"May the Forest be with you,
Always"

Trees are important!
They give us oxygen!

Trees give leaves,
and leaves are good for leaf
piles, and leaf piles clean up
driveways!

We need trees!
Squirrels trees! Birds
Trees are homes!

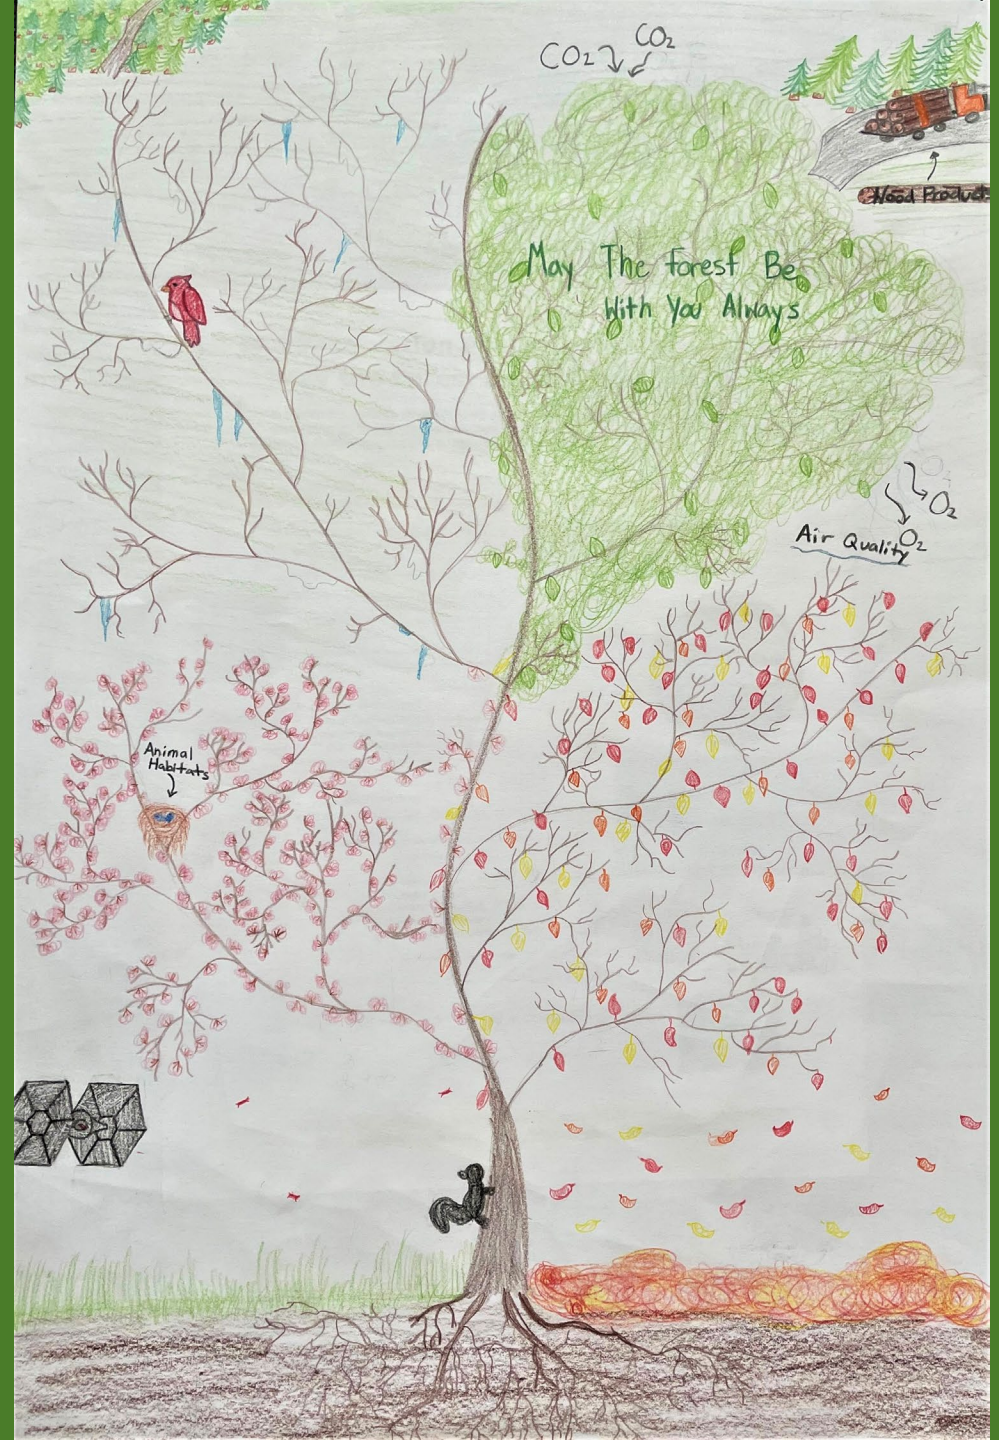

Trees give shade to plants
that need it, and that
helps more plants grow!

Trees are made of wood and most things
are made of wood!
What would we do without trees?

Trees are the **BEST** FORESTS are the **BEST** we need TREES we love TREES are the **BEST**
