

# SAUK COUNTY 2025 PASTURE WALKS

DATES/TIMES SUBJECT TO CHANGE

**20**

MAY  
6 - 8 PM

## **RYAN REISDORPH FARM S2258 BUNDY HOLLOW RD, LA VALLE**

Join us at the Reisdorph farm to discuss custom grazing. We'll talk about how custom grazing can be a flexible option to start grazing & see how Ryan has made this enterprise work on his farm.

**26**

JUNE  
6 - 8 PM

## **ECHO-Y FARM S7905 SKY VIEW RD, LOGANVILLE**

Interested in how electric collars can work in a rotational grazing system? Come to Echo-Y Farms to see e-collars in action & their performance so far. The Yankes will share their experience & a Gallagher representative will be present to answer questions regarding the collars.

**15**

JULY  
6 - 8 PM

## **PELTON FARM S2037 COUNTY RD H, REEDSBURG**

Come learn about grazing stocker cattle. We'll look at their grazing system & how they solved the problem of grazing a large number of cattle at once on pasture. Learn what factors should be considered when building a profitable stocker enterprise.

**18**

SEPTEMBER  
5 - 7 PM

## **KYLE BANIGAN 18672 COUNTY RD N, BLANCHARDVILLE**

Join us in Lafayette County at the Banigan Farm to hear about their new grazing setup. We'll discuss their transition to rotational grazing, fencing & watering systems they have installed to make it happen, & hear what their grazing experience has been like so far.

**15**

OCTOBER  
5 - 7 PM

## **LAUKANT FARM S5737 ROCK ELM RD, ROCK SPRINGS**

Join us at the Laukant farm to check out cattle handling facility setups and discuss livestock husbandry principles. These skills and knowledge can make loading cattle or running cattle through the chute a safer and less stressful experience.
