T N R E Section	

Public access locations & types (i.e. boat launch, pier):

Project Budget

- Include all sources of funding (e.g., town, nonprofit, other management organization, etc.) including the applicants that are providing financial support in the project.
- Identify the type of financial support (cash, volunteer hours, equipment, etc.) and attach a copy of the organizations letter of financial commitment.

Expense	Source	Type	Cost
			Total cost

Funding request from Sauk County:

Project goals

- How will the project improve water quality of the lake by reducing soil erosion & stormwater discharge?
- How will the project benefit native species through invasive species work, enhancing riparian buffers, adding aquatic habitat, etc.?
- Describe how this project is innovative and engages the community.
- Attach a copy of a current lake management plan (if applicable, not a part of the 5 page limit)
