post-purge. The control shall maintain a running history of operating hours, number of cycles, and the most recent 6 flame failures.
2. Combustion equipment shall have a 5:1 turn-down modulating burner with:
 - Operating temperature controller for automatic start and stop of the pulse combustion;
 - High limit temperature controller (manual reset);
 - One low water cutoff probe in the boiler shell;
 - Air safety switch to prevent operation until sufficient pre-purge air is assured;
 - Proof of flame switch to provide combustion.
3. All controls are to be panel mounted and so located on the boiler as to provide ease of servicing the boiler without disturbing the controls. All controls shall be mounted and wired according to AGA/CGA and UL requirements. Electric power supply 120 volts, 60 cycle single phase.

Operating Manual:

- 1. Instructions for installation, operation, and maintenance of the boiler shall be contained in a manual provided with the boiler.**
- 2. A wiring diagram corresponding to the boiler shall be affixed to the boiler near the electric panel.**

Warranty:

- 1. The pressure vessel shall be guaranteed against thermal shock for ten years when utilized in a closed loop hydronic heating system with a temperature differential of 170 degrees F. or less. The pressure vessel and exhaust assembly shall be covered by a five-year non-prorated warranty against flue gas corrosion. All other components are covered by a one year (12- month) warranty.**

Part 3 – Execution

Installation:

- 1. The boiler shall be installed in accordance with the manufacturer's instructions on the existing cement slab in the same location as the existing boiler. The existing boiler will be removed by the county.**
- 2. The county's representative and/or appointee shall be present to receive instruction in the care and maintenance of the boiler unit at the time the boiler unit is started up by the service representative. Free service period of one-year after start-up shall be supplied by the manufacturer/vendor.**
- 3. The vendor shall be responsible for connection of the boiler to the building management system sequence control system.**
- 4. After completion of installation, the boiler shall be test started in the presence of a representative of the boiler manufacturer and a start-up report, including control settings, and a performance chart of the step control system (if employed) shall be furnished.**
- 5. The "emergency burner cutoff switch", must be connected and verified by the vendor to be operational in case of emergency.**
- 6. Initial start-up and adjustment of all operating and safety controls shall be performed by a trained serviceman authorized by the boiler manufacturer. Any additional adjustments required as a result of the final system balance shall also be done by the manufacturer's representative at the direction of the owner.**

Startup Service:

- 1. The vendor shall engage a factory-authorized service representative to test, inspect, and adjust the boiler, its components and the equipment installation and to perform start up services.**
- 2. Perform installation and startup checks according to manufacturer's written instructions.**
- 3. Leak test: hydronic test. Repair leaks and retest until no leaks exist.**
- 4. Operational test: Start unit to confirm proper motor rotation and unit operation. Adjust air-fuel ratio and combustion controls.**

5. Test and adjust controls and safeties. Replace damaged and malfunctioning controls and equipment.
6. Burner test: Adjust burner to eliminate excess oxygen, carbon dioxide, oxides of nitrogen, and carbon monoxide in flue gas and to achieve rated combustion efficiency.
7. Adjust initial temperature set points.
8. Set field-adjustable switches and circuit breaker trip ranges as indicated.
9. Occupancy adjustments: When requested within 12 months of date of substantial completion, provide on-site assistance in adjusting the system to suit actual occupied conditions. Provide up to two visits to the site outside of normal occupancy hours for this purpose, without additional cost to owner.
10. Prepare a written report that documents the testing procedures and their results.
11. Engage a factory-authorized service representative to train the owner's maintenance personnel to adjust, operate, and maintain the boiler.

PART THREE - GENERAL REQUIREMENTS

STANDARD TERMS AND CONDITIONS (REQUESTS FOR BID)

- 1.0 SPECIFICATIONS:** The specifications in this request are the minimum acceptable. When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability and/or performance level desired. When alternates are proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish equivalency, Sauk County shall be the sole judge of equivalency. Bidders are cautioned to avoid Bid alternates to the specifications which may result in rejection of their Bid.
- 2.0 DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from terms, conditions, or specifications shall be described fully, on the bidder's letterhead, signed, and attached to the request. In the absence of such statement, the Bid shall be accepted as in strict compliance with all terms, conditions, and specifications and the bidders shall be held liable.
- 3.0 QUALITY:** If supplies are furnished, unless otherwise indicated in the request, all material shall be first quality. Items which are used, demonstrators, obsolete, seconds, or which have been discontinued are unacceptable without prior written approval by Sauk County.
- 4.0 QUANTITIES:** The quantities shown in this request for bid are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.
- 5.0 PRICING AND DISCOUNT:** Sauk County qualifies for governmental discounts; unit prices shall reflect these discounts.
 - 5.1 Unit prices shown on the Bid or contract shall be the prices per unit of sales (e.g., gal., cs., dos., ea., etc.) as stated on the request or contract. For any given item, the quantity multiplied by the unit prices shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the Bid evaluation and contract administration.
 - 5.2 Prices established in continuing agreements and term contracts may be lowered due to general market conditions, but prices shall not be subject to increase for ninety (90) calendar days from the date of award. Any increase proposed shall be submitted to the contracting agency thirty (30) calendar days before the proposed effective date of the price increase, and shall be limited to fully documented cost increases to the vendor which are demonstrated to be industry wide. The conditions under which price increases may be granted shall be expressed in Bid documents and contracts or agreements.
 - 5.3 In determination of award, discounts for early payment will only be considered when all other conditions are equal and when payment terms allow at least fifteen (15) days, providing the discount terms are deemed favorable. All payment terms must allow the option of net 10.
- 6.0 ACCEPTANCE-REJECTION:** Sauk County reserves the right to accept or reject any or all Bids, to waive any technicality in any Bid submitted, and to accept any part of a Bid as deemed to be in the best interests of Sauk County.
 - 6.1 Bids MUST be date stamped by Sauk County Clerk, 505 Broadway, Baraboo, WI 53913, on or before the date and time that the Bid is due. Bids dated and time stamped in another office will be rejected. Receipt of a Bid by the mail system does not constitute receipt of a Bid by the County Clerk's office.
 - 6.2 Bids shall be submitted on company letterhead and signed by an officer of the company. Mark sealed envelope: "**Boiler Sauk County Health Care Center**"

- 7.0 METHOD OF AWARD:** Award shall be made to the lowest responsible, responsive bidder unless otherwise specified. Sauk County reserves the right to award based upon the evaluation of the Bids, which the county deems to be in its best interest.
- 8.0 ORDERING:** Purchase order shall be placed directly to the vendor by an authorized agency. No other purchase orders are authorized.
- 9.0 PAYMENT TERMS AND INVOICING:** Sauk County normally will pay properly submitted vendor invoices within thirty (30) days of receipt providing goods and/or services have been delivered, installed (if required), and accepted as specified.
- 10.0 TAXES:** Sauk County and its agencies are exempt from payment of all federal tax and Wisconsin state and local taxes on its purchases except Wisconsin excise tax as described below which is accepted by State Statutes.
- 10.1 Sauk County, including all its agencies, is required to pay the Wisconsin excise or occupation tax on its purchase of beer, liquor, wine, cigarettes, tobacco products, motor vehicle fuel, and general aviation fuel. However, it is exempt from payment of Wisconsin sales or use tax on its purchases. Sauk County may be subject to other states' taxes on its purchases in that state depending on the laws of that state. Vendors performing construction activities are required to pay state use tax on the cost of materials.
- 11.0 ENTIRE AGREEMENT:** These Standard Terms and Conditions shall apply to any contract or order awarded as a result of this request except where special requirements are stated elsewhere in the request; in such cases, the special requirements shall apply. Further, the written contract and/or order with referenced parts and attachments shall constitute the entire agreement and no other terms and conditions in any document, acceptance, or acknowledgment shall be effective or binding unless expressly agreed to in writing by the contracting authority. The successful Bid/bidder will be required to sign the contract document attached hereto.
- 12.0 GUARANTEED DELIVERY:** Failure of the vendor to adhere to delivery schedules as specified or to promptly replace rejected materials shall render the vendor liable for all costs in excess of the contract price when alternate procurement is necessary. Excess costs shall include the administrative costs.
- 13.0 APPLICABLE LAW:** The vendor shall at all times comply with and observe all federal and state laws, local laws, ordinances, and regulations which are in effect during the period of this contract and which in any manner affect the work of its conduct. The Sauk County Circuit Court shall be the court of exclusive jurisdiction for any litigation between the parties arising out of the performance of this contract. This contract shall be interpreted in accordance with the laws of the State of Wisconsin.
- 14.0 ANTITRUST ASSIGNMENT:** The vendor and Sauk County recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by Sauk County (purchaser). Therefore, vendor hereby assigns to Sauk County any and all claims for such overcharges as to goods, materials or services purchased in connection with this contract.
- 15.0 ASSIGNMENT:** No right or duty in whole or in part of the vendor under this contract may be assigned or delegated without the prior written consent of Sauk County.
- 16.0 SUBVENDORS:** If sub-Vendors are planned to be used, this should be clearly explained in the Bid. However, the prime vendor will be responsible for contract performance whether or not sub-Vendors are used.
- 17.0 ARBITRATION/APPEALS PROCESS:** Notice of intent to protest and protests of any award made must be made in writing and filed with the Sauk County Clerk, 505 Broadway, Baraboo, WI 53913 within five (5) calendar days after discussion and recommendation of award. The provisions of Chapter 68 of the Wisconsin Statutes shall apply.

- 17.1 Any dispute arising after award as to performance, quality and/or quantity shall be subject to arbitration as provided under Chapter 788 of the Wisconsin Statutes.
- 17.2 Sauk County reserves the right to have claims, disputes, or other matters in question decided by litigation. If Sauk County waives its right to litigation, then the arbitration provisions stated in paragraph 17.1 shall apply.
- 18.0 NONDISCRIMINATION:** In connection with the performance of work under this contract, the vendor agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, sexual orientation or national origin as defined in s. 51.01(5), Wis. Stats.. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- 18.1 Failure to comply with the conditions of this clause may result in the vendor becoming declared an "ineligible" vendor, termination of the contract, or withholding of payment.
- 19.0 SAFETY REQUIREMENTS:** All employer practices, employee practices, materials, equipment, and supplies provided to Sauk County must comply fully with all safety requirements as set forth by the Wisconsin Administrative Code, Rules of the Industrial Commission on Safety, and all applicable OSHA Standards.
- 20.0 WARRANTY:** Unless otherwise specifically stated by the Bid/bidder, equipment purchased as a result of this request shall be warranted against defects by the Bid/bidder for ninety (90) days from date of receipt. The equipment manufacturer's standard warranty shall apply as a minimum and must be honored by the vendor.
- 21.0 HOLD HARMLESS:** Vendor agrees to indemnify, hold harmless, and defend Sauk County, its officers, agents and employees from any and all liability including claims, demands, losses, costs, expenses and damages of every kind arising out of or in connection with services provided pursuant to this contract where such liability is founded upon or grows out of acts or omissions of any agents or employees of the vendor.
- 22.0 INSURANCE RESPONSIBILITY:** The vendor performing services for Sauk County shall:
- 22.1 Maintain workers compensation insurance, as required by Wisconsin Statutes, for all employees engaged in the work.
- 22.2 Maintain general liability and owners and vendors protection in the following amounts. Sauk County shall be named as an additional named insured:
- | | |
|---|--|
| <u>General Liability:</u> | |
| General Aggregate | \$1,000,000.00 |
| Products-Comp/Op Agg | \$1,000,000.00 |
| Personal & Adv. Injury | \$1,000,000.00 |
| Each Occurrence | \$1,000,000.00 |
| <u>Automobile:</u> (Combined single limit) | \$1,000,000.00 |
| <u>Excess Liability:</u> (Umbrella) | \$5,000,000.00. (Each occurrence and aggregate.) |
- 22.3 Provide policy, countersigned by an insurer licensed to do business in the State of Wisconsin, covering the period of the agreement/contract indicating that Sauk County is an additional named insured on public liability, professional liability and property damage insurance required above.
- 22.4 Provide insurance certificates indicating required coverage, countersigned by an insurer licensed to do business in Wisconsin, covering the period of the agreement/contract. The insurance

certificate is required to be presented prior to the issuance of the purchase order or before commencement of the contract.

- 23.0 CANCELLATION:** Sauk County reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds, or for failure of the vendor to comply with the terms, conditions, and specifications of this contract.
- 24.0 TERMINATION FOR CONVENIENCE:** Sauk County reserves the right to terminate this contract for convenience upon 120 days' notice.
- 25.0 TERMINATION FOR DEFAULT:** Sauk County reserves the right to terminate this contract for default if, after twenty days written notice to cure default, vendor fails to satisfactorily cure the default.
- 27.0 AUDIT:** During the term of the contract, the vendor shall, upon the request of the Sauk County Controller, make available at reasonable times and places, such information as may be required for the purpose of auditing submitted bills for the service provided under the contract.
- 28.0 INDEPENDENT VENDOR/CONTRACTOR STATUS:** None of the officers, employees, or agents of the vendor are employees of Sauk County for any purpose, including but not limited to compensation, fringe benefits, or insurance coverage.
- 29.0 PUBLIC RECORDS ACCESS:** It is the intention of the county to maintain an open and public process in the solicitation, submission, review, and approval of procurement activities.
- 29.1 Bid openings are public unless otherwise specified. Records may not be available for public inspection prior to issuance of the notice of intent to award or the award of the contract.
- 29.2 If awarded this contract, Vendor shall assist Sauk county in complying with any open records request made under Wisconsin Law if the document.
- 30.0 PROPRIETARY INFORMATION:** Any restrictions on the use of data contained within a request must be clearly stated in the Bid itself. Proprietary information submitted in response to a request will be handled in accordance with applicable Sauk County procurement regulations and the Wisconsin public records law. Proprietary restrictions normally are not accepted. However, when accepted, it is the vendor's responsibility to defend the determination in the event of an appeal or litigation.
- 30.1 Data contained in a Bid, all documentation provided therein, and innovations developed as a result of the contracted commodities or services cannot be copyrighted or patented. All data, documentation, and innovations become the property of the Sauk County.
- 30.2 Any material submitted by the vendor in response to this request that the vendor considers confidential and proprietary information and which qualifies as a trade secret, as provided in s. 19.36(5), Wis. Stats., or material which can be kept confidential under the Wisconsin public records law, must be identified. Bid prices cannot be held confidential.
- 31.0 DISCLOSURE:** If a public official (s. 19.42, Wis. Stats.), a member of the public official's immediate family, or any organization in which a public official or a member of the official's immediate family owns or controls a ten percent (10%) interest, is a party to this agreement, and if this agreement involves payment of more than three thousand dollars (\$3,000.00) within a twelve (12) month period, this contract is voidable by the County unless appropriate disclosure is made according to s. 19.45(6), Wis. Stats., before signing the contract.
- 32.0 RECYCLED MATERIALS:** Sauk County desires to purchase products incorporating recycled materials whenever technically and economically feasible. Vendors/bidders are encouraged to Bid/propose products with recycled content which meet specifications.
- 33.0 PATENT INFRINGEMENT:** The vendor selling to Sauk County the articles described herein guarantees the articles were manufactured or produced in accordance with applicable federal labor laws. Further, that the sale or use of the articles described herein will not infringe any United States patent. The vendor

covenants that it will at its own expense defend every suit which shall be brought against Sauk County (provided that such vendor is promptly notified of such suit, and all papers therein are delivered to it) for any alleged infringement of any patent by reason of the sale or use of such articles, and agrees that it will pay all costs, damages, and profits recoverable in any such suit.

- 34.0 SAFETY DATA SHEET:** If any item(s) on an order(s) resulting from this award(s) is a hazardous chemical, as defined under 29CFR 1910.1200, provide one (1) copy of Safety Data Sheet for each item with the shipped container(s) and one (1) copy with the invoice(s).
- 35.0 OPEN RECORDS.** Contractor agrees to assist the County in any requests made under the Wisconsin Open Records Law or Federal Freedom of Information Act.
- 36.0 SUBMISSION OF SAFETY POLICIES/MANUALS.** The Contractor will be required to submit a copy of the company's safety policies and manuals to the Sauk County Emergency Management, Buildings and Safety Department for review.
- 37.0 OWNER'S REPRESENTATIVE.** The Owner's (County's) representative will be William McClary, SCHCC Chief Engineer.

The Vendor has examined and carefully prepared the Bid from the plans and specifications and has checked the same in detail before submitting the Bid to Sauk County, including the Standard Terms and Conditions.
