

# 2023 Sauk County Pasture Walks

Mark your calendars and check back for more details on these events as we get closer to each of the scheduled pasture walk. Please note that the dates and times are subject to change based on weather. Be sure to subscribe for email updates on pasture walks at: <https://mailchi.mp/6c348f037dbf/tag-landing-page> or follow us on Facebook [@sauk.lre](https://www.facebook.com/asauk.lre) for updates on these events.

**WEDNESDAY**

**APRIL 19 AT 6:00 PM**

## **Sauk County Farm: Infrastructure Set Up & Grazing Along Streams**

*S4555 County Rd. CH, Reedsburg*

This pasture walk will cover transitions from row crop to managed pasture. We will discuss seeding methods, mixes, fencing layout, livestock pipeline layout, and fencing along streams.

**WEDNESDAY**

**May 31 at 6:00 PM**

## **Bula's Pleasant Valley Farm: Multi Species Grazing**

*S4473 Scenic Rd., Baraboo*

Join for an evening all about multi-species grazing. Bula's will demonstrate grazing cattle, sheep, and chickens on their pastures. Discussion will also cover stretching pastures by grazing cover crops & strategies for higher stock densities.

**THURSDAY**

**June 15 at 6:00 PM**

## **Laukant: Custom Grazing**

*S5737 Rock Elm Rd., Rock Springs*

Learn how to incorporate custom grazing into your operation. Learn about this inexpensive way to get into the livestock business without the capital expenditure of purchasing animals.

**THURSDAY**

**July 27 at 6:00 PM**

## **Savanna Institute: Silvopasture**

*6511 Hillside Rd., Spring Green*

This pasture walk is focused on the integration of trees into pastured livestock systems for shade, additional forage, ecological restoration, and enhanced economic opportunities.

**THURSDAY**

**August 3 at 6:00 PM**

## **Troyer: Fencing Demonstration with Gallagher**

*Narrows Valley Supply, E4566 Stoney Ridge Rd., Loganville*

Watch a fencing demonstration first hand with a fencing professional. Learn how to install bracing, splice fence, use insulators, tie knots, tricks & tips of fencing and all the components that go into a fencing project.

**THURSDAY**

**September 14 at 5:30 PM**

## **Daniel Jackson's Farm: Stocker Enterprise**

*E6576 Skinner Rd., Reedsburg*

Come learn the ins and outs of a stocker enterprise. How do you transition animals to your farm? What facilities do you need to accommodate stockers? What are the costs & income for a stocker enterprise?

**THURSDAY**

**October 19 at 5:00 PM**

## **Roger Bindl's Farm: Grazing Cover Crops**

*S10620 Weidner Rd., Spring Green*

Learn how to use cover crops to extend your grazing season. Winter feeding is the #1 expense for raising livestock, reducing winter feeding days by using cover crops is a practical way of lowering this expense.

**THURSDAY**

**December 7 at 3:00 PM**

## **Gabe Bauer's Farm: Winter Waterers & Unrolling Hay**

*E435 Co. Rd EE, Wonewoc*

We will be discussing the various watering operations on pasture during the Wisconsin winter months. This pasture walk will also demonstrate unrolling hay on pasture as a way of spreading out nutrients on pasture.
