RESOLUTION #

Resolution Authorizing the Director of Land Resources and Environment to Submit Grant Applications for DATCP Clean Sweep Grant Program

Resolution offered by the Land Resources and Environment Committee

Resolved by the Board of Supervisors of Sauk County, Wisconsin:

BACKGROUND:

Sauk County recognizes that proper disposal of hazardous waste is important to the safety and well-being of County residents and the collection and proper disposal of hazardous wastes serves to protect the natural resources of the County. Sauk County has supported the Clean Sweep Program and hazard waste collection events held in the County for well over twenty years.

The Land Resources and Environment Department hosts one (1) Clean Sweep Event annually as well as several Ag Plastic events throughout the year to assist residents with the proper disposal of hazardous wastes. The Clean Sweep Grant Program through DATCP helps to defray some of the expense of disposing of the collected materials and provides a service to County residents that would otherwise be costly to individual households and helps to protect the natural resources of Sauk County.

THEREFORE, BE IT RESOLVED, by the Sauk County Board of Supervisors, meeting in regular session, that Sauk County continues to support the Clean Sweep hazardous waste collection and ag plastic collection events in Sauk County; and,

BE IT FURTHER RESOLVED that the Director of Land Resources and Environment is hereby authorized to submit the Clean Sweep Grant application.

Approved for presentation to the County Board by the Land Resources and Environment and Economic Development Committees, this 16 day of May 2023.

59 Fiscal Note: The estimated grant award in the 2023 Budget is \$12,500. The total budget for
60 Clean Sweep and Ag Plastics is \$57,000. Fees are charged at the Clean Sweep Event for
61 certain types of items, which aid in covering a portion of the costs. Given that the application is
62 for 2024 Grant Funds, the Department would anticipate the same revenues and expenses
63 would be requested and budgeted for 2024.
